Man's Most Critical Age

Very often the vital resources are small at forty-two, but if not then, between fifty-seven and sixty years of age there is a strange slowing down and loss of vitality. It is important that this transient period of decay should be checked; strength must be imparted to the tired brain, the the weak nerves must be fortified. The wise man will use Ferrozone whose potency is particularly applicable to these critical periods. Ferrozone quickens the whole being, imparts vigor and power, pushes back the onset of senility in very manifest way. It's because Ferrozone gives strength, vitality and vigor that it is useful to old men. Try it. Price 50c.

NO DIFFERENCE

No distinction is made as to the kind of piles that Hem-Roid cures.

The names internal, External, Bleeding Blind, Itching, Suppurating, etc., are simply names of the different stages through which every case will pass if it continues long enough.

Piles are caused by congestion or stagnation of blood in the lower bowel, and take an internal remedy to remove the cause.

Dr. Leonhardt's Hem-roid is a tablet taken internally.

It is a permanent cure and no case of Piles has ever been found it failed to cure.

Money back if it does.

A guarantee with every package.

The Toronto World recently had a rather startling article on "Intemperance in the Legislature." It charged that certain members had been "deliberately incapacitated with liquor" for the purpose of "serving both political and private interests;" that corporations had engineered their bills through committee with the aid of liquor, and that in some cases members on the floor of the House were intoxicated. An investigation should be forthcoming. We would like to know who is responsible for blocking temperance legislation.

One day last week Mr. Wm. Jackson of this place was taking one of his favorite outings with the gun. He came across a red rogues' earthly home. There being nothing in sight to shoot at, he undertook to dig for game, and was rewarded by unearthing four young foxes and upon examination he discovered that of the four only one eye was to be seen, the other seven not yet being open. He bagged his cunning game, bringing them home. Soon after he learned that Mr C. W. Bowler, of brick fame, had a canine which had recently lost her young, and the three little foxes were introduced and promptly adopted. The greatest harmony has since existed in the fox-dog family. It was certainly a good catch.—Standard.

To Prove what Anti-Pill, the Great System Treatment will do for you, Every reader of this paper may have A Sample Bottle sent Free by mail.

Derangement of the stomach is responsible for much sickness and suffering. Every organ of the body depends upon the stomach for its nutriment and strength—If the stomach is not working right the blood carries to the liver, heart, nerves and kidney tissue imperfect nutrition—They become weak and unable to perform their work—become clogged, diseased, and throw out their distress symptoms. Now you may get stimulative, temporary relief by the taking of a kidney, liver, nerve or heart specific, but the cause remains—The stomach is at fault, and so long as it keeps loading the blood with impurity—waste, so long will the blood transport and deposit disease breeding elements in the weak places—When you feel sick help the stomach first. A well stomach means a well body. Anti-Pill the Great System Treatment, is a new discovery that has a marvelous influence in correcting system ailments. Address, Wilson-Fyle Co., Niagara Falls, Ont., for free sample. Regular, size, a month's treatment, 50 cents at Druggists.

BLOOD POISON

For over thirty years we have treated and cured all forms of Blood diseases, both hereditary and acquired. Our New Method Treatment is original with ourselves, and never fails to eradicate the poison from the system. Beware of mercury and other mineral poisons, which so many doctors prescribe for this terrible disease, as they will ruin the system. Other treatments drive the poison into the system, whereas our treatment destroys the virus or poison in the blood and removes it from the system entirely, so the symptoms can never return. If you have any of the following symptoms consult us before it is too late: Blotches, eruptions or pimples; falling out of the hair, itchiness of the skin, stiffness or pains in the joints, soreness in the muscles, sore throat, ulcers or bad taste in the mouth, sore tongue, sourness of the stomach, enlarged glands, running sores, etc.

Our New Method Treatment will purify the blood, heal up the sores, remove all pains; the hair will grow in again, all organs will be restored to their normal condition, and the patient prepared to renew the duties and pleasures of life. We guarantee marriage possible with absolute safety.
