Derangement of the stomach is responsible for much sickness and suffering. Every organ of the body depends upon the stomach for its nutriment and strength—If the stomach is not working right the blood carries to the liver, heart, nerves and kidney tissues imperfect nutrition—They become weak and unable to perform their work—become clogged, diseased, and throw out their distressed symptoms. Now you may get stimulative, temporary relief by the taking of a kidney, liver, nerve or heart specific, but cause remains—The stomach is at fault, and so long as it keeps loading the blood with impurity—waste, so long will the blood transport and deposit disease breeding elements in the weak places—When you feel sick, help the stomach first. A well stomach means a well body. ANLI-PILL, is a new discovery that has a marvelous influence in correcting system ailments. Address, Wilson-Fyle Co. Niagara Falls, Ont. for free sample. Catarrhozone destroys disease germs, stops the cough, heals sore spots, clears the nose and throat of discharge. Catarrhozone soothes, never irritates. Guaranteed for every form of Catarrh. For lasting cure use Catarrhozone. Two months treatment $1.00 ; trial size 25c.

An exchange says :— A good and cheap paint for use on barns and other outbuildings is made by stirring into a gallon of milk three pounds of Portland cement and enough pigment to give the proper color. This mixture spread on wood, makes a coating that after six hours becomes as good and lasting as oil paint. It makes the best possible paint for trees where the limbs have been pruned or sawed off.
