With pure, vigorous blood coursing through the veins and animating every fibre of the body, cold weather is not only endurable but pleasant and agreeable. No other blood medicine is so certain in its results as Ayer's Sarsaparilla. What it does for others it will do for you.

The Advance extends its congratulations to our fellow townsman, Mr. Newton Henderson, upon his accession to the rank of benedicts. The auspicious event occurred at Brighton last week, the lady interested being Miss Flora Harndon, of that place. Mr. and Mrs. Henderson have taken up their residence in Flesherton.

There was a small stir in town in real estate on Tuesday. Mr. D. McTavish sold his house and lot on Collingwood street to Mr. McCammon, of Egremont, and purchased from Mr. Porteous the residence now occupied by Veterinary Surgeon Ottewell. We have not learned the figures paid.

DIED—At the residence of Mr. J. W. Large, on Thursday, 9th inst., Mrs. Sherman, late of the township of Mulmur. The remains were taken to Mulmur for interment. Deceased was a long-time sufferer from a cancerous affection, and was a sister-in-law of Mr. J. W. Large of this place. She left a family of four little ones who are almost too young to understand their sad loss.

The Advance is happy to announce that Flesherton will have a Mechanic's Institute. Sufficent money has already been subscribed to insure its inauguration. A meeting will shortly be held for purposes of organization. In the meantime any person who has not been approached, and who is desirous of becoming a member, may hand in their names to W. H. Thurston or Mr. Will Armstrong. The membership fee is placed at one dollar.

The Maxwell Patron lodge held a honey festival on Wednesday evening of last week in the Orange Hall, and had a very successful entertainment. Dialogues, music, etc., constituted the program. A small admission fee was charged to cover expenses. Mr. Robert Heron's apiary furnished the sweets and every one went home smacking their lips.

The R. T. of T. district meeting which was postponed a few weeks ago on account of the severe weather, will be held here on Friday of this week. It is expected a goodly number of delegates will be present from various lodges throughout this county. In the evening a public meeting will be held in the Town Hall. This meeting, it is expected, will be made very interesting with speeches, readings, recitations, etc. A collection will be taken to defray expenses.

The County Association, Patrons of Industry, held there annual meeting in Marshe's Hall, Markdale, on 7th inst. A large delegation was present, and perfect harmony and good humor prevailed throughout. Several questions of importance pertaining to the welfare of the farmer and the country at large, were discussed, to the benefit of all present. It was especially noticeable the respectability of the delegates present and the capability to handle important questions. After a profitable meeting the following officers were elected: Pres., Bro. Gifford; Vice Pres., Bro. Bowes; Sec., Bro. Patton; Treas., Bro. Millson; Sent., Bro. Davis; Executive Committee, Bro's Jamieson, Philips, McNeil. Delegates to grand lodge, Bros. Jamieson, Henry, McCormick, and Patton.

An accident of a rather peculiar nature occured on the railway about two miles below this station on Saturday. The noon train from Toronto, made up of baggage, smoker and coach, had passed Proton Station all right, but half an hour and an hour passed, yet she did not arrive at this station, and a searching party was sent out to hunt for the missing train. It appears that just as the train was nearing the Durham Road crossing the front trucks of the coach left the track, and in crossing the cattle guard these were knocked off. The hind trucks did not leave the track.. Passengers were transferred to the smoker and the train proceeded to Owen Sound. It was 7.20 at night before the evening train down could pass the obstruction.

Notice.

Having sold out my business it is absolutely necessary that all accounts owing me should be paid by march 1 next, either by cash or note. D. CLAYTON.

The old pioneers of this country are gradually dropping off, and another was added to the list last week in the death of Mr. Jno. Thomson, sr., at the advanced age of 83 years. Mr. Thomson came to this section of the country in 1841. He had previously resided at By-Town, (now Ottawa,) and in Hamilton, having come to this country from near Glasgow, Scotland. In his trip from Hamilton he came by Coldwater to Georgian Bay and thence on Capt. Dick's vessel to this part of the country in company with Mr. John Telfer, land agent, taking up land on the Garafraxa Road, where he resided until his death. In the early days he kept hotel and his naturally warm genial disposition attracted many around him. He leaves three sons; Mr. Jno. Thomson, of British Columbia; Hon. Alex. Thomson, of Farthern Dacata; Mr. Peter Thomson, of the Township of Arran; and four daughters, Miss Agnes Thomson, who has kept house for her father; Mrs. Thos. Thomson of Owen Sound; C. H. Woodruff, of Chicago; and Mrs. Martin, who resides near Flesherton. The wife of the deceased pioneer died in 1856. The funeral which took place on Thursday of last week was very largely attended.—O. S. Times.

A Friend

Wishes to speak through the *Register* of the beneficial results he has received from a regular use of **Ayer's Pills.** He says: "I was feeling sick and tired and my stomach seemed all out of order. I tried a number of remedies, but none seemed to give me relief until I was induced to try the old reliable Ayer's Pills. I have taken only one box, but I feel like a new man. I think they are the most pleasant and easy to take of anything I ever used, being so finely sugar-coated that even a child will take them. I urge upon all who are

In Need

of a laxative to try Ayer's Pills."—Boothbay (Me.) *Register.*

"Between the ages of five and fifteen, I was troubled with a kind of salt-rheum, or eruption, chiefly confined to the legs, and especially to the bend of the knee above the calf. Here, running sores formed which would scab over, but would break immediately on moving the leg. My mother tried everything she could think of, but all was without avail. Although a child, I read in the papers about the beneficial effects of Ayer's Pills, and persuaded my mother to let me try them. With no great faith in the result, she procured

Ayer's Pills

and I began to use them, and soon noticed an improvement. Encouraged by this, I kept on till I took two boxes, when the sores disappeared and have never troubled me since."—H. Chipman, Real Estate Agent, Roanoke, Va.

"I suffered for years from stomach and kidney troubles, causing very severe pains in various parts of the body. None of the remedies I tried afforded me any relief until I began taking Ayer's Pills, and was cured."—Wm. Goddard, Notary Public, Five Lakes, Mich.
