The cleaning up season has now arrived, and our police trustees have duties to perform. Should villagers see any of the "fathers" poking around back premises let them not think they are burglars and recklessly shoot at them.

Mr. F. G. Karsteadt, whose advertisement appears in this issue, has one of the neatest hardware stores in the country, filled with an abundance of choice goods, to which he is continually adding. His prices, too, will be found right.

Easter services were held in the Methodist church on Sunday last. The pastor, in the evening, gave three ten-minute addresses on the "Fruits of the Ressurrection. These were interspersed with execellent musical selections by the choir.

"Beauty" may be "only skin deep;" but the secret of a beautiful skin is pure blood. Those coarse, rough, pimply complexions may, in most cases, be rendered soft, smooth and fair by the preserving and systematic use of Ayer's Sarsaparilla.

Flesherton Mechanic's Institute is progressing with enthusiasm. There are now over one hundred members. The first order for books was placed last week. This order will consist of over 150 volumes, which are expected to arrive this week. Paid members can get their tickets by applying at this office, or from Messrs. Armstrong or Irwin.

Alex Moore had David Dow before J. W. Armstrong, J. P., on Saturday, charged with assault. It appears that Mr. Dow attempted to shut young Moore's mouth, but accidently shut his eye instead. Dow acknowledged the corn and paid over his two dollars and costs with the settled conviction that he had got his money's worth.

Somebody started the yarn that a case of glanders existed in this vicinity. After a careful inquiry we have come to the conclusion that there was absolutely no foundation for the rumor.

Millinery.

Oh the charming display at Mrs. Trimble's new millinery room. Ladies call and you will enjoy going through and looking at the large assortment of lovely things Mrs. Trimble is showing this season. Next door to R. Trimble's store.

Henry Radley and Wm. Lepard were before J. W. Armstrong, J. P., one day last week on a charge of disturbing public worship at Eugenia, on complaint of F. T. Carr and Rev. W. J. Waddell. The charge was clearly proven and the two youths were fined two dollars each and costs. There was also a third party, Wm. Smart, against whom complaint was laid, but the youngster skipped out. His return, however, will be anxiously watched for. The evidence went to prove that Radley was the ringleader of the trio. This lesson will no doubt be remembered by the young men and lead to a more circumspect demeanor.

Died.

In Euphrasia, on Thursday, March 30th, 1893, James Holmes, aged 83 years, 1 month and 19 days. Deceased leaves a family of two sons and three daughters, all of whom are married, being—Mr. Henry Holmes and Mr. Jas. Holmes, of Euphrasia; Mrs. Jos. LeGard. and Mrs. J. J. Field, of Flesherton; and Mrs. Jas. Tucker, of Egremont. He was one of the oldest settlers in this country and was laid away beside his wife, who was buried 32 years ago, in the tenth line burying ground. He had been only a few days ill but passed peacefully away to the spirit world. A large concourse of friends followed the remains to its last resting place on Saturday.

A Costly Exchange.

Mr. John Kerr owned a farm of 172 acres in this township. Mr. John S. Montgomery owned a 339 acre farm in the township of Sunnidale. Last fall these two gentlemen came together and agreed to swap farms. Mr. Montgomery valued his Sunnidale farm at $15,000, and Mr. Kerr valued his Artemesia farm at $5.000. He therefore deeded over his farm and agreed to pay Mr. Montgomery the difference, but was to get some minor concessions, such as farm implements, etc., thrown in. The exchange was made and Mr. Kerr took possession of his Sunnidale farm. During the past winter, however, he rued bargain and fyled a lispendense to prevent Mr. Montgomery from selling the Artemesia farm, and then made application to have the deed set aside on the ground of fraud and misrepresentation by Montgomery. This case was to have been heard last week at Barrie assizes, but was traversed until the May sittings. The parties to the suit decided that it was better to have matters straightened up at once and accordingly left it to arbitration. The arbitrators settled affairs by declaring the trade off and giving each man back his original farm, each to pay his own costs. There were other matters of difference between the parties under consideration by the arbitrators, the result of which will be made known to-morrow.

Artemesia Council.

Artemisia township council met in the Town Hall on Monday, the reeve in the chair. Members present, Messrs. Kells, McMillan and Pedlar. Councillor Damude was unavoidably absent owing to a death. There was a large amount of business before the council. Numerous petitions and counter petitions were presented, and several delegations waited upon the council. A petition signed by James McMullen and others asked that school section 10 receive the addition of lots 142, 143 and 144, con. 3 S.W., W. T. and S. R., and lots 142, 143, 2nd S. W. T. and S. R., also lot, 154 to 158, 3rd W. T. and S. R. To this there was also a counter petition largely signed. A petition signed by H. R. Dyson and a large number of ratepayers asked that ward No. 4 be granted another polling sub-division. Another petition from Robert Williams and others asked for improvements to the Valley Road, north of Hogg's old mill site. A petition was also read from the temperance societies of Flesherton re granting a second hotel license at the station. A letter from the clerk of Euphrasia asked cooperation of Artemesia council in memorializing the Ontario Government re repeal of sec. 533, con. Municipal Act of 1892. A lengthy letter was read from Lawyer W. H. Wright giving legal opinion re working of Act regarding police villages. Accounts were read from J. W. Armstrong, township treasurer, making out December statement, committing vagrants, stationery and discounts on cheques, $10.00; from W. J. Bellamy, quarter's salary and postage, $42.36 from W. H. Wright, fee for advice, $5; John Bellamy, care of hall 3 mos. and requisites, $4.65. Bylaw No. 492 was introduced and carried through granting lots 154, 2 and 3 S. W. T. and S. R., to S. S. No. 10, the owner, Mr. D. Stewart, having expressed a desire to be enrolled in that section. The petition above referred to, so far as it applied to the other lots mentioned, was not granted. Following are the motions as passed in council:

No. 3, and placed in S. S. No. 10, and that a by-law giving effect to the resolution be introduced and passed.—Carried.

Dyson and others, re dividing ward 4 into two polling sub-divisions be left over until next meeting of council, and that a committee, consisting of the Reeve and first deputy Reeve consider what should be the limits of said polling sub-division with the view of taking action as soon as possible.—Carried.

Pedlar—McMillan—That in reference to application of the directors of Artemesia Machanic's Institute this council do not at present see its way clear to make any grant out of the funds of this municipality.—Carried.

Pedlar—McMillan—That the following road commissioners be appointed for 1893: D. McMillan, ward No. 1; T. Kells, ward No. 2; S. Damude, ward No. 3; S. Pedlar, ward No. 4.—Carried.

Bellamy postage to date, 4 86; Mr. Wright Barrister, re legal advice re police village of Flesherton, $5.00; John Bellamy, coal oil, lamp glass and 3 months' salary care of hall, $4.65.—Carried

A Wonderful Medicine.

Read the following interesting testimonies:

South American Nervine, the great cure for Nervousness, Nervous Prostration, Nervous Headache, Sick Headache, Nervous Paroxysms, Nervous Chills, Nervous Choking, Hot Flashes, Palpitation of the Heart, Sleeplessness, Nervousness of females of all ages, Indigestion, Dyspepsia, Burning of the Stomach, Weight and Tenderness in the Stomach, Wind upon the Stomach, Catarrh of the Stomach, Frightful Dreams, Nightmare, Ringing in the ears, Vertigo and dizziness, Fainting, Impure and Impoverished blood, Scrofulous Swellings, Consumption of the lungs, Female Weakness, General Debility, Broken Constitution, Chronic Diarrhœa, and Debility of old age, all these and many other complaints cured by this wonderful Nervine Tonic.

Has your constitution been wrecked by an attack of La Grippe? The GREAT SOUTH AMERICAN NERVINE TONIC will quickly restore your shattered nerves, strengthen and cure your digestive organs, regulate your Liver and purify your blood; and restore you to perfect soundness again. This great Tonic should be used after all sickness. Its powers to restore to health are simply wonderful.

Harriet E. Hall of Waynetown, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhaustive Stomach, Indigestion, Nervous Prostration and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it the best medicine in the world. I cannot recommend it too highly."

*Clipped from Advocate, Greenville, Ala., Feb. 2, 1893.*

For 27 years the ADVOCATE has published advertisements of various patent medicines, many of which were exceptionally good remedies for the diseases and ills for which they were recommended.

But we have not yet heard as good report of any as we have of the Great South American Nervine Tonic, a large advertisement of which we publish on our second page.

A lady subscriber in Louisville, Ky., wrote us some time ago asking to have Mr. Stewart, the druggist here, to send her a bottle for her husband. In a short time she wrote again ordering two more bottles and said it was doing her husband good. A few days since, meeting one of our principal merchants who had been in bad health many months, we asked him how he was getting on: He said he was getting better every day, that he had found a patent medicine that he had taken taken several bottles of it and was going to continue it, for he says he would not take a thousand dollars for the good it has already done him.

Inquiring what kind of medicine it was, he told me it was the South American Nervine Tonic.

Hearing so much about this great remedy we interviewed Mr. Stewart, and he tells us that he can scarcely keep a supply on hand as it sells as fast as he can get it, and all those who use it speak in the highest praise of it. He says he has sent it to Advocate subscribers in Florida, Kentucky, North Albany, and other places.

This is no paid notice, we publish it simply as a tribute to a deserving remedy, and if it is doing good we are glad that it is in the reach of our sick and suffering people.
