Seed Grain Distribution

By instruction of the Hon. Minister of Agriculture another distribution will be made this season of samples of the most productive sorts of grain to Canadian farmers for the improvement of seed. The stock for distribution is of the very best and has been secured mainly from the excellent crops recently had at the branch experimental farm at Indian Head, in the Northwest Territories. The distribution this spring will consist of samples of oats, spring wheat, barley, Indian corn and potatoes. The quantity of oats to be sent this year will be 4 lbs., and of wheat or barley 5 lbs., sufficient in each case to sow one-twentieth of an acre. The samples of Indian corn and potatoes will weigh 3 lbs. as heretofore. A quantity of each of the following varieties has been secured for this distribution.

Oats—Banner, Wide Awake, Improved Ligorvo, Waverly, Goldfinder, Abundance and Thousand Dollar.

Wheat—Preston, Red Fife, Percy Stanley, Huron, Laurel and White Fife.

Barley, six rowed—Mensury, Odessa, Mansfield, Claude and Royal. Two rowed—Sidney, Invincible, Standwell and Canadian Thorpe.

Potatoes—Carman No. 1, Early White Prize, Canadian Beauty, Uncle Sam, American Wonder, Bovee, Early Andes and Late Puritan.

Every farmer may apply, but only one sample can be sent to each applicant, hence if an individual receives a sample of oats he cannot also receive one of wheat, barley or potatoes, and applications for more than one supply for one household cannot be entertained. These samples will be sent free of charge through the mails.

Applications should be addressed to the Director of Experimental Farms, Ottawa, and may be sent in any time before March 1, after which the lists will be closed, so that all the samples asked for may be sent out in good time for sowing. Parties writing should mention the sort or variety they would prefer, with a second sort as an alternative, and should the available stock of both these varieties be exhausted, some other good sort will be sent instead. Those applying for Indian corn or potatoes will please bear in mind that the corn is not available for distribution until March or April, and that potatoes cannot be mailed from here until danger from frost in transit is over.

WM. SAUNDERS
Director Experimental Farms

Racking Pain in the Joints

Also every form of rheumatism, neuralgia and sciatica are best cured by Nerviline the quickest relief for muscular pain yet discovered. It's because Nerviline strikes in and penetrates right to the core of the pain that it gives such unbounded satisfaction. "I caught cold in my shoulders while driving and suffered great pain, writes G. E. Dempsay, of Berlin. I used Nerviline freely and was soon quite well. Nerviline is an excellent remedy for rheumatism and neuralgia as well as for cold on the chest. I recommend Nerviline highly and wouldn't be without it." Price 25c.

Mr. J. J. Bennett of the suburbs met with a serious accident on Saturday, Dec. 24, which nearly resulted in a fatality, and he now lies in a precarious condition. While he and a hired man were cutting down a large cedar tree it splintered and a large portion of the top of the tree fell backwards, alighting on Mr. Bennett and crushing him to the ground. With difficulty his companion drew him from under the debris, and when help arrived he was taken to his home in an unconscious condition. He was severely injured about the head but no bones were broken. On inquiry this week we learn that he is recovering nicely. Accidents of this nature are of common occurrence this season — Markdale Standard.

The man who Works Hard

Perseverance and will power he must have, but whether he has strength and vigor is another consideration. Hard working men usually have irritable nerves and should fortify their systems with a course of Ferrozone, a tonic that rebuilds and revitalizes beyond all telling. It's wonderful the strength that Nerviline imparts to broken down men. It forms new blood, supplies the system with abundant nourishment, and where formerly there was tiredness and lassitude Ferrozone establishes a reserve of energy and vim. Try Ferrozone,—price 50c. per box.

Mr. John Pickett of Markdale, license inspector for East Grey, furnished all the hotel keepers in his inspectorate with printed rules and regulations concerning the license law, a wise and necessary precaution. Four Owen Sound hotel keepers were recently pulled for non-compliance with the Act, and won out on the plea that they had not been furnished with these instructions—Banner.

Cured His Mother of Rheumatism

"My mother has been a sufferer for many years from rheumatism," says W.H. Howard of Husband, Pennsylvania. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by W. E. Richardson.

Last week Mr. Donald McArthur lost a horse in a peculiar way. With his family they were on a visit to his uncle in the Glen, and while drawing near the house in the cutter the horse got off the road and walked over an unused well 33 feet deep and dry. His hind legs went through and his whole body followed. By good luck the cutter and its occupants were safe, but the horse we presume is there yet. A serious loss as it was worth about $150.—Durham Review.

Sniffeling and Sneezing Colds

Can be stopped in a few minutes and permanently cured in an hour by inhaling fragrant healing Catarrhozone. No remedy compares with Catarrhozone for cold in the head and nasal catarrh. It soothes and heals the inflamed mucous membranes, prevents sneezing and coughing, clears away the "stuffed up" feeling. If you have'nt used Catarrhozone get it to-day and try it on your next cold. You will be surprised at the of this delightful inhaler treatment which pleases everyone because it cures so quickly. Complete outfit $1 00; trial size 25c.

A passenger on a train between Owen Sound is said to have been relieved of a watch by some light fingered gent.

Chamberlain's Cough Remedy Absolutely Harmless.

The fault of giving children medicine containing injurious substances, is sometimes more disastrous than the disease from which they are suffering. Every mother should know that Chamberlain's Cough Remedy is perfectly safe for children to take. It contains nothing harmful and for coughs, colds and croup is unsurpassd. For sale by W. E. Richardson.

Albert Stewart of Keppel got six months for burglarizing a poftoffice in that township.

Stomach Troubles and Constipation.

"Chamberlain's Stomach and Liver Tablets are the best thing for stomach troubles and constipation I have ever sold," says J. R. Cullman, a druggist of Potterville, Mich. They are easy to take and always give satisfaction. I tell my customers to try them and if not satisfactory to come back and get their money, but have never had a complaint." For sale by W. E. Richardson.

Seventeen inmates of the Bruce county house of refuge died during the year 1904. The average age of those who died was 76 years.

MELOTTE CREAM SEPARATORS

have machine cut gears turning on ball bearings, which are are always completely covered with oil. They have no worm threads or any other contrivance causing needless friction The gear wheels are of high grade steel, permitting reduction in their size and weight. The suspension of the separator bowl from the spindle saves a a great amount of friction as compared with the old fashioned plan, which the bowl is balanced on top of one or more heavy spindles held rigidly in position by two or even more bearings. For close skimming the Mellotte is unexcelled.
