Farewell Corner.

From our own Correspondent.

The S. S. No. 13, school picnic will take place on Tuesday, the 4th of July. Mr. Gaddes' grove is the place appointed for the amusement. There will be a foot-ball game, races, and other amusements. Every one is cordially invited.

Mr. Wm. Bothful has returned home, after spending two weeks at Niagara with the volunteers. He reports having had a good time.

Mr. A. McKinnon visited the corner last week.

A sad accident occured here last Monday evening. A young man by the name of Walter Henry was drowned in Mathews' lake while in bathing. The funeral took place on Wednesday and was a large one. The remains were laid to rest in the Amos church cemetry. The family has the sympathy of the community in their trouble.

Priceville.

From our own Correspondent.

Last week we had a lengthy budget written out but forgot to post it.

The pristine tranquility of this village was slightly disturbed a few days ago over a meeting which was held lately by the ratepayers for the purpose of instructing our Road Commissioners etc. in their duties. Nothing serious resulted.

In digging his cellar the other day Mr. Reiley came across a substance that looked very much like gold. If he has struck a mine of that valuable mineral our village is doomed.

Mr. Donald McDonald is visiting friends at Highfield at present.

Mr. L. Hutton, of Bolton, spent a day or two with his brother, Dr. Hutton.

Miss Emma Moore, of Inistioge, is spending a few days with her aunt, Mrs. James Watson.

Miss Martha Watson is visiting friends in Owen Sound and vicinity.

Mrs. Edward Ferguson and family of Manitoulin, and Mr. and Mrs. Robt. Watson, of Walter's Falls, are the guests of Squire Ferguson.

Mrs. Fuller, who was visiting with the Rev. Mr. Husband, returned to Toronto last week.

Mr. Almeron Husband is home from Toronto University where he has been very successful at the late exams.

Master Willie Ottowell is rusticating among friends in the village.

Mr. William Knox, of Brandon, Man., Mr. Hugh Hardy and Misses Mima Hardy and M. McCrae, of Swinton Park, were visitors at Mr. W. J. Blakeston's last week.

Editor Rutledge, of the Markdale Standard, paid a visit to our burg last Saturday.

Miss Jenny Ross is very ill at present with inflammation.

The Rev. Mr. Husband preached his farewell sermon last Sunday. The church was crowded to the doors. During his three years' stay among us, the Rev. Mr. Husband has been an earnest and faithful laborer in the Master's vineyard.

A Mr. Moffat photographed the school last week. A number of citizens were also present.

Mr. M. McDonald raised a snug little barn last week. The captains were Messrs John Simpson and W. J. Blakeston. A tug-of-war occurred at the beginning over a chain. The race was an exciting one from start to finish and resulted in an easy victory for the Dominie.

The Dazzlers have a new foot-ball and are putting in some good practice every evening. The South Liners are doing likewise.

To Invade the United States

Toronto, Ont, June 26.—Another announcement of interest is made by The Dodds Medicine Company Ltd., of this city, to the effect that they have decided to establish a factory and warehouse at Buffalo N. Y., in order to supply the growing demand for Dodd's Kidney Pills in the United States. This remedy has never been advertised or placed on sale in the United States, but the popularity of the remedy and the news of its successes in Canada quickly reached the people of the neighboring republic, and orders have poured in, unsolicited, from every State in the Union. The capacity of the Toronto factory is taxed to supply the Canadian market and the management feel that they can only do justice to both foreign and home demands by invading the United States and establishing a depot and factory there.

Rheumatism Cured in a day.—South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose gr atly benefits. 75 cents. Warranted by Richardson & Co.

Rebecca Wilkinson, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which done me more good than any $50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy. I consider it the grandest medicine in the world." A trial bottle will convince you. Warranted by Richardson & Co.
