WE BUY POULTRY

MARKET YOUR POULTRY IN AN ORDERLY MANNER

Spread your marketing over a period of months for the purpose of avoiding overloaded markets.

Higher prices prevail during the summer months and early fall.

Cull your laying flock frequently, there is no advantage in feeding non-layers.

Highest Prices are paid for Grade A milk-fed quality. Birds should be crate or pen fattened two weeks before marketing. They should be fed three times a day, as much as they will clean up in 20 minutes.

Please bring in fowl before 6 o'clock on Saturday nights.
