Pt. I sr—Leila Sloan, Charlie Park, Charlie Fisher, David Jamieson, Maudie Hawkins.

E. N. McMULLEN, Teacher.

RAILWAY DIFFICULTIES.—Two mishaps occurred in the Shelburne yard on Thursday last. An engine and snow plow from the north had the first difficulty in the morning. When entering the yard at the north side a flange of the plow struck a frog and threw the snow plough off and across the track and also derailed the engine, twisting the rails in various shapes. While waiting for the auxiliary to arrive from Toronto Junction the employees of the C P R. here laid a track around the wreck which allowed the morning train to pass. It was about 2½ hours late in reaching Toronto. The noon train going north was let into the switch at the south end of the yard in order to pass the snow plough on the main line at the north end, and before it reached E. Berwick & Co's granary all the cars were off the rails except the engine. The train was delayed until about 2 o'clock before things were made right. The snow plow and engine were got back on the track about 5 o'clock. The extreme cold weather made it very hard for the men, who were working under a disadvantage—Free Press.

Delicate Boys and Girls.

Are altogether too numerous. Our schools are full of them. Chances are your own children are weaklings. It's a shame so many children grow up without health when they could be made strong by Ferrozone, the best tonic boys and girls can take. Ferrozone invigorates the whole body, helps digestion, makes the blood pure and rich. It supplies more nourishment than children can get in any other way and soon establishes a reserve of force and energy. Give your children Ferrozone and watch them grow strong. Price 50c per box.

Mr. Wm. McKenzie, of Annan, is the owner of a very prolific sow, which has a record that perhaps cannot be beaten. During the past year this sow gave birth to three litter of pigs, numbering in all forty nine. Mr. McKenzie was in town on Wednesday last and disposed of ten of the second litter. They were six months old and weighed 200 lbs each so that Mr. McKenzie realized $100 for the lot.—O. S. Advertiser.

Is Your Breath Bad

Bad breath is one of the early symptoms of Catarrh which should be checked at once and not allowed to run into consumption. The surest cure is fragrant healing Catarrhozone which cures catarrh by removing its cause. No case is too chronic,—even the most stubborn yield in a short time to the balsamic vapor of Catarrhozone. It makes cures that last, for once cured by Catarrhozone you stay cured. Catarrhozone is pleasant, convenient and safe to use, relieves almost instantly and is guaranteed to cure every type of Catarrh, bronchitis and asthma. Use only Catarrhozone, Complete outfit $1.00; sample size 25.

School Children's Eyes Supply Their Intellect

Defective eyes stunt the mind Can you expect fair progress in school or success in business if so handicapped?

Examination of children for glasses is a special feature of our Optical Department.

W. A. Armstrong,

JEWELLER AND OPTICIAN,

FLESHERTON.

FEEDING PROFITS

Quick returns and profits are what the farmer wants in feeding steers. These can be obtained in the steer that can be properly prepared for the market at an early age. One who does this is "A WISE FEEDER." In ordinary feeding the haste in getting on a full feed is often disastrous to large and early gains. The addition of Clydesdale Stock Food to the ordinary feed puts the stomach in such shape as to allow it to digest and assimilate a large quantity of food. It is the assimilation of this extra feed that makes the profit. A point overlooked by many feeders, is the condition of hide and hair. The soft, flexible skin, and velvety hair, is always associated by the experienced feeder with gaining capacity. It is a certain indication of an active digestion and assimilation of food. The outer skin has a direct relation to the stomach and intestines. Clydesdale Stock Food will give as oft pliable skin and velvety hair. Mr. Walter Wesley of Pine Orchard, Ont., says: "Your Stock Food gives a smooth glossy coat, perfect digestion and extra gain over and above that gained from ordinary feeding, and at a profit." The extra fine finish and early maturity got by feeding Clydesdale Stock Food enables a man to get top market prices. Your money will be cheerfully refunded by our dealer if you cannot feed it at a profit. Clydesdale Stock Food can be purchased in your district from the following dealers:

Boyd, Hickling & Co., Flesherton	D K. McArthur, Hopeville.
Knott Bros., Markdale	W. W. Collingbrown, Dundalk
Taylor & Co, Dromore	Barclay & Bell, Durham

MELOTTE CREAM SEPARATORS

have machine cut gears turning on ball bearings, which are are always completely covered with oil. They have no worm threads or any other contrivance causing needless friction. The gear wheels are of high grade steel, permitting reduction in their size and weight. The suspension of the separator bowl from the spindle saves a a great amount of friction as compared with the old fashioned plan, which the bowl is balanced on top of one or more heavy spindles held rigidly in position by two or even more bearings. For close skimming the Mellotte is unexcelled.
