Early in 1991 while looking at the many wall plaques, pictures and charters that we have in the hall and other rooms of the Branch, it was realized that 1992 would be our 60th Anniversary. Authority was granted by the Branch in May of 1991 to set up a committee for the purpose of celebrating this Diamond Anniversary. The committee composition is Marg Dobbie, Ruth Ewell, Marg McLean, Don Stump, and myself.

I take this opportunity to thank all the Past Presidents of the Branch and the Ladies Auxiliary plus their respective executive committees and especially to thank all the unsung volunteers who over the years have done so much for the Branch. Thank You.

We, the Diamond Anniversary Committee sincerely hope that you enjoy reading the booklet and looking at the pictures of the Ordinary and Life members of Branch 239 as they looked in their younger days in the service.

Don Carpenter
Chairman

President, Don Patterson

It is with pride that I, on behalf of the Officers and members of Branch 239, would like to convey our greetings and extend our welcome on this the 60th Anniversary of Branch 239 of the Royal Canadian Legion.

Since Branch 239 received its charter in June of 1932, many changes have been made to our building and our membership, but our goals are still the same, to care for our members and their dependants and to be an asset to our community. In the few short years that I have been at Branch 239, I have seen and been a part of numerous changes, such as our new addition, new or revised activities like our weekly bingo and euchre, sports activities like snooker and a dart league. These activities have helped to bring some of our older members back into our branch to do more than just pay their dues. I have seen our membership continue to grow each year and our charitable donations have also grown.

At this time I would like to express my sincere appreciation to the Anniversary Committee, through their chairman, Comrade Don Carpenter, for all the hard work and planning they have put into this celebration. I would also like to express thanks to our Public Relations Officer, Comrade Don Stump, for his time and effort gathering and compiling the pictures and information in this Anniversary Book.

I am both proud and honored to have been elected as President of Branch 239 and I will do my best to continue the work of our Organization.

Sincerely,
Don Patterson
President

Ross Paterson (President, Ontario Command)

Comrade Paterson was born in Lucknow, Ontario in 1932. Mr. Paterson Senior, who was a blacksmith, moved the family to Kapuskasing where he looked after the horses on the northern community's Dominion Experimental Farm. Comrade Paterson attended high school in Kapuskasing and did part-time jobs after school to earn pocket money. After finishing high school Comrade Paterson took employment with the local Spruce Falls Power and Paper Company Limited. Shortly after the outbreak of the second world war Comrade Paterson attempted not once, but twice to join the Armed Forces, but was stopped by his father. In 1942 Comrade Paterson went on a trip with his mother to Edmonton, Alberta. While out west he managed to enlist in the Royal Canadian Corp. of Signals and became a dispatch rider. Comrade Paterson took his training in Camrose, Alberta. Later he was shipped to England and then on to action on the Continent. Comrade Met his wife-to-be in Scotland and got married there. The Paterson family now consists of five children and four grandchildren. He was discharged in 1945 and returned to Kapuskasing and took employment with Kimberly Clark of Canada where he started as a loader and worked his way up to foreman. Comrade Paterson retired in 1983 having 42 years of service with the company. He is a member of Branch 85, Kapuskasing. Comrade Paterson has held all the elected offices at branch level and was president for four years. He was District Membership Chairman for five years. Other positions he has held were Deputy District Commander, Third Vice President, Ontario Command, Second Vice President, Ontario Command, First Vice President, Ontario Command. In May of 1991 Comrade Paterson become Provincial President, Ontario Command. Comrade Paterson lives just outside Kapuskasing and when he is not involved in legion business he is involved in his favourite hobbies which of coarse being from the north is number one on the list, fishing, golf, and traveling to many parts of the world.

The Ladies Auxiliary Branch 239

The Ladies Auxiliary received their charter in 1954. Charter members at this time were: Comrade, Jenny Young, President, Margaret Crowe, 1st. V.P. Eva Grant, 2nd Vice, Margaret Smith, Secretary, Jean Beatty, Treasurer, Elizabeth Brotherton, other members were, Pearl Nichols, Viola Bruce, Della Morrison, Edith Taylor, Ruth Good, Mrs. Baile, Kathleen Jermyn, Elsie Read, Pearl Grant, Audrey Stinson.

The first wedding catered to was Velma Kimble, daughter of Agnes and Bob Kimble in March of 1955.

Seventy-five guests were served a hot meal prepared in the kitchens of the comrades and brought to the legion. Because at this time we had no kitchen at the branch. The dinner was kept warm on hotplates at the back of the hall.

We've come a long way in thirty-eight years, many changes have taken place. Our beautiful modern new kitchen has made the serving of hot meals so much easier.

Comrades Pat Kimble and Lillian Hill, who joined in the latter part of 1954 are still members, thanks to them and the other ladies who joined in those formative years, through their untiring efforts and to the work of the present members of the Ladies Auxiliary we are still assisting the branch.

The Ladies Auxiliary also do a lot throughout the community, and outside areas, donate monies to the legion who in turn donates to the local charities.

At the present time there are 56 members in our Auxiliary. Through the years we have worked hard to help the branch by catering to banquets, having raffles, draws, and bake sales. We also donate to the Ontario Provincial Command Branch, also we make contributions to the Auxiliary Charter and Bursary Fund. We also donate our time and financial aid to associations in our community. New members are also welcomed. Those on the sick list are sent cards, fruit baskets and also receive visits from our members.

We wish to congratulate the branch on their 60th Anniversary and wish them good luck in the future years.

BRANCH HISTORY

By: Ruth Ewell

Like all branches of the Legion across Canada and abroad, the Bobcaygeon Legion is still serving, remembering and still fighting, only now the enemy is time. Soon a generation unfamiliar with the memories of this branch will be charged with keeping them.

From reading past minute books and interviewing some original members, the past is being presented with apologies for any mistakes or omissions.

Early in 1932 by a chance meeting at the village water fountain, three World War 1 Veterans met and discussed the forming of the Bobcaygeon Legion. They thought it would be beneficial in helping Veteran's find jobs, press the government for pensions and to continue the comradeship that fighting for a common cause had cultivated. The three Veterans were Andy Anderson, Dr. Scott and Alfred Nichols, who had been attending and organization called Great War Veterans Association that was formed in 1922. The meetings were held upstairs of Cecil Pogue's garage on Bolton Street and at times, the Old Town Hall, however in 1927 the organization ceased to function.

In 1932 the Veterans listed below applied for and received the Canadian Legion Charter (239) of the British Empire Service League.

Major H.O. Boyd
Lieut. R.G. Scott
Major B.E. Kelly
Messrs. E.C. Anderson

P.G. Rumball
F.A. Gendron
J.R. Johnson

T.G. Bivand
W.N. Wilkie
W.J. Junkin

W.T. Reynard
Alfred Nichols
J.W. Lyle

The newly formed branch of the Canadian Legion did not hold regular meetings until 1949-50. At that time an old church in Verulam was offered to them. They decided to buy it, tear it down and move all lumber, windows and doors to the present site. Alfred Nichols solicited the Boyd family for the land now known as 96 King Street.

World War 1 Veteran, John Grant, a master carpenter, supervised the construction of the building. He worked long hours planning and preparing for the construction crew of fifteen men who conscientiously obeyed his every instruction. After a full summer of hard work, the building was closed for the winter and an old box stove was installed.

The building took the shape of the present Legion Hall. Meetings were held around the old stove and work continued inside.

Tom Powell designed the Memorial Board on the north wall. Len Mills on the construction and painting, making it unique and greatly admired, the envy of many Legion Branches. A new furnace was installed by Bill and Rod Robinson.

Regular meetings were now held in the new hall. Nigel Pilcher was first President, and Englishman who attended school with King George VI. Lloyd Beatty, a Veteran from the Air Force was Secretary. Jack Kennedy, an Army Veteran was Treasurer.

The Canadian Legion, Branch 239, was officially opened in 1952 by Premier Leslie Frost. As Bobcaygeon was a "dry town" at the time, the Branch did not have a liquor license, however, for the "opening" a large activated punch was served for fifty selected couples attending.

The members of Branch 239 continued to work hard having raffles on a car, freezer and 50/50 draws to keep up with the costs of the building. In order to put the hardwood flooring down, the members agreed to pay their dues three and four years in advance. In this way, they did not have a mortgage until 1965 when they borrowed \$12,500.00 for a new addition, which was now greatly needed.

Lloyd Beatty approached Miss Sheila Boyd for additional land and was successful in getting an extra 63½ feet again at no cost to the Branch.

The Branch continued to grow taking in social members by application, voted on by regular members, always being mindful of the words of John Grant, "I'm not building a 'beer parlour'". However, the social members were a good part of the Branch until 1973 when Dominion Command brought in associate memberships for sons and daughters, husbands and wives of Veterans. The social membership of the Branch were cancelled and dues refunded.

The Cenotaph was built in 1933 under Dr. H.O. Boyd's direction. He successfully solicited donations from Bobcaygeon and nearby communities. The Cenotaph built by stone mason, Harry Parker Sr., was a handsome one with a copper dome on top. Unfortunately because of leakage, the dome was removed by Bruce Stinson and helpers, being replaced by a new roof and plastered on the inside. In 1989 it was photographed by Ottawa for publication in the book of Cenotaphs.

In 1982 a proposal was put forth for an addition to the Branch, but this was not completed until 1986. The Boyd Estate once again donated to the Branch, property for needed parking.

The "War Shrine" that originally was in the Cenotaph was moved to the Municipal office, again due to leakage. It has been since moved again to the front entrance of the Legion.

Bobcaygeon's effort in the War 1939-45 is evident in the books at the Library, put together by the very capable Librarian, Amy Cosh.

*In 1960 the Queen gave approval to Dominion Command to use "Royal", so now all Canadian Legions are known as
Royal Canadian Legion.*

President Olive Boyd and her executive opened tenders for the new addition on July 22, 1985. The prices quoted were shocking. It was decided to work with a construction manager and architect who promised to use local help and tradesmen. Peter Connolly arranged a mortgage for \$115,000.00, and with the \$83,000.00 of Branch money available, work started October 19th, 1985.

Both 1985 and 1986 were very busy years for all Branches, as it was Commands Diamond Jubilee year, January, 1985 - January, 1986, 60th Anniversary. To help celebrate, the Provincial Command requested that all Branches take part in the Aural History Programme. This was carried out by Ruth Ewell who interviewed Jim McMillan, a Naval Officer, also Doug Rees, a Hong Kong prisoner of war. Their war history was put on tapes and sent to the Archives in Ottawa.

Diamond Jubilee dinner of September 21st, 1985, saw the signing of the "Articles of Faith" by many dignitaries, including M.P. Bill Scott, District Commander Paul Hycha, Zone Commander Mel Robertson, Executive of Branch and Ladies Auxiliary. Thirty Diamond Jubilee medals were presented to worthy members, three of which were World War 1 Veterans.

To continue the celebrations in 1986, Provincial President, Bill Smith was the guest speaker to honour all Past Presidents of the Branch.

The grand opening of the new wing was held in conjunction with the "Canada Day" celebrations. A beautiful Drumhead Service was held in the park by the locks. Ken Jefferies, District Commander was the guest speaker during the ceremony, followed by a parade back to the Branch for a steak barbecue and fireworks completing the celebrations.

In February, 1989, renovations began on the kitchen, washrooms and front entrance. A lock up storage area for nevedas, bingo and euchre supplies was also installed.

The Legion is a very busy place. Darts, euchre, pool and bingos are held weekly, as well as many social engagements. In the past 60 years, the Legion has sponsored Boy-Scouts and Cubs, Bobcaygeon Drum & Bugle Corp., Junior and Minor Hockey and donates yearly contributions to all sports activities. Donations have been made to the Trent University, Ross Memorial Hospital, Cat-Scan Peterborough, Canadian Cancer Society and presently to the Ministeral Group with funds to help feed and clothe the needy in the area. Branch 239 is designated as a hostel for any emergencies in the area.

With this brief Branch History, it is the wish of this writer to further instill pride in its past and faith in its future!

BY LINES *BY M. Dobbie*

This comes under the heading of did you know?

Did you know that Branch 239 sponsored a drum and bugle band with all the trimmings, instruments, uniforms, etc. Back in 1969 we sponsored this band composed of children ranging from 10 to 18 years. Because of the loss of financial support the band under our sponsorship lasted less than a year. The instruments were donated when the sponsorship terminated.

During the period when the band was under the legion colours they were invited to join the Warrior's Day Parade and participated in numerous decoration services. Out of town trips included Toronto, and Kinmount which was the first parade for the band.

When you are at the branch you will notice a pair of sabres on the wall over the fire place. These sabres were donated by Comrade Edna Bent a long time Auxiliary member. These sabres are a reminder that without the sponsorship of Branch 239 a number of young people would not have been introduced to music, deportment, precision, etc., and especially the excitement of being part of an award winning marching band.

A special feature at Bobcaygeon Fair this year will be the appearance of the Peterborough Kinsmen Crescendo Drum Corps Band. Sponsored by Bobcaygeon Legion Branch 239 and the Bobcaygeon Legion Drum Corps Band. The Peterborough band is working closely with the Bobcaygeon band. They are helping our band through the loan of uniforms and instructors. They have obtained the services of Miss Darlene Nisbett as Sgt. of the Bobcaygeon Legion Band Color Party.

Bobcaygeon Reeve Opens Annual Fair

LINDSAY (ENS) — People flocked to the annual Bobcaygeon (Verulam) fair Saturday, "the grand-daddy of them all," — despite the frequent showers that dampened some of the proceedings. The fair was preceeded by a grand parade from the market square at 12:30 p.m.

The fair was opened by Robert Thompson, reeve of Bobcaygeon, and short addresses were given by president Winston Anderson and women's auxiliary president Mrs. Carl Anderson. William Scott, MP, also spoke.

A feature was an amateur show and fiddle contest chaired by director Ray McNeillie. Winners in the children's section were Joey Howe, Brooklin; Miss Debra Stevens, RR 5, Lindsay; and Steven English, RR 5, Lindsay. Winners in the adult section were Mr. and Mrs. Joseph Howe, Brooklin; Harold Howe, Beaverton; and Miss Wendy Nesbitt, Minden. Fifteen entered in the amateur program.

Eleven contestants took part

in the fiddle contest and awards went to Gordon Marston, Gravenhurst, Glen Virtue, Bowmanville, and James Heffernan of Peterborough.

Keith Hobden, Lindsay, won first prize in the four-horse hitch and Sinclair Nesbitt, Minden, won awards for his heavy team of Belgian horses.

Mrs. G. Brown of Oshawa with most points in handicrafts won the trophy, and Mrs. A. Brubacher won the Simpsons - Sears trophy for most points in baking.

Winners in the 4-H club projects included Wayne Johnson, Ron Wilson, Tom Killaby, Bernice Beatty, Allan Anderson, David Bowman and Dale Cosh.

Four-H entries were by members of the Bobcaygeon district calf club.

Four bands took part in the opening parade, including the Lindsay Kinsmen Band, Peterborough Kinsmen Band, the Bobcaygeon Legion band, and the

Legion Notes

On Sunday, July 5th the Legion fire Drum Corp Band played and marched for the Legionnaires to the cemetery for the annual Decoration Service. Those who missed seeing and hearing these young gentlemen certainly missed an excellent performance. These boys have come a long way in the past six weeks. The Royal Canadian Legion Branch 239 are so very proud of the results from the efforts given by Russ Revington and Gus McIntosh. These two men must certainly be very proud of the boys today.

Not only as a member of the Legion but as a resident of Bobcaygeon, I would like to add my own congratulations.

A new shipment of instruments have arrived and all that is needed are young men between the ages of fourteen and twenty. If you are interested, contact Russ Revington or Gus McIntosh and they will give you further particulars. The next engagement for the band will be the Warblers' Day Parade in Peterborough on the ninth of August.

Once again our 50-50 draw was successful. Saturday's winner of \$89.00 was Mrs. May Milne, 99 Olive Ave., Oshawa. Mrs. Milne is a summer resident at Nogies Creek. Congratulations.

Our seventh series of pots on the hot this draw will be made Saturday, July 19th at our Social evening and dance. Don (buy a ticket). Richard informed that Robert Provost is bound for the St. Catharines of the North. Rupert has been a tremendous help.

to Don. Once again thanks for your support. Take all ventures, without the co-operation of the public in one form or another, the band could not succeed.

FLAG DESIGN CONTEST

The purchase of a personal banner has been proposed for the Legionnaire Drum Corps Band. As this is to be the personal banner of the Band, the Committee felt rather than choose a design already in use in a drum and bugle corps, it would be nice to have a distinctive design of our own.

The rules of the contest are as follows: 1. It is open to all local residents regardless of age. 2. The flag itself will be three feet by five feet. 3. The predominating colours would have to be blue, gold, and red. 4. The design must incorporate the letters "Legionnaires' Drum Corps Bobcaygeon." 5. The contest will officially open November 14th and officially close at midnight, November 28th.

Contestants may leave their designs at Morris Clark's Barber Shop, in sealed envelopes. The winning entry must be approved by the Drum Corps Committee. Ten dollars will be awarded for the winning design. In the event that no suitable entry is submitted, the Committee will hold the right to design the flag.

Postscript: There are a few openings for boys in the band. Two boys are needed for the drum sec-

LEGION NEWS

The winner of the 50-50 draw ending October 25th was Mr. B. D. Hiron, RR 2, Bobcaygeon. Mr. Hiron's share was \$52.75. Congratulations Mr. Hiron.

I guess we have all heard the saying "Let's not wear out our welcome." The people of this community have certainly supported our draws and we certainly don't want to wear out our welcome, so our last draw until spring will be made Saturday, Nov. 8th.

The band is sufficiently equipped for the present. The girls uniforms are in the process of being made and will be worn at the Santa Claus parade in Lindsay Nov. 22.

Over the winter months the band committee is planning to hold a couple of Bingos, maybe a dance and a couple of card parties. In this way we will be able to raise money for week by week expenses that occur.

Thanks again for your support. To our tired sales staff: "NEVER WAS SO MUCH OWED TO SO FEW".

THE SILVERTHORN LEGION SILVER BAND

The last all silver band to be fully sponsored by a Branch of the Royal Canadian Legion was founded in 1934 by a dedicated group of Boer and First World War veterans concerned about preserving their British heritage and interested in sharing their talents with their Comrades at Silverthorn, Branch 57 in the west end of Toronto. Many of the younger men left to serve over seas during W.W. 2 but returned to join their fellow bands men who were kept busy participating throughout Ontario in bond drives and concerts dedicated to the war effort.

Our last founding member, Art 'Barney' Oldfield left us in 1983 for the greener pastures of retirement, however our members of all ages still upholding our traditions and sharing their love of music with Legionaires throughout the Province.

With the exception of a 5 year break to work in Africa, the Band has been under the direction of Peter Preston since 1973. Peter stated as a 'band-boy' with Silverthorn in 1960 and barring his motley crew driving him to an early grave, will in all likelihood see the Band into the 21st century.

On behalf of all the comrades at branch 67 Sir Sam Hughes Branch, Lindsay we wish to extend our congratulations on the 60th. Anniversary of Branch 239 Bobcaygeon.

Comrade Don Meacham has hanging in his house the Medals shown above. The medals shown are from the war known as the seige of Kimberly which took place in South Africa. The seige took place from October 1899 until February 1900. On the cessation of hostilities Queen Victoria presented medals to the officers and men of the regiment. The medals were the Star of Kimberly and the Queen Victoria medal. The Queen also presented each man with a box of chocolates ~~from Queen Victoria they are referring to the medals.~~
