Mr. Editor—I have just received a communication from the Rev. James G. Stuart of London, who is interested in the fruit business in California, Florida and Eastern Cuba. He says: "I have travelled over the land of the Canada Cuba Land and Fruit Company for several days on horse back and the best reply I can give as to my judgement of it is that I bought 250 acres for myself and friends. It is light soil covered with yellow pine and will need fertilizing but it is easily worked and is morelike the fruit lands of California and Florida than anything I have seen in Cuba. I have land in the east end of the island but it is heavily timbered and very rich and requires an enormous amount of labor to keep it clear. We are planting 10 acres of oranges next month. We have sent a man down who is there at present." I think these facts will be of interest to many of your readers.—G. F. Hurlburt.

Dr. Caldwell took Rev. Wilson's work in Markdale Sunday evening and Rev. B.J. Spence occupied the pulpit of the Methodist church here. Mr. Spence comes from Winnipeg.

A Persistent Backache.

Can have but one cause—diseased kidneys, which must be strengthened before backache can be cured. Why not use Dr. Hamilton's Pills? They cure the kidneys quick, make them strong and able to filter disease—breeding poisons from the blood. At once you feel better, stronger, brighter. Kidney health is guaranteed to every user of Dr. Hamilton's Pills. Get a 25c. box from your druggist, and refuse substitutes.

How to Cure Corns and Bunions

First, soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by W. E. Richardson.

Insomnia and Indigestion Cured

"Last year I had a very severe attack of indigestion. I could not sleep at night and suffered most excruciating pains for three hours after each meal. I was troubled this way for about three months when I used Chamberlains Stomach and Liver Tablets, and received immediate relief," says John Dixon, Tullamore, Ontario. For sale by W.E. Richardson.
