## Osprey Fall Fair.

The Osprey fall fair, held at Feversham on Friday last, again broke the record in almost every respect, and made good its claim of being the best township show in this part of the province. There are some splendid stock raisers in Osprey and their products were in evidence. Miller, of McIntyre showed Clydes and Durhams, and Mr. Burke of Maxwell showed some choice Durhams, while other varieties of stock were shown in abundance. One Yorkshire pig on the grounds tipped the scales at 635 pounds. The inside exhibit was certainly an honor to the township. The crowd was very large and at a 10 and 15 cent admission netted $186, while the concert at night netted $141. Dundalk band supplied music. These facts would certainly put Secretary Kernahan and the directors in the best of humor and pave the way for still greater successes in future. This society is ahead of the East Grey show held here in at least one respect—they have erected cattle sheds, limited, to be sure, but our society has nothing in that line and stock is exposed to any weather that may happen along. The East Grey people ought to remedy this shortcoming right away. Below we give the Osprey prize list.

## A Judicious Inquiry

A well known travelling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably reccommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by W. E. Richardson.

Keenan Bros. have issued a circular to lumbermen asking them to reduce their cut for 1906, as the market is now over supplied, owing to the competition of the American millmen. Over $10,000,000 worth of lumber came in from the States last year free of duty.
