Dyspepsia

— This disease from which so many suffer gives the average physician a great deal of trouble. The best medical men have endorsed "PSYCHINE," and recommended it in scores of the most obstinate cases. It has never failed in a single instance to give prompt relief, and a permanent cure when directions have been followed. The system of cure is entirely different from any of the old fogey pills, powders or tablets. A few doses will remove the tightness and weight on stomach. Taken regularly it positively cures general distress, flatulency, nervousness, coated tongue, heartburn and palpitation. If you have never used "PSYCHINE" don't hesitate a moment longer. Ask your nearest druggist.
