No Poison in Chamberlain's Cough Remedy

From Napier, New Zealand, Herald: Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in the market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlin Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones. Chamberlain's Cough Remedy is especially recommended by its makers for coughs, colds croup, and whooping cough. This remedy is for sale by W. E. Richardson.

EVERYBODY DELIGHTED.

Those who have received a copy of the beautiful picture, entitled "Queen Alexandra, Her Grandchildren and Dogs," are simply amazed that such a beautiful picture can be included with such a paper as the Family Herald and Weekly Star of Montreal, and all at one dollar per year. The Family Herald publishers have certainly surpassed all former efforts. It is a perfect gem of a picture, far different to anything ever before issued with that great paper. To see it is to want it, and with the Family Herald and Weekly Star at only one dollar per year is beyond question the biggest value in the newspaper world to-day.

Women With Weakness.

PSYCHINE

HAS TRIUMPHED OVER AND VANQUISHED CONSUMPTION

Had Galloping Consumption

Twelve Years Ago—Lives To-day Through Using Psychine.

"It is twelve years ago since Psychine cured me of galloping consumption. I caught the cold working as fireman on the C.P.R. The doctors said there was no hope for me. I had Night Sweats, Chills and Fever, and frequently coughed pieces of my lungs. I was fast sinking away. Was advised to try Psychine and two months treatment put me right on my feet again. Have had no return of lung trouble since Psychine saved me. To-day I work on my farm near here. I am six feet tall and weigh over 175 pounds. Use my testimonial and photo if you so desire."

Aug. 27th, '04. A. E. MUMFORD.

PSYCHINE is pronounced **SI-KEEN.**
