We Trust Doctors

If you are suffering from impure blood, thin blood, debility, nervousness, exhaustion, you should begin at once with Ayer's Sarsaparilla, the Sarsaparilla you have known all your life. Your doctor knows it, too. Ask him about it.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia, and thus preventing the Sarsaparilla from doing its best work. Ayer's Pills are liver pills. Act gently, all vegetable.

The new County Councils Act has been printed and distributed. Its essential features are as follows:

1. In and for the year 1907 and thereafter the council of every county or union of counties in this Province shall be constituted as follows:

1. Every town not separated from the county for municipal purposes and every township and village shall be represented in such council by the reeve of such town township and village municipality, and in addition to the reeve, by deputy reeve or deputy reeves as follows:

(a) If the municipality had the names of more than 1,000 and not more than 2,000 persons on the last revised voters' list of the municipality as qualified to vote at municipal elections, then by a first deputy reeve.

(b) If the municipality had more than 2,000 and not more than 3,000 such names upon such list, then by a deputy reeve and a second deputy reeve, and

(c) If the municipality had more than 3,000 such names upon such list, then by a first deputy reeve, and a third deputy reeve.

2. The number of councillors to be elected in any township in accordance with the provisions of the Consolidated Municipal Act, 1903, shall be decreased by the number of deputy reeves to be elected therein, but this provision shall not apply to towns or villages.

2. Such reeves and deputy reeves shall be elected by general vote in the manner provided by the Consolidated Municipal Act 1903, for the election of mayors of towns and reeves and councillors in villages and townships, and they shall be members of the council of the municipalities in which they are elected.

2. No member shall take his seat in the county council until he has filed with the clerk of the county council a certificate of the clerk of the town, township or village under his hand and the seal of the municipal corporation that such member was duly elected and has made and subscribed to the declaration of office and qualification as reeve or deputy reeve as the case may be.

Addresses and Presentations

The following addresses and accompanying presentations were referred to in the Eugenia correspondence last week:

Miss M. Henderson:

DEAR MISS HENDERSON,—Since hearing of your decision to leave, we felt the opportunity could not be passed of expressing to you in some tangible way, not only our sorrow for losing your valuable services as teacher in our public school, but also our appreciation of your willing and untiring work in connection with our Sunday schools and churches; for we feel you not only have knowledge but you have ability to impart knowledge to others. Kindly accept this watch guard and writing case as small tokens of our esteem of your sojourn in our midst, and may God guide you all through life. Signed on behalf of your many friends in Eugenia and vicinity—Alice Gordon, Tena Williams, Evelina Smith, Edith Carr.

Mrs. R. Purvis:

DEAR MRS. PURVIS,—Before your departure from our midst to dwell in Toronto we avail ourselves of this opportunity to express our sorrow at thus having to sever your connection with our society as your help so cheerfully given was much appreciated. Although your removal is our loss, we pray that God will bless your home and that you may long be spared to render your service for the Master. As a token of our esteem of your valuable services in a good cause, we tender you this jardiniere and stand and bon bon dish, not for their intrinsic value but for you to look on in remembrance of our kindest wishes. On behalf of the Ladies Society of the Presbyterian congregation at Eugenia—Mrs. J. R. Hogg, Pres.; Mrs. G. Gorley, Treas.; Mrs. Jake Williams, Sec.

Mrs. W. Purvis:

DEAR MRS. PURVIS,—It is with regret we learn of your intention to leave us in the near future, and having been so recently bereft of your partner in life. We desire at this time to express our sorrow and sympathy, commending you to God, who will never forsake those who put their trust in him. In our society your willing and helpful hand has always been recognized and cherished in working for the Master. Please accept this Bible and hymn book in remembrance of the good work accomplished for the Master's cause in the past. May God bless you is the sincere prayer of your co-workers. On behalf of the Ladies' Aid Society of the Presbyterian congregation at Eugenia—Mrs. J. R. Hogg, Pres.; Mrs. G. Gorley, Treas.; Mrs. Jake Williams, Sec.

Miss Kate Boyd, a daughter of J. L. Boyd, ex-Councillor of Sydenham, committed suicide on Friday night by taking poison. She left a note reading: Not to blame anyone." The cause of the rash act was unrequitted affection. An inquest was held on Saturday night.

Work is progressing rapidly at the Cement works under Manager McGranc. The other chief officials are Mr. Maitland, Secretary, and Mr. Smith, Chemist. Mr. Stephen, the late chemist having also severed his connection. The first sales of the season have been made at an increase of 20c per barrel on first prices of last year, and orders are already in sight for about half the season.—Durham Review.

CURED HER BOY OF PNEUMONIA

Newmarket Mother is loud in her Praises of the Great Consumption Preventative

"My son Laurence was taken down with Pneumonia," says Mrs. A. O. Fisher, of Newmarket, Ont. "Two doctors attended him. He lay for three months almost like a dead child. His lungs became so swollen, his heart was pressed over to the right side. Altogether I think we paid $140 to the doctors, and all the time he was getting worse. Then we commenced the Dr. Slocum treatment. The effect was wonderful. We saw a difference in two days. Our boy was soon strong and well."

Here is a positive proof that Psychine will cure Pneumonia. But why wait till Pneumonia comes. It always starts with a Cold. Cure the Cold and the Cold will never develop into Pneumonia, nor the Pneumonia into Consumption. The one sure way to clear out Cold, root and branch, and to build up the body so that the Cold won't come back is to use

FROST LOCKS

Make a Fence of Strength

The heaviest, strongest wires made can't make a strong fence unless the locks are as strong as the wires. A fence, like a chain, is only as strong as its weakest spot.

The New Frost Lock and Frost Wedge Lock are the most unyielding parts of a Frost Fence. They make the whole fence as strong as the strongest wire.

And remember—should FROST FENCES go wrong, from mechanical defects or workmanship in building, they are repaired, free of charge.
