STRICTURE AND KIDNEY DISEASE CURED.

G. E. WRIGHT.

"I had stricture for eleven years. It finally brought on Bright's Disease of the Kidneys. I had an uncomfortable shooting pain in the groin and feeling as though something was in the urethra. My back was weak and I could scarcely stoop over. Urine was full of sediment. Had a desire to urinate frequently. Family doctors, so-called specialists, patent medicines, electric belts, all failed. I was discouraged. I had spent hundreds of dollars in vain. Finally I consulted Drs. Kennedy & Kergan as the last resort. I had heard a great deal about them and concluded from the fact that they had been established over 25 years that they understood their business. I am delighted with the results. In one week I felt better and in a few weeks was entirely cured. Have gained sixteen pounds in weight."
G. E. WRIGHT, Lansing.
