Bad Man in Orangeville

What might have proved a serious and perhaps fatal fight occurred at Orangeville Monday afternoon about 5 o'clock, when three constables undertook to arrest Bob Cook, a notorious character, and widely known as "Fighting Bob."

He was to appear at Grand Valley three weeks ago for creating a disturbance at the fall fair, but refused to comply with the summons and a warrant was issued for his arrest. Two garnishee papers were also out against him, and as he was passing through Orangeville with his threshing outfit, Bailiff James Morrison served these papers, whereupon Cook at once trampled them into the mud and rode on.

Chief Speers was notified and together with High Constable Hughes and Night Constable Halbert, located their man in the east end of the town and attempted to arrest him. Cook who is considered the strongest man in that district and a wicked fighter immediately showed signs of fight. The constables were apparently getting the best of the tussle when Cook managed to draw a large knife from his pocket and slashed Constable Halbert, inflicting a terrible wound in his left arm.

Having one arm disabled, Cook made a pass at Constable Hughes' neck but fortunately missed. Failing in this he resorted to the throwing of stones and did effective work on Constable Hughes, who was also the recipient of a few well aimed kicks. The constables finally returned up town, being powerless to defend themselves further, as all were unarmed.

Cook then continued his journey and was seen boarding a westbound train. It is said he was in town for about an hour previous to his departure and is credited with the threat he would never be taken alive.

Police all along the line have been notified and it is understood the town will offer a reward for his capture.

Sells More of Chamberlain's Cough Remedy than All Others Put Together

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozen sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best results." For sale by W. E. Richardson and H. L. Douglass.

County Council

The November session of the Grey county council opened at the court house on Monday evening with Mr. James M. Thomson, warden, presiding, and the members all present except G. A. Brown of Meaford, who is absent through illness. After the reading and confirming of the minutes of the last day of June session and of the special August meeting, the warden read a copy of the report of Dr. Bruce Smith on the Owen Sound gaol. The clerk's communications consisted of the presentment of the grand jury from the recent fall assizes; application from John Clark of Durham and Hector McDonald of Priceville, to be appointed county constable; draft of a confirmatory bylaw from the township of Artemesia, with a letter from the clerk requesting that it be passed; a letter of thanks from the secretary of the general and marine hospital at Owen Sound for the recent grant of $1000; a number of statements from the county treasurer. Mr. Allen presented a special report on the erection of a bridge at Cedarville. Among the communications read by the clerk were a number of minor road and bridge accounts, as well as several others for furnishings and repairs to the county buildings. On motion the council adjourned to meet next day at the council room in the town hall at 2 p.m.

TUESDAY

On resuming business the warden read an application from W. J. Hewitt to be appointed county constable in place of the late Geo. Noble. The clerk also presented an application from W. J. Sheppardson to be appointed constable for the county. Dr. Bruce Smith's report on the house of refuge at Markdale was received and read; a letter was read from T. B. Barugey, field secretary for the free consumptive hospital, asking for a grant of $300 to endow a bed in that institution. Another lot of accounts, chiefly for road and bridge work and inspection of same was read by the clerk. Mr. Preston submitted the first report of the house of refuge committee which was considered in committee and adopted. On motion of Messrs. Preston and Ball a resolution of sympathy and regret at the illness of Mr. G. A. Brown was carried unanimously by a standing vote and the clerk was instructed to forward a copy of the resolution to Mr. Brown. Council then adjourned until Wednesday afternoon.—Times.

CURED HER BOY OF PNEUMONIA

Newmarket Mother is loud in her Praises of the Great Consumption Preventative

"My son Laurence was taken down with Pneumonia," says Mrs. A. O. Fisher, of Newmarket, Ont. "Two doctors attended him. He lay for three months almost like a dead child. His lungs became so swollen, his heart was pressed over to the right side. Altogether I think we paid $140 to the doctors, and all the time he was getting worse. Then we commenced the Dr. Slocum treatment. The effect was wonderful. We saw a difference in two days. Our boy was soon strong and well."

Here is a positive proof that Psychine will cure Pneumonia. But why wait till Pneumonia comes. It always starts with a Cold. Cure the Cold and the Cold will never develop into Pneumonia, nor the Pneumonia into Consumption. The one sure way to clear out Cold, root and branch, and to build up the body so that the Cold won't come back is to use

STRICTURE AND KIDNEY DISEASE CURED.

G. E. WRIGHT.

"I had stricture for eleven years. It finally brought on Bright's Disease of the Kidneys. I had an uncomfortable shooting pain in the groin and feeling as though something was in the urethra. My back was weak and I could scarcely stoop over. Urine was full of sediment. Had a desire to urinate frequently. Family doctors, so-called specialists, patent medicines, electric belts, all failed. I was discouraged. I had spent hundreds of dollars in vain. Finally I consulted Drs. Kennedy & Kergan as the last resort. I had heard a great deal about them and concluded from the fact that they had been established over 25 years that they understood their business. I am delighted with the results. In one week I felt better and in a few weeks was entirely cured. Have gained sixteen pounds in weight."
G. E. WRIGHT, Lansing.
