NOTICE

Having installed a modern cold storage plant in connection with our fur farming business, we are now in position to handle aged, injured or dead animals for fox and mink feed in much larger quantities.

—FRANK EAGLES,
phone 41r3 Flesherton
R. R. 3, Proton Station

WEEDS

The Weed Control Act will not control a single weed. Any work that is accomplished must be the result of definite human action. The co-operation of every individual is necessary. Weeds have no place in a progressive village, they are a menace to well kept lawns and gardens.

It is your duty, as a good citizen, to look after your own lots and see that the weeds are kept under control Don't ask the Municipal Officials to enforce the Weed Control Act, get after the weeds now and make your Village a more attractive place in which to live.

—WM. KAITTING,
Weed inspector.
