Farmers, Take Notice.

I have ceased working for McCormack machines, not that I had any fault with the implements, but Jackson & Hannah, of Markdale sold a McCormack six foot binder to Mr. Wilson McMullen last harvest for $125.00 on three pays, and his old Patterson binder and then sold the old binder for $1.50, and on next year's terms they are charged to those that perhaps they get them for less than I do. Why don't they sell them to Markdale farmers for the same? This I can prove. I have contracted with Peter Hamilton, of Peterborough, to sell his implements at Markdale and Flesherton. I will sell the binders, six foot on one pay $110, 2 pays $115, three pays $120; drills, one pay 12 hoe drill $61, 2 pays $63, three pays $65, and other sizes to correspond, smaller or larger. I will be at Markdale after the first of March every Saturday. Any one wanting machines or repairs will find me on Saturdays. I have some second hand Drills on hand, some only worked one and two years, Noxon, Oshawa and Peter Hamilton. Also agent for the Cockshutt Plow, Paris Manure Spreader and on Thresher.

DROWNED AT THORNBURY.

A man named James Smith lost his life by drowning at Thornbury on Tuesday morning. Just how he met his fate is not known, as he appears to have been alone when the accident occurred. He and his brother were getting ready to start for the Bustard Islands to fish for the season. Their skiff was loaded with nets and a quantity of provisions. The deceased rowed across the river to pump out the water in the skiff. In returning to his home on the opposite side of the river he picked up some lumber to complete a hen house he was building. It is thought that in rounding the bend the lumber suddenly shifted to one side of boat, breaking his oar lock, with the result that the craft drifted down stream, finally upsetting and throwing him out, and that he was drawn to the bottom by the current. The body was recovered by Mayor Snetsinger, Captain Henman and Durham Smith, a brother of the deceased. The face and head were badly bruised in several places, which would appear to indicate that the unfortunate man in falling into the water must have struck his head against a stone or some other substance with such force as to render him insensibile, in which event he would of course be unable to make any effort to save himself.

Let The Stomach Alone

You can't cure catarrh by dosing the stomach. The disease is in the throat, nose and bronchial tubes. Inhale Catarrhozone to the spot where the disease really is,—it clears away foul secretions, stops discharges at once, purifies and heals the passages, literally annihilates every trace of catarrh. Nothing else is so direct and certain as "Catarrhozone." Results guranteed. Two sizes, 25c $1.00 at all dealers.

Search parties Sunday afternoon last found the body of Mrs. John McKay, over 80 years old, in a swamp, two miles north of Southampton Saturday morning previous She wandered from the home of her son, D. N. McKay, and search parties were unable to find her. Deceased evidently lost her way and perished with the cold

The license commissioners for North Grey met in Owen Sound last week and granted licenses to three Meaford hotels, this being the only municipality in the riding under the liquor license system. Applications were also received for license for all the Owen Sound hotels and liquor stores in view of the possibility of the Supreme Court quashing the local option by-law, the hearing of which appeal will take place at Ottawa on or about May 7th.

VALUABLE MEDICAL PRESCRIPTION

Recommended by a Well-known Toronto Doctor, Whose Love for Humanity is Greater than His Prejudice Against Proprietary Medicines.

The following very valuable prescription, by an eminent and successful physician, will be appreciated by many who are suffering from la grippe, cold, cough, pneumonia, or any throat, lung or stomach trouble, or run-down system, as it is a certain cure, and will save many a doctor's bill. It is almost a certain preventive as well:—"When you feel that you are taking cold or have chilly feeling or aching in any part of the body or head, or feel weak, tired, dizzy, unfit for work, pain in the head or back of the neck, do not neglect these dangerous symptoms, but send immediately to your druggist and get a bottle of Psychine (pronounced Si-keen), and prepare as follows:

"Psychine, 2 teaspoonfuls.

"Sherry, whisky or water, 2 teaspoonfuls.

"Choice of the latter can be made according to the judgment and preference of the patient.

"Mix thoroughly and take regularly before each meal and at bedtime."

This prescription has been used in thousands of cases and has been so universally successful that a number of leading physicians regularly prescribe Psychine in their practice for any of the above troubles, or any run-down, wasting or constitutional difficulty. It is the most reliable and valuable home remedy. It tones up the entire system, giving a feeling of youthfulness and vigor, adding many years to the life of those who use it.

"Years ago I was almost a physical wreck and was suffering with lung troubles. Friends and neighbors thought I would never get better. I began to despair myself. Losing faith in my physician, I procured another one who recommended the use of PSYCHINE. It was surprising beyond description the effect it had. I seemed to gain with every dose. Inside of two weeks I was able to attend to my housework again. There are no symptoms of consumption about me now."
MRS. HENDERSON,
St. John, N.B.

"I had been suffering from La Grippe. My lungs were weak and I had a cough, but Psychine cured me."
MRS. H. BEAN,
