Lost His Sight

Attention has been recently drawn to the sad condition of Capt. Andrews, of Toronto, who lost his sight by saving the lives of others, having rescued from drowning eighteen persons. An appeal is to be made to the government to grant him a pension, with which it is to be hoped they will comply. Unfortunately, shall we say many lose their sight, not as Capt. Andrews has done by saving a score of lives, but by the desire to save a few cents by wearing cheap or other spectacles that are of inferior material, not properly ground, or that are not the proper correction. Others injure their sight by not wearing spectacles when they need them, thinking the longer they can do without them the better, whereas it is the reverse. We recommend that you do not allow false pride or other reasons to keep you from wearing spectacles when you need them, and when you do begin make sure that you are wearing the right kind for you. There is no way of knowing this but by having your eyes properly tested and glasses given according to the needs of each eye. I have made a study of the testing of sight by improved methods, and guarantee a perfect fit at reasonable prices.

Inistioge.

From our own Correspondent

Spring birds are numerous. An early spring would be a welcome guest in this locality owing to the scarceness of feed.

On Monday morning there was quite a stir at the depot where a number of young men took the train for different points, in search of fame and fortune.

The R. T. of T. of this place paid the S. of T. of Priceville a fraternal visit Thursday evening last, and though the night was both cold and stormy the young people enjoyed a very pleasant evening, and were right royally entertained by the hospitable Pricevilleistes.

Rumor says there is going to be an elevator built here in the near future. We hope it will prove true. An elevator would be a valuable acquisition to our town from a business point of view.

Priceville.

From our own correspondent.

The Priceville budget did not go astray last week. It remained in our pocket for a day or two, thanks to a treacherous memory.

Mr. Angus McPhail of the O D. R is somewhat ruled over an item that appeared in the local columns of the last week's issue of the Advance, stating that his nose, hands and feet had been badly frozen. Angus informed us that such was not the case. He came through the storms of winter without a scratch from Jack Frost.

The roads are in a bad state at present. It is almost impossible for a horse to travel on some of the sidelines. As some of our citizens have found out by experience.

The following young men have gone to the old settlements for the spring and summer, viz:— Messrs. W. McKechnie, J. McRae, W. McLean, W. G. Watson and C. Huddy. Most of them have secured work at good wages.

Mrs. Alfred Watson of Cheybogan, Mich., is visiting friends in this vicinity.

Mr. J. R. Atkison has returned from Toronto, where he has been attending the Harbord Street Collegiate Institute. We congratulate Jas. on his success in passing the Trinity Matriculation Exam.

IN HYMEN'S BONDS.—A very interesting wedding took place on Tuesday, the 24th ult. at the residence of Mr. Robert Blakeston of the O D. R. The contracting parties were John Williamson and Ida Blakeston, all of Artemesia. The ceremony was peformed in the presence of about 20 guests, mostly relatives of the bridal pair. The bride was assisted by Miss Mary Williamson, and the groom by Mr Sidney Blakeston. The presents were numerous and handsome. We wish the happy couple much joy.

A little daughter came to the home of W. J. Henderson on Thursday evening, 19th inst Both mother and child are doing well.

Miss Carrie Taylor is visiting friends in Bolton at present.

Quite a number of people here are scarce of feed, but there seems to be plenty for sale.

Eugenia.

From our own Correspondent.

March is following the old rule this year in coming in like a lion and going out like a lamb, and I am sure every one is satisfied that it left nothing undone in the way of storm and blow.

All the sick folks around are on the mend except Mrs. Sloan, sr., who still remains in a very precarious condition.

The Salvation Army corps, accompained by some Indians, held a concert in the Orange Hall the past week. Great interest was taken in the meeting.

A leap year party was held at Mr. Rob. Purvise's on Friday evening last.

The night cap social held at Mr. Williams' was a success. A large number came from Flesherton and other places around. A good supper was served by the ladies of the church, and everyone enjoyed a good time. The vocal and instrumental music rendered by Messrs. Baskerville, Sullivan, Vandusen and Williams, was highly appreciated. The proceeds amounted to fifteen dollars.

We are pleased to hear that Mr. Marcon is coming from Toronto pretty soon and that there is some prospects of the factory starting work for a while.

Mr. Walker Sloan is putting a new engine into his saw mill this week. He expects to be able to do some good work. His other engine had not enough power to drive the machinery.

I think the past winter will be long remembered by the farmers of this part of the country for the hard struggle they had to provide feed for their cattle. There is many a thankful heart to see the snow go away so the cattle and sheep can get out to hunt a bite for them selves.

Feversham

Sorrow has again entered our neighborhood by the death of Mrs. G. T Buckingham. Deceased was a daughter of Mr. Sandy Sinclair of this place She was married to her now sorrowing husband on Dec. 26th 1894, and settled in Collingwood where they lived till last fall. During her short life, twenty two years, she was a kind hearted girl, a loving wife, always ready and willing to do what was right and so won for herself many friends wherever she went. She died on the 7th of March, 1896, after a short but severe illness, leaving a little baby which has since gone to the better world. Her's was a most beautiful death. On the afternoon before her death a bright and noble expression shone on her face as she bade her loved ones good bye. She also sang clearly and sweetly many beautiful hymns, among which were, "Guide me, O thou great Jehovah," "Rejoice and be glad the Redeemer is come," "Sound His praises," and many others. After spending a few hours in singing and praising God, she became weaker and gradually sank away. Though she is sadly missed from among us and we know her sweet voice will never be heard on earth again, yet we rejeice to know that her soul has gone on before to be with Christ, "which is far better." We know also if we are faithful for a little while longer we shall see her again.

A few more years shall roll,
A few more seasons come—
And we shall be with those that rest,
Asleep within the tomb.

Mrs. Buckingham was interred in the Methodist cemetery on Sunday by a very large number of friends, thus showing the esteem in which she was held. Her heart broken husband has the deepest sympathy of the entire community.—Cor. Bulletin.
