HAD AN AWFUL TIME.

But Chamberlain's Colic, Cholera And Diarrhoea Remedy Cured Him.

It is with pleasure that I give you this unsolicited testimonal. About a year ago when I had a severe case of measles I got caught out in a hard rain and the measles settled in my stomach and bowles. I had an awful time and had it not been for the use of Chamberlain's Colic, Cholera add Diarrhoea Remedy I could not have possibly lived but a few hours longer, but thanks to this remedy I am now strong and well. I have written the above through simple gratitude and I shall always speak a good word for this remedy.—Sam. H. Gwin, Concord, Ga For sale by W. E. Richardson.

BUSINESS COLLEGE EDUCATION—All young men and women who intend entering a business college this fall are invited to write to the Elliott Business College, Toronto, for their handsome catalogue. This school is classed among the best business colleges in Canada. The advertisement of this college appears in this paper.

Several financial men of Toronto, it is said, have interested themselves in the Ben Allen Portland Cement Company, Limited, which will erect a large plant at Owen Sound or at Ben Allen, on the Grand Trunk Railway, four and a half miles from that town, where the marl and clay deposits are located. The company is capitalized at $500,000, of which $60,000 has been subscribed for in Owen Sound and vicinity. The company plans to erect mills with a capacity of 600 barrels daily, with a view to extending operations to 1,000 barrel per day later on. The cement business in the Owen Sound district is assuming large proportions. The companies now there include the Owen Sound Cement Company at Shallow Lake, the Sun, Grey and Bruce, and Imperial at Owen Sound, which have a combined capacity daily of nearly 3,000 barrels.

Some Men Get Up Six Times

during the night because their bladder is so inflamed that it will not retain more than a tablespoonful of urine. Some old men, especially, urinate twenty-five times a day. These are the men who need Bu-Ju—the Gentle Kidney Pill. The first few pills gave relief. Acid urine is neutralized—the delicate membrane, lining the bladder, is soothed —and the kidneys are strengthened and healed. Men say that Bu-Ju gave them the only uninterrupted night's sleep they had enjoyed in years. 50c. a large box. At druggists or from The Claflin Chemical Co., Limited, Windsor, Ont. 57

Farmers are certainly receiving great prices for horses these days. Mr. James Mather of Allan Park recently sold a colt two years and a half old for $200 cash and Mr. John S. Becker of Bentick has refused an offer of $425 for a young team of heavy horses —Post.

Fashionable women in Washington are planning a hotel for cats. The women, in the kindness of their hearts, are unwilling to leave their pets without care when they go away for the summer. They think that there would be patronage enough for such a hotel to make it profitable. Boston already has an endowed cat home, not only for the care of pet cats, but for the rescue of such aged and indigent cats as have been turned loose on the world.

Knowles Bros., young Englishmen, who conduct a farm near Cookstown, were the victims of a robbery a few days ago. The hired man, a recent arrival from Scotland, had been left in charge of the farm for the day and when the owners returned in the evening they found that the house had been rifled and the hired man was not to be found. A valuable gold watch and $25 are among the missing articles.
