### January Rod and Gun

It is often said that a good beginning is half the battle, and the Canadian sportsman's magazine. "Rod and Gun and motor sports in Canada," published by W. J. Taylor, at Woodstock, Ont., makes a splendid beginning for the new year. It is crowded with stories of interest to sportsmen, including notes on the last season's sport in several provinces, which must cause hunters to go over their own experiences once more and see if they agree with those given. The most important subject of the international control of the great lakes fisheries is dealt with in an address given by Mr. A. Kelly Evens at a conference of the American Fisheries Society. Stories of deer hunting in Quebec and Ontario, duck hunting in Manitoba and Saskatchewan, exploring trips in the northern country, with fishermen's yarns and mountain climbing reminiscences are but samples of the budget of good things awaiting the readers of this excellent magazine. With such a promising beginning the New Year holds the strongest possibilities for the further success of this favorite Canadian magazine, whose special work it has been to make advantages of the Dominion in the region of sport known to our people and through them to the whole world.

The Editor of the Canadian Poultry Review, the people's popular poultry paper, tells us that this paper has been greatly enlarged and is filled with all that pertains to poultry, both from a practical and a fancy standpoint. Rev. J. N Williams, one of England's most noted experts, writes intererestingly each month on poultry doings in the old land, Mr. H. S. Babcock, Providence, R. I., is another prominent writer and breeder on this paper's regular staff Each phase of poultry breeding, poultry exhibiting, etc., is fully covered and the pages of the Review are replete with half tone reproductions from life, of famous birds, plans of up-to-date houses, utensils, etc. The subscription rate is fifty cents per year, but readers of this paper can have it at three years for $1.00, and sample will be sent free on application to Canadian Poultry Review, 184 Adelaide St., west, Toronto, Ont.

### THE SCOURGE OF CONSUMPTION

Thousands are Dying—if Tired, Languid or Run-down get Protection Before too Late.

No child, man or woman is safe from consumption unless their blood is pure, rich and nourishing.

Allow the blood to become thin, and immediately the whole system grows weak. The lungs are deprived of resisting power and the ever present tubercular baccilli develops.

The most positive protection against consumption is Ferrozone, which restores the blood to full strength. Weak organs are instantly strengthened. Worn-out tissues are rebuilt. New life is given to the lungs and all danger of consumption is destroyed.

Mrs. E. J. Richardson, Manotick, Ont. tells as follows of her enormous gain in health from Ferrozone: "For two years I was not well. I was thin and anaemic. Towards spring I fell into a condition of nervous exhaustion. A dead tiredness hung over me like a load of lead. Housework of any kind I simply couldn't do. A bad cough developed that worried me greatly for I thought it might be tubercular. When I first read of Ferrozone I was convinced it was good. I took it regularly for eight weeks and the change in my condition was wonderful. My cheeks filled out and became clear and rosy. I gained eight pounds and now am strong and vigorous as possible."

Ferrozone feeds, nourishes and tones up the body—it sends the thrill and vim of robust health from head to foot—makes you feel better at once. Won't you use Ferrozone? Price 50c. per box, or six boxes for $2 50, at all dealers, or N. C. Polson & Co., Hartford, Conn., U.S.A., and Kingston, Ont.

Solmon Wood was sentenced by the County Judge at Walkerton to two months in jail or a fine of $100, for bigamy. Wood's first wife was Miss C. Kennedy, whom he married when only sixteen years of age. They lived together only a couple of months, and had not seen each other for six years. Wood explained the situation to his second wife, Miss Carson, of Amabel township, his first wife gave her consent, and he thought that was all that was necessary. In view of the prisoner's lack of education his apparent honesty in the matter, and of the fact that neither of his wives were inclined to press the prosecution, a light sentence was given.

### Cause of Boils Explained

Even in health there is a large accumulation of matter in the system, which if not destroyed, breaks through the skin in the form of pimples and boils. No remedy so cleansing, so sure to drive out boils as Dr. Hamilton's Pills. They brace up the system, rid it of humors, restore health, and absolutely prevent swellings, pimples, blotches and boils. Because mild and certain, anyone can use Dr. Hamilton's Pills. Sold by all dealers.

Thomas McMurchy of the McMurchy settlement, Notawasaga, has sold his farm of 100 acres for $6000.
