FOUR LARGE EGGS PRESENTED TO EDITOR

We are indebted to Mrs. Donald Campbell of Priceville for four large hen eggs, presented to us for our Easter breakfast. The largest was 8½x6½ and the smallest was 7½x6¾. They were laid by two hens on two successive days. Many thanks, Mrs. Campbell, for the treat.

VANDELEUR

The Farm Forum winter series has been completed. The last two meetings we e held in the community Hall and were w ll attended. At the March 19th meeting John Fitzsimmons presided and Elmer Cargoe conducted a good program of Irish songs, readings and contests. A good disussion took place in the subject, "We all live in the same world."

The final meeting of the series was held on March 26th and after listening to the broadcast and filling in the questionare, a good program was put on. Howard McGee acted as chairman and also led the community singing. Readings were given by Misses Maxine Connell, Dora Boland, Dorothy Johnston, Mrs. Hutchinson, Mrs. Burrell and Howard Graham. Elmer Cargoe sang. Lunch was served. It was decided to get 500 trees for reforestration. Good progress was reported in the Warble Fly Control campaign in the school section. A vote of thanks was tendered to Andy Fawcett for bringing his radio to the hall on several occasions and to the secretary-treasurer, Howard Graham, who has not missed a meeting since the Forum was organized four years ago. There were twenty meetings in the series and the interest and attendance was good. Three visits were paid to other forums and two new forums were organized. The Forum wishes to thank all those who helped in any way to make the series a success and especially the following members who had meetings in their homes, Andy Fawcett, F. R. Boland, Mrs. E. Hutchinson, H. I. Graham, S. Fitzsimmons, Jim Cargoe, L Johnston, W. Johnston, Geo. Shaw, Angus Bowles, Lloyd Boland, and L. Ormsby. The Forum will meet once a month during the summer.

On Tuesday evening, March 27 a large number from here attended the last meeting of Riverdale Farm Forum and were royally entertained by the people of that place.

The Community Hall was well filled on Thursday evening, March 29th, when a good program of sound moving pictures was put on by Mr. Ed Lang of Desboro, Fieldman for Grey County Federation of Agriculture. The show was under the auspices of the local Farm Forum and was the 6th put on here during the past year. Ten pictures were shown, including two sing songs. Visitors were present from Orange Valley and Riverdale and their secretaries, G. W. Littlejohns and Eli Merrifield spoke briefly. Mr. Lang also gave a short address. H. I. Graham presided and welcomed the visitors

Mrs. Geo. Shaw was hostess to the W. I. for their March meeting on Thursday afternoon, March 22. Mrs. Frank Davis was convener for the Agriculture and Canadian Industries program and gave the motto "Two men look out from the selfsame bars one sees mud and the other sees stars." Mrs. Dave Magee also gave splendid ideas of the motto. The lucky ticket drawn by little Fay Byers showed Mrs. Ethel Hutchinsor winner of the lovely quilt. The quilt was donated by Mrs. Lloyd Boland and quilted by the Institute members. The annual meeting and election of officers will be held at the April meeting in the Community Hall.

Recent visitors with Mr. and Mrs. Earl Morrison were, Mr. and Mrs. Russell Byers and Ruth of Dobbington and Mr. and Mrs. Harry Burnside.

EUGENIA

(Intended for Last Week)

We extend our sympathy to the relatives of the late Miss Betsy Turner and also to the relatives of the late Mr. Will Newell of Flesherton in their sad bereavement.

Mrs. J. Cairns was in charge of the discussion period last Tuesday evening, March 20 in the Y.P.U. which was held in the church basement. Her topic, The Garden of our Hearts was very interesting. Contrast was made by which seeds sown in the garden were likened unto words sown in our hearts, in other words our hearts were compared to gardens. She conducted games for recreation. Miss M. Craig presided for the meeting. A committee was appointed to see about getting up a play.

Mr. and Mrs. Ted Burtin of Toronto were week end visitors at their residence here. They have had a kitchen erected adjoining the house which was formerly the Morgan property. Mr. C. Boyce is the carpenter.

Master Bill Phillips has returned home after working for some time in the lumber woods in the north.

Miss Selena Duckett of Toronto was home over the week end.

Misses Mary and Isabelle McKee and Mr. McCarthy of Toronto visited over the week end at the McKee home.

Mrs. Geo. Benson and son, John, Hamilton remained for a few days visit with her brother, Mr. Chas. Turner, wife and family after attending the funeral of her sister, the late Miss Betsy Turner.

Miss Margaret McMillan of the G. and M. Hosptial, Owen Sound, accompanied by Miss Margaret Turney of Flesherton visited recently at the former's home.

Mr. Jim Paul of Saskatchewan is visiting with his parents, Mr. and Mrs. Sam Paul.

On Wednesday afternoon of last week the Women's Association met at the home of Mrs. Roy McMillan. There was a good attendance. Four new members were added to the roll, viz, Mrs. Ray Genoe, Mrs. Cecil Magee, Mrs. Thos. Stewart and Mrs. McMillan. It was decided to have a copper contest. Captains chosen were. Mrs. D. Campbell and Mrs. C. Martin. All agreed that we begin now to work for a bazaar in the fall. Mrs. W. Gordon's invitation to meet at her home for the April meeting was accepted. The Roll Call was to be answered by a question pertaining to Horticulture Mrs. G Magee presided for the meeting. Mrs. McMillan served a delicious 10c tea.

Mr. Wallace Graham and son, Cecil, visited in Toronto last week.

The 8th Line neighbor held a party at the home of Chas. and Fred Hopper on Friday evening of last week prior to their departure from our locality. Mr. Chas. Hopper is returning to his home in Toronto after spending several vears on the farm.

Mr. Ben Hanley has leased the Hopper place and will start up farming for himself.

THE MIXING BOWL

BY Anne Allan HYDRO HOME ECONOMIST

Hello Homemakers! In these busy times many of us have added the "lunch box" to our daily tasks; others find themselves preparing two or three every day instead of one.

The lunch box is an important responsibility—on it depends to a large extent the energy and efficiency of the school child or war worker.

Therefore it must be made both nourishing and attractive. Here are a few suggestions to accompany a thermos of soup, cocoa tea or coffee, on these chilly days.

SANDWICHES

You might try these recipes to introduce variety. Whatever the fillings used, be sure to wrap each kind individually in wax paper.

BEEF LOAF

1½ lbs. round steak, 2 eggs, 1½ cups bread-crumbs, 2 tbsps. chopped parsley, ½ tsp. pepper, 2 tsps. salt, 1 tsp. celery, 1 tbsp. poultry dressing or onion

Grind the beef. Mix it thoroughly with the unbeaten eggs, breadcrumbs, chopped parsley, pepper and salt. Place in a loaf pan and press firmly until it is molded to the shape of the pan. Bake in a moderate electric oven (350 deg. to 375 deg.) for about two hours. Cut in thin slices.

CHEESE AND EGG SPREAD

1 tbsp. fat, 1 tsp. grated onion, 1½ tbsps. flour, 2 tbsps. sugar, ¼ tsp. mustard, 2 hard-boiled eggs, chopped, ½ tsp. salt, ¾ cup milk, 1 tbsp. vinegar, 2 cups grated cheese.

Melt fat and cook onion in it for 1 minute. Add flour, sugar, mustard and salt and stir till well blended. Add milk. Cook, stirring constantly until mixture thickens. Add vinegar and cheese. Continue cooking until cheese melts and mixture is smooth. Add eggs and cool. Store in a covered jar in a cold place Makes 2¼ cups filling.

TO STRETCH BUTTER

Cream ½ pound butter till light and fluffy. Gradually beat in ½ cup milk, using a dover egg beater. Store in a covered jar in electric refrigerator.

DESSERTS

Cookies, carefully wrapped in wax paper, make a good accompaniment to fruit in season, which is always welcome and easily carried. Puddings and custards, made to serve at home, may also be included in the lunch box if packaged in custard cups. These standbys may be alternated with a serving of cake or pie, placed on cardboard, then enclosed in wax paper.

OATMEAL CRINKLES

⅓ cup fat, ½ cup brown sugar, 1 cup pastry flour, ¼ tsp. salt, 1 cup rolled oats, ½ tsp. baking soda, ¼ cup warm water; ¼ tsp. allspice.

Cream fat and sugar thoroughly. Add allspice. Mix flour, salt and rolled oats. Add alternately with the warm water in which soda has been dissolved. This makes a stiff dough. Drop by teaspoonfuls into a greased cookie sheet and flatten with a fork. Bake in a moderately hot oven, 375 deg., 10 to 12 mins. Makes 3 dozen cookies.

TAKE A TIP

1. Here's a snack you should try mid-morning at home. Make up any leftover coffee to 1 cupful by adding some hot water to it. Put this in a saucepan and add 1 square of baking chocolate, 2 tsps. sugar, a pinch of salt and boil three minutes—add a cup of milk and its ready. (You may put it all in the double boiler right after breakfast, in fact, and let it simmer for 15 minutes then cover and let stand on the element turned off.)

2. To keep food hot throughout a staggered meal hour use casseroles for meats, vegetables and desserts and an enamelled pitcher for gravy. These all go back into a large shallow pan with a little hot water in it on the oven shelf to keep the food hot but not dried out. Then when the next one comes in its easy to lift them out, wipe off and place back on the table. Oh, and another thing, use a tray to carry them all on, making one trip do.

Ann Allan invites you to write to her c/o The Advance. Send in your suggestions on homemaking problems and watch this column for replies.

"Sculpture is very easy, isn't it?" asked the sweet young lady.

"Very, very easy," answered the sculptor, "and very, very simple. You just take a block of marble and a chisel and knock off all the marble you don't want."

EGGS

The producers' loss on eggs is 5 cents per dozen when eggs are slightly soiled and are placed in "B" Grade, rather than "A" Large Grade. Is it not, therefore, worth 5 cents a dozen to you to keep your eggs clean and fresh before marketing? It will help us speed up the grading, too.

Poultry

We need live and dressed hens and are paying:
Alive — 22c, A Grade, over 5 lbs.
Dressed — 26c, A Grade over 4½ lbs.

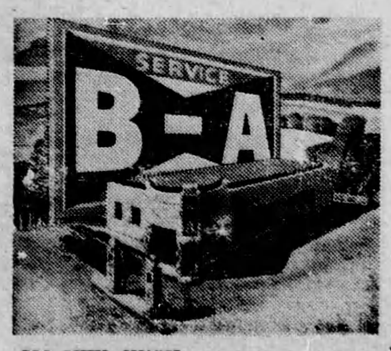
NOW AN OIL THAT'S 'ALLOYED'...KEEPS ENGINES CLEAN!

HIGH VACUUM Distillation . . . Furfural Process . . . M.E.K. Solvent . . . Catalytic Clay (part of this plant is shown above) these are each important steps in the famous Clarkson 5-point-process which makes the purest, most efficient lubricating oil known. Then comes the unique 5th step—the step that "alloys" the oil against oxidation; just as iron is alloyed against rust to make stainless steel. This step means that Peerless Motor Oil will stay on the job longer, keep engines cleaner, cut the repair costs.



FOR BETTER SERVICE and better products —products like Peerless—change now to your British American Oil Dealer.

This Spring switch to B-A's sensational new 5-point-process PEERLESS MOTOR OIL

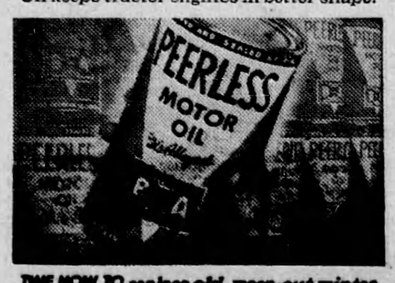
This year don't delay! Get your spring change-over early, before that dirty worn-out oil in your car causes serious damage! And when you change, switch to *Peerless*, B-A's new, Canadian-made, 5-point-process oil that's "*alloyed*" to prevent its fouling your car's engine . . . to help keep your repair costs down!

THIS YEAR IS CRUCIAL

It is particularly important, when most of us are driving cars which have already given abnormal service, that we give the engine every possible chance. Only by so doing can we hope to get through the driving season without trouble. That's why it's so important to *know* how Peerless Motor Oil does a better job.

Here in a nutshell is the reason: From selected lubricating crude oils, B-A eliminates everything except the purest, "oiliest" lubricating fractions. Then, by a special process, Peerless Motor Oil *is* "*alloyed*" against decomposition under the heat and pressure it meets in the engine of your car! For longer, safer car life switch now to B-A Peerless Motor Oil!

FARM TRACTORS need proper lubricating oil even more than cars and trucks. Because "it's alloyed" Peerless Motor Oil keeps tractor engines in better shape!



TIME NOW TO replace old, worn-out winter grade oil with B-A Peerless Motor Oil. Delay may be disastrous! Drive in tomorrow to the sign of the big B-A!
