Coughs of Children

Especially night coughs. Nature needs a little help to quiet the irritation, control the inflammation, check the progress of the disease. Our advice is—give the children Ayer's Cherry Pectoral. Ask your doctor if this is his advice also. He knows best. Do as he says.

Ayer's — We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor

If you think constipation is of trifling consequence, just ask your doctor. He will disabuse you of that notion in short order. "Correct it, at once!" he will say. Then ask him about Ayer's Pills. A mild liver pill, all vegetable.

—Made by the J. C. Ayer Co., Lowell, Mass.—

Wm. Grant of Arkwright was fined one dollar and costs for having cruelly beaten a heifer that came on his place. The charge was laid by W. C. McFadden.

Mrs. Hanley, of Ottawa, who visited her sister, Mrs. R. R. Smith, of this place, last August, and who was one of the victims of the Caledon wreck the 3rd Sept., and has since been in the Western Hospital, Toronto, has so far recoverd as to be able to leave that institution. She came to Markdale on Tuesday, accompanied by a professional nurse, Miss Johnston, who will remain with her for a week or so. Mrs. Hanley speaks highly of the treatment accorded by the C. P. R. Her case was a critical one, but she is approaching complete recovery.—Standard.

ALL THIN, PALE WOMEN

Can Learn the Cause of Their Nervous, Used-up Condition.

With women, ill-health is usually traceable to nerve exhaustion. Feeling run-down and tired most of the time is nature's warning that more nerve-force is required.

You must build up, nourish the body, vitalize the nerves, get more flesh and blood.

It's the abundant nutriment and building material in Ferrozone that enables it to cure so many sick women. It increases the appetite, adds weight and strength, restores lost color and develops a surplus of energy and nerve force that defies sickness of any kind. There is living proof in Mrs. Daniel Ferguson, Jr., of Prescott, Ont. Read her statement:

"A year ago my health failed. I grew thin and exceedingly pale. At times I was prostrated with nervous and sick headache. All day I was tired. At night it was difficult to obtain restful sleep. My appetite was variable and indigestion bothered me considerably. I became morose and suffered from heart palpitation. You could scarcely believe the benefit I derived in one week from Ferrozone. Color came back to my cheeks. My vitality and appetite increased, renewed nerve force and better spirits came also. Ferrozone did a world of good and made me well."

Remember this: No alcoholic stimulant can nourish and build up like Ferrozone. Fifty cents per box or six boxes for $2.50. At all dealers, or N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

The attempt of the heirs of the late Joseph Madill of Creemore, to break his will has resulted in a new trial of the case being ordered by the Divisional Court. The deceased made a bequest to the Foreign Missions of the Presbyterian Church. Action was taken by the heirs-at-law against the executors to set aside the bequest, and administer the estate. It was claimed by the plaintiffs that the will was made favorable to the Presbyterian Church Missions through the alleged undue influence of the pastor of that church at Creemore, Rev. J. A. McConnell, who was one of the executors. Mr. Justice Riddell dismissed the action, and held the minister to be free of the charge against him. The value of the whole estate was about $16,000. The Sick Children's Hospital at Toronto received $500, relatives various sums, and and the balance went to the missions. The court held that the suspicion thrown upon the defendants had not been entirely cleared up to satisfy the conscience of the court, and therefore a new trial.

While walking to his home in the sixth concession, Goderich township, recently, Mr. George Montgomery slipped and fell on the icy road, breaking both bones of one leg between the knee and the ankle. In this condition he crawled on hands and knees to the house of a brother-in-law, a half-mile distant, and awakened the family by his shouts. Montgomery was then driven in to Goderich, a doctor aroused and the bones set.

Spent Eighteen Dollars

"Gentlemen,—I have pleasure in stating that I have used $18.00 worth of Psychine, and as a result was cured of very serious throat and lung trouble.

My case was a most difficult one, and the doctors had practically said that I could not get well. I tried Psychine, and it did me so much good that I continued its use until I had taken $18.00 worth, with the result that I am now a new man physically. I have gained thirty-five pounds.

"It is with the greatest confidence that I recommend Psychine to all who are afflicted with throat or lung trouble.

Yours truly, C. A. PINKHAM.
