CATARRH NOW CURABLE

But never by Medicine Swallowed, Snuffs, Sprays or Douches.

Catarrh is not a blood disease and that is why it cannot be cured by any medicine taken into the the stomach. Catarrh is a a germ trouble contracted from the germ laden air you breathe inward. These germs fasten themselves in the tissues and air cells of the breathing organs, multiply by millions, cause sneezing, coughing, raising of mucous, discharge from the nose, difficulty in breathing, hoarseness, dryness and stoppage of the nose, tickling in the throat and other symptoms that can only be reached by the dry air principal of Hyomei.

It medicates the air you breathe with the curative properties of the Australian Eucalyptus Forests where catarrh is unknown.

The reason you get relief in a minute or two from Hyomei is because it destroys every catarrhal germ in the air you breathe, and its dry, penetrating aroma will reach the innermost recesses of the air passages, killing millions of germs a minute. Their destruction means freedom for oppressed respiratory organs. W. E. Richardson and Son sell Hyomei under a guarantee of satisfaction or money back. Price, $1.00.

South Grey Convention

There was a fine turnout of Liberals and much interest manifested in the South Grey Convention held in Durham on Tuesday of last week. Mr. Neil McCannel, President of the Association, was in the chair.

Mr. H. H. Miller, M. P., was tendered unanimously and accepted re-nomination for the House of Commons. A number of nominations were made for the Legislature, but all withdrew except Mr. Neil McCannel of Durham, formerly of Glenelg. Mr. McCannel is a farmer of ability and unblemished personal reputation, held in great esteem by those who know him. He has been a member of the township council of Glenelg, also was a County Commissioner, and his municipal experience will stand him in good stead.

Brief and pithy speeeches were made by those nominated for the Legislature. Hon. A. G. MacKay and Mr. H. H. Miller, M. P., delivered able and eloquent addresses on the political questions of the day, which were heartily received.

Among those nominated for the Legislature were Dr. Mearns, Hanover; Wm. Calder, Durham; D. McDougall, Bentinck; D. McQueen and Walter Hastie, Egremont; A. Wenger, Ayton; M. Murray, Normanby; Geo. Binnie, Glenelg. Dr. Mearns might have had the nomination unanimously, but for private reasons could not accept at the present time. He was elected President of the Association and Mr. C. Ramage was re-elected Secretary.

Who's Next?

In a recent issue we published an item from the Norwood Register telling of two eggs, a large and a small one joined together, laid by a hen of that place. As though to go one better, a Eugenia hen got busy. This is what our correspondent has to say about it:

"Mrs William Hislop of the valley has a hen, which, at Easter, tried to break the record by laying two eggs, full-grown, but connected together so that they could not be parted without breaking. The two eggs measured over five inches in length."

There is looming up somewhat of a passenger rate war between the Grand Trunk and Canadian Pacific Railway about June 15th. On that date the C. P. R. will operate its own lines to North Bay over the Sudbury branch. It means that if the two roads do not reach an agreement before that date, the G T R. is likely to divert its Northwest traffic by way of Chicago, instead of by North Bay. The present rate to Winnipeg, by North Bay is $21 from Kingston west. The rate by way of Chicago is $26.45. The fight would be for the business, should the G. T. R. meet the $21 by way of Chicago. —Toronto Telegram.
