ONE BAD MISTAKE

Is Frequently Made by the Wisest of Flesherton People

Its a serious mistake to neglect backache. Backache is the first symptom of kidneys ills. Fatal complications may follow. Booth's Kidney Pills act quickly to overcome kidney ills, do not delay until to late, it may mean diabetes, Bright's disease. Read what a Flesherton resident says.

P. Quigg, of Flesherton, Ont., says: "I had tried many remedies to relieve me of the miserable, dull pain and weakness that had for so long affected my back and caused me so much suffering but nothing seemed to benefit me in the leest A dull, heavy pain had settled in the kidney region. At times I would be unable to stoop over or straighten myself up. The urine was highly colored and contained a quantity of sediment of sand like nature. I had felt generally miserable and weak. I learned of Booth's Kidney Pills and procuring a box at Mr. Richardson's Pharmacy I began their use. I was soon convinced of their superior merits and soon had found relief from the backache. The urine cleared and I began to enjoy better health. I believe Booth's Kidney Pills the most reliable of all remedies and could not hesitate to recommend them." Sold by Dealers. Price 50c. The R. T. SOMETHING CAN BE DONE

To Stop the Increase of Catarrh in Flesherton.

Catarrhal troubles are increasing, not only in Flesherton but all over the country.

Catarrh is a germ disease and to cure it, germ life in the nose, throat and lungs must be destroyed, and this can be done only by breathing Hyomei.

There is no dangerous stomach drugging when Hyomei is used; no tablet or liquid mixtures whereby the digestion is often destroyed.

Breathed through the neat pocket inhaler that comes with every outfit, its healing balsams penetrate the most remote air cells, destroying the catarrhal germs so that quick recovery follows The complete outfit costs but $1.00, and W. E Richardson aggrees to refund the money should Hyomei fail to do all that is claimed for it.

Five jurymen in Summerside, P. E. I., voted to acquit a man who had confessed to murder.
