BLOOD DISEASES

Guaranteed Cured or No Pay.

If you ever had any contracted or hereditary blood disease, you are never safe until the virus or poison has been removed from the system. You may have had some disease years ago, but now and then some symptom alarms you. Some poison still lurks in your system. Can you afford to run the risk of more serious symptoms appearing as the poison multiplies? Beware of mercury or mineral drugs used indiscriminately–they may ruin the system. Twenty years experience in the treatment of these diseases enables us to prescribe specific remedies that will positively cure all blood diseases of the worst character, leaving no bad effects on the system. Our New Method Treatment will purify and enrich the blood, heal up all ulcers, clear the skin, remove bone pains, fallen out hair will grow in, and swollen glands will return to a normal condition, and the patient will feel and look like a different person. All cases we accept for treatment are guaranteed a complete cure if instructions are followed.

Reader if in doubt as to your condition, you can consult us FREE OF CHARGE. Beware of incompetent doctors who have no reputation or reliability. Drs. K. & K. have been established over 20 years.

S.S. ASSINIBOIA IS UPPER LAKES CHAMPION

The latest addition to the Canadian Pacific's upper lake fleet is the Assiniboia, now in active commission, and on her first voyage she has proved herself to be not only the largest and most modern passenger vessel on the upper lakes, but also the swiftest. She will sail from Owen Sound at about 5 p.m. every Saturday for Sault Ste. Marie, Port Arthur and Fort William, the connecting express train leaving Toronto at 1.50 p m.

The Assiniboia has luxurious accommodation for 250 cabin passengers, with five cabins de luxe (private baths) spacious dining saloon, observation drawing and smoking rooms, and many new features conducive to passengers' comfort. Intending passengers should make early application to local C.P.R. agent for accommodation.

The state of the cement market is having more marked effect on mills throughout the country, and local mills are not escaping. The Grey & Bruce Co's, plant was closed on Wednesday, and Saturday night the mills of the Owen Sound P. C. Co. at Shallow Lake, and National at Durham shut down. The Shallow Lake mill will remain closed for a couple of weeks and the plant at Durham for about the same time. The cause of this state of affairs is that the market for cement is over-supplied; but with brightening prospects for business in all lines it is not expected that the glut will last long.—O. S. Sun.

A despatch from Orangeville of Friday last says: With a couple of gashes in his throat, Joseph Dammans of Melancthon was brought into the county jail this evening by Provincial Constable Hughes of Orangeville. The injured man was committed to the county jail by Magistrates Keys and Dovey of Corbetton, on two charges, one of setting fire to the barn of his son, John Dammans, on Friday last, and the other of trying to commit suicide. When interviewed, the accused said he had tried to end his life with a razor, because he was starving, but denies having had any connection with the burning of his son's barn Dammans is a man over sixty years of age. All his family but his son live in the West.

Norman Hirons, the 14 year-old son of Thomas Hirons, a C. P. R. wayfreight conductor, whose home is in West Toronto, met a tragic death on the farm of Reginald Lee near Angus, on Saturday afternoon The little fellow had been spending some time with his uncle, William McMaster, who lives on the adjoining farm, and on Saturday afternoon went over to the Lee farm in search of his uncle. Mr. Lee happened to be at the bottom of a sixty-foot well that was undergoing repairs and the boy attempted to climb down the ladders to see what was going on. Mr. Lee, seeing the lad's danger, ordered him back and he had got within ten feet of the top when the braces down below gave way and the ladder on which he was standing toppled over. The unfortunate boy went down the well head foremost and alighted on a pipe elbow fifty feet below, fracturing his skull. Death was instaneous.

It appears that the hotel keepers in the township of Howick, that is at Fordwick, Gorrie and Belmore, are not to have tavern licenses as was expected after the quashing of the local option by-law that was passed last January. The by-law was quashed because deputy returning officers and poll clerks had voted, and the Provincial Department takes the view that this is a "technicality" regarding which it may interfere. It has therefore instructed the Inspector not to issue licenses.—Post.

The neighbors of the late James Torrance, lot 23, 4th line Amaranth, who was killed underneath his barn a couple of weeks ago, met the other day and made plans to complete the work of jacking up and putting a foundation under the barn on the Torrance place. They also arranged to take off the hay crop and do other work needful to keep the affairs of the farm running along properly. Acts such as these speak volumes for the neighborhood and must be a source of genuine comfort to the bereaved widow and family in their overwhelming affliction—Banner.
