Epping

From Our Own Correspondent

The 24th, or rather the 25th, passed off very quietly here. It threatened rain in the morning but cleared off nicely about noon. Several of our people went over to the garden party at Recklyn in the afternoon. The rain, however, which held up all afternoon, came down in the evening in fine style. The farmers will rejoice, and the rain will certainly do a vast amount of good to growing crops, pasture, hay and fruit. Some people were beginning to fear a repetition of last summer's drought.

Town Line A. and E.

From Our Own Correspondent

Miss Jane Nelson, town, line was married last week to a Mr. McCallum of British Columbia. The newly married couple left on Saturday for their home on the Pacific Coast.

The wind storm of Sunday the 17th inst. gave some of the farmers here plenty of employment repairing damages in various ways. Very few there were that had not their fences blown down. Others had them to build in new by having them burnt by a fire which started on Mr. J. Sewell's farm. Mr. Lomas was the greatest sufferer, having the entire fences on the back part of his farm burnt. He had a bee last Wednesday week when the most of his neighbors turned out and assisted him in rebuilding them.

Several farmers here have had to resow some of their fields of grain, which have been destreyed by a large grey grub.

Mr. Bowers of St. Vincent and Miss A. J. Sewell were successfully joined together as husband and wife by the Rev. Humphries on the 17th inst.

Mr James Brodie attended the annual meeting of the Supreme Orange Lodge of British America in Collingwood. Mr. James Elliott of Euphrasia accompanied him.

Mr. H. Sewell is home again. He spent last winter in the Michigan lumber woods.

A pecular and possibly fatal accident occurred last Wednesday evening in the township of Downie, near Stratford. Wm. Kelly was shooting at a mark with a double-barrelled gun, which, being overcharged, kicked violently and was thrown over Kelly's shoulder. In the act the second barrel was discharged, shooting his brother, Michael Kelly, and J. Welsh, who were behind him. Over a hundred shot entered Kelly's breast and abdomen, while Welsh received some in the face, the most serious being one in his eye. The ultimate result of their injuries is problematical, none of the shots having been removed when this report reached us.—Mt. Forest Rep.
