Smarty

He was a peculiarly unpleasant person, and when visiting the local cattle show made himself unpopular by his loudly expressed claims to superior knowledge. He was especially insulting to old Sam Potts.

"Pah", he said, sneeringly, "you know nothing about pigs, you don't. Why, my father raised the biggest pig ever raised in these 'ere parts".

"Aye", retorted old Sam, quietly, "and the noisiest".

Innocent

A private stationed at the Army Air Force Basic Training Center, N.J., was ordered to wash and clean an officer's inner sanctum. Quickly he went to work. Happily humming a song, he wiped the desk, cleaned the chair, dusted the books. A half later the officer walked in. Everything was tip-top —except the floor.

"Private," remarked the officer, "wasn't the floor washed?"

"No," replied the private.

"No WHAT?" exclaimed the irritated officer.

"No mop," said the private meekly.

If it Comes to That

A man was going round the country selling bacon-slicers. He came to a little town in Lancashire and went into a grocer's where he could see they hadn't a bacon-slicer. He put his sample on the counter and showed the grocer how it worked.

"Don't you think that's marvelous?" he asked.

"Aye."

"Don't you think every up-to-date grocer should have one?"

"Aye."

"Now, just take another look at this," he said, and sliced off a lot more.

"Isn't that lovely?"

"Aye, it is an' all."

"You agree this is a time-saving machine and a marvelous investment?"

"Aye, it's marvelous."

"You realize what a lot more business you'd do if you bought one for your shop?"

"Aye, I do an' all."

"Well, why don't you buy it?"

"Well," said the grocer, "why doesn't tha ask me?"
