PRINTS PHOTOS DIRECTLY ON WALL

Photo murals can now be printed directly on a wall, just as you would make a print on a piece of paper. Scientists at the Glenn L. Martin Company's Baltimore laboratory perfected a jelly-like emulsion which, when melted, may be applied to the wall surface with a brush, sponge or rag. When it dries, the negative is held against this sensitized surface, light is applied and development of the picture proceeds normally. The entire operation is carried out under darkroom conditions, with ruby light. Above, an operator is making a print on a wall.

THE INSIDE ON HOCKEY

By ED. FITKIN

Gentleman Joe Primeau, who was guest star on our radio program last Sunday, had two unique experiences before he managed to click in the N.H.L. with the Leafs.

On one occasion he was brought up by Conn Smythe for an important game with the old Maroons. Primeau fretted on the bench throughout the first two periods and most of the third. Finally, Maroons drew a penalty and Smythe said to Primeau:

"Okay, Joe. Go on out there—but don't leave Nels Stewart's side."

Primeau skated out to face-off with Stewart in the Leaf defense zone. Stewart got the draw, sidestepped Primeau, walked around Hap Day and fired the puck into the net.

Primeau was on his way back to London the same night.

* * *

Opportunity No. 2 came in the fall of 1929. Still Primeau failed to impress and when the Leafs journeyed to Buffalo for a preseason exhibition game, the Toronto management verbally agreed to part with Joe for $3,500.

A Pittsburgh official, hearing of this mooted transaction, was highly indignant. "We'll take Primeau," he said, "and give you $5,000."

As it turned out, neither Buffalo nor Pittsburgh landed Joe. In the game that night he scored the two goals that gave the Leafs a 2-1 victory.

But what impressed the Leaf management most was the way Primeau set up plays for a couple of youngsters who had just turned pro—Charlie Conacher and Harvey Jackson.

Thus was born Toronto's immortal Kid Line—a spectacular threesome that stayed together for seven seasons.

* * *

Maybe you'd like some statistics on this dashing trio? Well, here's their individual scoring records for that seven-year span:

CONACHER: 190 goals, 120 assists for 310 points.

JACKSON: 138 goals, 112 assists for 250 points.

PRIMEAU: 66 goals, 176 assists for 242 points.

Thus the line, as a unit, scored 394 goals, 408 assists for 802 points—an average of approximately 115 points per season.

* * *

Also:

Conacher was scoring champion in '33-34 and '34-35 and selected as alternate All-Star right-winger once and All-Star right-winger on four seccessive occasions.

Jackson won the scoring title in '31-32, was All-Star Left winger on four occasions and alternate all-star left-winger once.

* * *

But:

Primeau, the smoothie who did so much to make this line such a success, NEVER made the first all-tar team!

He was selected as alternate centre on one occasion despite the fact that he twice finished second in the scoring race, once behind Jackson in '31-32 and later as runner-up to Conacher in '33-34.

Joe's only outstanding award in his N.H.L. career was the Lady Byng Trophy (clean play coupled with effectiveness) in '31-32.

Such is the way of sport.

* * *

(Editor's Note: Ed Fitkin, conductor of this column, can be heard each Sunday afternoon at 4.35 over C-H-U-M (1050) dispensing breezy, dramatic and entertaining stories on "The Inside on Sports." Mr. Fitkin—address, Maple Leaf Gardens, Toronto—will be glad to answer questions about the players and the game).

FOR COUGHS COLDS- YOU CAN'T BEAT BUCKLEY'S MIXTURE

Refrigerator Plane Carries Full Load Perishable Goods

Another milestone in aviation history was recorded when the first refrigerator plane with a full pay load completed a cross-country flight and set down a cargo of fresh vegetables, flowers and live lobsters at LaGuardia Field, New York.

The 'plane left San Francisco with 8,000 pounds of perishable items. It picked up and took on other merchandise at Los Angeles, Salt Lake City and Denver, including a floral piece, a replica of a float for the Tournament of Roses, for delivery to Mayor LaGuardia.

Celery, corn on the cob, gardenias, orchids and other produce and flowers as well as some serum, also were carrried on the 'plane.

VOICE OF THE PRESS

Sure Thing

An economist says if you don't make as much as $42 a week, the chances are you'll go in debt. And if you make more, it's easier to get credit on which to go in debt. So the economist can't miss.

Kansas City Star.

Old-Fashioned!

A news correspondent says Belgium is recovering from the effects of the war faster than any other country because the inhabitants have buckled down and gone to work. How old-fashioned of them!

—Kitchener Record.

Tell-Tale Photos

You cannot expect to make the younger generation believe your generation was superior when they see the photographs you had taken forty years ago.

Quebec Chronicle-Telegraph.

A Discouraging Word

Some of these British war brides who were thrilled by stories of ranches owned by their husbands are finding that all the talk about a home on the range meant the kitchen variety.—Windsor Star.

Unhooking Faster

A California Judge grants a divorce every three minutes—which is uncoupling them a lot faster than they can be hooked up.

Stratford Beacon-Herald.

DDT Won't Upset Nature's Balance

Some fears that widespread use of DDT for killing insect pests might "upset the balance of nature" are being set at rest, as a result of extensive tests by U.S. Agriculture Department's Bureau of Entomology and Plant Quarantine, says Newsweek. For one thing tests show DDT is less harmful to bees than arsenical sprays. In combatting forest pests, the bureau says, DDT is found to bring about a faster return to the "balance of nature" by cleaning out the harmful insects speedily and allowing the birds and beneficial insects to return to healthy forest areas.

Skin Eruptions

Here is a clean, stainless, penetrating antiseptic oil that brings speedy relief from the itching and discomfort.

Not only does this healing antiseptic oil promote rapid and healthy healing in open sores and wounds but boils and simple ulcers are also relieved.

In skin affections the itching of Eczema is quickly stopped. Pimples — skin eruptions dry up and scale off in a very few days. The same is true of Barber's Itch, Salt Rheum, Itching Toes and Feet and other inflammatory skin disorders.

You can obtain Moone's Emerald Oil in the original bottle at any modern drug store. Satisfaction or money back.

Food for Birds

If you put out food for birds during snowy weather, be sure to provide, along with your seeds and breadcrumbs, a piece of suet. Many kinds of birds like it, and it is a good energy food, providing plenty of calories for the small internal furnaces that keep them warm.

For A Good Boy

Ex-G.I. Art Mooney, the Hotel Lincoln bandleader, The Christian Century, Chicago, relates, has found a practical use for his good conduct medal. He lets his little nephew wear it when he's a good boy, but takes it away from him when his Mom reports that he refused to eat his spinach, cereal, etc.

Private Enterprise

The British Fuel Minister told American Chamber of Commerce in London that the Labor Government did not intend to nationalize more than 15 to 20 per cent of Britain's industries and services.

This, he said, will leave a wide field for private enterprise "provided it is efficient."

How You Can Get Quick Relief From Sore, Painful Piles

Most people seem to think the only way to get relief from their sore, painful piles is by local treatment. Local treatment may give temporary relief from the itching but you can easily see why such treatment will not correct the cause of your piles.

No lasting freedom from pile misery can be had unless the cause of the trouble is corrected. Piles are due to internal causes so the best way to get lasting relief is to treat them internally with a medicine like Hem-Roid.

Hem-Roid is a formula that has been used for over 40 years by thousands of pile sufferers. It is a small, highly concentrated tablet, easy and pleasant to use. This cleverly compounded tablet formula directs its medical action to relief of the congestion that is the real cause of your piles. Hem-Roid promotes free, easy and comfortable bowel movements, quickly relieves itching irritation and soreness and stimulates better blood circulation in the lower bowel. With good blood circulation in the lower bowel the painful pile tumors soon heal over leaving the sensitive rectal membranes clean and healthy.

Posed by a Professional Model

We invite you to try Hem-Roid and let it prove itself. You can make your test, in the privacy of your own home, NO COST if you are not convinced that this is an amazingly easy and surprisingly effective method of treating your sore, painful piles.

Get a package of Hem-Roid today from any drug store and use it as directed for JUST FIVE DAYS. At the end of that time if you are not absolutely sure Hem-Roid is the nicest, cleanest and most effective pile treatment you ever tried, return the unused portion of the package to your druggist and he will promptly refund your money.

NOTE: This generous offer is backed by a reliable firm doing business in Canada for a good many years. Hem-Roid must help your pile condition quickly, easily and pleasantly or this simple, easy test costs you nothing. Try it today.

WHAT ABOUT 1946 ?
