BEFORE TREATMENT

AFTER TREATMENT

He was surprised at how the sores healed—"I took your NEW METHOD TREATMENT for a serious blood disease with which I had been inflicted for twelve years. I had consulted a score of physicians, taken all kinds of blood medicine, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the medicines the symptoms would break out again—running sores, blotches, rheumatic pains, looseness of the hair, swellings of the glands, palms of the hands scaling, itchiness of the skin, dyspeptic stomach, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago. I had no hope, but took his advice. In three weeks' time the sores commenced to heal up and I became encouraged. I continued the NEW METHOD TREATMENT for four months and at the end of that time every symptom had disappeared. I was cured 7 years ago and no signs of any disease since. My boy, three years old, is sound and healthy. I certainly can recommend your treatment with all my heart. You can refer any person to me privately, but you can use this testimonial as you wish." W. "Hecla" Furnace

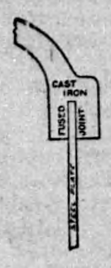
Means Perfect Heating without Gas, Dust or Smoke.



The "Hecla" Furnace is the only Furnace with Fused Joints.

These Joints are made by fusing the steel and cast iron parts together at white heat making an indestructible joint. Fused Joints are permanently airtight. Even after 20 years' use they will not work loose or leak. They insure absolute freedom from dust, smoke and gas.

The Steel-Ribbed Fire Pot used on the "Hecla" Furnace has three times as much radiating surface as any other style of fire pot. It will save fuel for you and give you more heat. It extracts from the fire, heat that would otherwise go up the chimney.

Let us show you the 1908 "Hecla" and explain all the latest improvements in detail.
