THE SPORTING THING

"I'm Lonesome!"

Never Say Die

"Excuse me, sir," said a shabby caller at a newspaper office, 'are you satisfied with the amount of your present life insurance?"

"Yes," replied the manager, shortly.

"Could I interest you in a morocco-bound edition of the works of Thackeray?"

"You could not."

"Would you invest in a good second-hand cornet if you could get it cheap?"

"No!"

"Just so! Would an offer to supply you with first-class imported Havana cigars at two pounds a hundred appeal to you?"

"Not a bit!"

"That being the case," said the caller, "would you be willing to buy a penny tin of shoe polish just to get rid of me?"

"Great Scott! Yes."

"Thanks! Good day!"

In Hades

After a busy life, an old-time American died. The first thing he knew, a butler in another world was showing him a palatial guest room, saying, "This, sir, is your suite. The only rule here is: You ring and I bring. Just press that button and I will provide whatever your heart desires."

About a month later, the American sat in his easy chair surrounded by cigars, decanters, fishing rods, radio, and all else that a man could wish. The butler appeared:

"Here, you! I want something to do. I want work."

"Sorry, sir, but work is the only thing we do not provide here."

"What! If I can't have work, I would just as soon be in Hades."

"But, sir," replied the butler, "where did you think you were?"

Lafayette Long Lac

An excellent prospect, in our opinion. It has good neighbors, Charles Long Lac and Marquette Long Lac. Favorable drilling results on Charles Long Lac would mean much to Lafayette. Recent Geological disclosures indicate that Lafayette ground has most favorable geological conditions.
Lafayette owns a very substantial holding of shares in Marquette Long Lac.
To sum up — AN EXCELLENT PROSPECT.
