Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler, Tenn, says: "Several years I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. I used it for some time and it cured me. Now my throat and lungs are sound and well." For sale by W. E. Richardson.

The Orillia town council has reduced the rate on 16 candle power incandescent lights to 18 cents a month all around. This is a reduction of 2 cents a month on the present house rate and 10 cents on the store rate. It was felt that hereafter stores and houses should be put on an equal basis. The reduction will mean a decrease in revenue of $3,500 for the year which, it is expected, will be made up by an increase in the number of lights used. One free light will be allowed to every consumer of four lights or more for outside lighting purposes. This includes stores as well as residences.

Great opportunities seldom present themselves, but every moment of every hour of thy conscious life is an opportunity to improve thyself, which for thee is the best and most necessary thing.

For the Willis Piano, such as Carreno, Hamburg, Kubelik, Peppercorn, Sir Frederick Bridge, Otie, Chen. We honestly believe that the Willis Cabinet Grand Piano is the very best high grade piano made to-day in the entire dominion of Canada, positively without exception. Emile Sauer, the world's greatest pianist, said upon his recent visit to Montreal, the Willis Piano has a lovely tone, I am surprised and delighted with it. You have a piano to be proud of. Those are his exact words. Sauer knows pianos better than any man in the world to-day. The Willis is a piano with a Soul as beautiful and pure as its body of superb strength and gracefulness. The Willis Cabinet Grand was used by the Sheffield Choir while touring eastern Canada. These pianos can be seen at my store at any time.
