THE MIXING BOWL

BY Anne Allan HYDRO HOME ECONOMIST

Hello Homemakers! Soon the children will go back to school with clothes that stand wear and take easy care. Colours should be resistant to fading; shrinkage should be low; and designs simple. Good wool jersey and spun-rayon are washable. The new resin finish is one of several developed to control shrinkage.

Look for colours in outer garments which will tone in with one basic colour because the more they can be "switched" around, the more teens like them. Take a brown skirt, then buy a good sweater, yellow or orange, depending on whether she is brunette or blonde, then a green or honey coloured blouse topped with a beige or copper coloured shortie coat.

The surplus of men on the campus this year will make fresh blouses and good shoes a must. There must be simple, well-cut shirtwaists if the girl is doing laundry away from home. And while shoes may be smart they must be sensible for campus use.

Include in the packing a few accessories which can be domed on—a satin bow at the neck, a frilley jabot, an embroidered animal for the pocket, an appliqued flower or a patch with a monogram.

TAKE A TIP

A new garment deserves a good start. Put in back and arm shields. Protect boys' new trousers by sewing retreads inside in seat and knees.

For a new coat, make shields of matching lining cloth. Sew them under the arms and they will take the stains and the rub.

On wet days, protect your wool clothes with an umbrella or raincoat. If wool clothes get wet or muddy, dry them slowly at room warmth — never close to a stove or radiator. When dry brush them.

Use sock and sweater forms to keep laundered pieces in shape.

Keep clothes mended — a stitch in time saves nine.

Sewing is accomplished a speed-ier and easily if you sew by a lamp nearby so that it shines with a strong clear light on your work.

PUDDING (requested)

CORN milk, 2 cups cooked corn, 2 tbsps. melted fat, 1 tbsp. sugar, 1 tsp. salt, ¼ tsp. pepper, 3 eggs, well beaten.

Add milk, corn, fat, sugar and seasonings to eggs. Turn into greased casserole and bake in preheated electric oven of 350 degrees for 45 min. choice of ½ c. grated cheese, ¼ c. mushrooms, ½ c. chopped ham.

PICKLED BEETS (requested)

1 cup cider vinegar, 6 whole cloves, ½ cup water, ½ tsp. salt, 2 tsps. cinnamon, cooked beets.

Boil ingredients together. Meanwhile pack hot pint jars with skinned, sliced, cooked beets. Pour boiling vinegar mixture over the beets to top of jar. Seal tightly and store. This makes 1 quart.

CANNED SUCCOTASH

Use corn, cut from cob, and green lima beans or green soy beans, and can according to instructions for corn.

CANNING TOMATO SOUP

1 peck ripe tomatoes, 4 onions, sliced, 12 sprigs parsley, 2 bay leaves, 1 tsp. celery seed, 1 tsp. cloves, heads removed, 2 tbsps. salt, 1 tbsp. sugar, 1 tsp. pepper corn.

Wipe tomatoes and quarter. Tie pieces in a bag. Boil all together gently at first, until the juices flow. Then let simmer for ½ hr. Strain, reheat, bring to boiling point, fill sterilized jars to overflowing and seal at once. Use for meat, fish or vegetables, gravies or for soups.

THE SUGGESTION BOX

Preserve rubber articles: Sprinkle rainproof things with talcum powder before folding to pack away. (Do not fold unless necessary.) Store in a cool dark place. You can wash rubber goods with soapy water but rince thorougly with clear water, then pat dry with absorbent cloths. A girdle should be roled in a heavy towel to dry.

Use of shoe bag: Girls going away to school find a shoe bag very handy — not only for shoes but for cleaning cloths. At home, dusters, brushes, wax cans and furniture polish are handy to reach in a shoe bag hung on a door.

Care of shoes: Put trees in shoes before putting them away. Periodically air them outside. To clean, brush, cleaning the brush frequently as you work. Apply polish in thin coats but often.

Herb Corbett, President. Dr. V. Lougheed, Secretary.

Wifey: "Just think, dear, one half of the word doesn't know how the other half lives."

Hubby: "Don't worry about it, darling, it's not your fault.

An elevator operator, off for the day, was replaced by a girl who on her first trip brought the elevator to an abrupt stop.

"Did I stop too quick?" she asked the passengers.

"Oh, no indeed," coyly replied a little old lady in one corner of the car. "I always wear my bloomers around my ankles."

NOTICE TO CREDITORS

IN THE MATTER of the Estate of Florence Davis of thte Township of Artemesia, deceased.

All persons having claims against the estate of Florence Davis, late of the Township of Artemesia, in the County of Grey, who died on or about the 12th day of December, 1945, are hereby notified to send in to Harris & Dunlop, Solicitors for the Executrix, on or before the 9th day of September, 1946, full particulars of their claims. Immediately after the said date the Executrix of this estate will distribute the assets of the said deceased having regard only to the claims of which she shall then have notice, to the exclusion of all others, and she will not be liable to any person whose claim she shall not then have notice of for the assets so distributed or any part theeof.

Dated at Markdale this 19th day of August, 1946.
