A. McCAULEY, Pro

Port Law

From our own Correspondent.

Harvesting is the order of the day here at present. The farmers in this section claim that while the straw is more plentiful than it was last year the oat yield is going to be far below the average, owing to the rust.

Mr. Francis and Miss Bella Thompson were visiting friends in Sunnidale.

During the past week the trustees of S. S. No. 8 have let the contract of putting a new roof on their school and other necessary repairs. Messrs. Boyce and Haney are the contractors.

We are sorry to note that Mr. Geo. Thompson, Councillor, is having a very hard time of it lately. Along with his other troubles he has had a very severe attack of erysipelas during the past week. We are glad to note that under the skilful treatment of Dr. Scott the disease is under control and Geo. is once more on the way to recovery.

Mr. and Mrs. John Boland drove over from Vandeleur on Sunday to visit Mr. Geo. Thompson ; also Mr. and Mrs. Jas. Best and many other friends and well wishers called on Mr. Thompson and were glad to see that he was somewhat improving.

That dreaded disease, diphtheria, has once more visited this locality, this time claiming for its victim Miss Polly Orr, of Toronto, who was visiting with her grandma, Mrs. Morton.

Mr. Joseph Watson is at present suffering from a severe attack of quinsy.

Well, Mr. editor, your correspondent thinks that it is quite a slur on the intelligence of the people of North Grey to have the Government place Mr. Paterson in the field to contest the by-election, and we do hope that the people of that riding will look at it in that light and not simply be turned over by any little wharfage fee that Mr. Paterson will be prepared to offer them.

We are sorry to note that Mr. W. R. Dyson, has been somewhat under the weather for the past few days. We hope that he will soon be on the way of recovery.

Mrs Hemphill of this locality has been visiting with her sister, Mrs. John Speers, of Osprey.

Lady Bank

From our own Correspondent

On the 20th ult., at the age of 44, Margaret, wife of Richard Fisher, and youngest daughter of the late George Davidson, passed away at her home near Stayner. For many years she was a resident in the Bristow settlement, Osprey. She will be much missed by a large circle of appreciative friends. Her disposition was quiet, tolerant, kind. Quite recently she visited her Osprey friends. None suspected her end was so near, though it was apparent she could not recover. She filled the relation of wife, mother and friend in a most exemplary manner. A husband, four sons and three daughters mourn their irreparable loss. "Blessed are the dead who die in the Lord." "That they may rest from their labors and their works do follow them."

Feversham.

From our own Correspondent

Harvesting is in full swing here. All crops are above the average, although rust has appeared on some of the late oats, but it will not be serious. The first threshing of the season took place on the farm of J. A. Kernaghan one day last week. Fall wheat and oats averaged about 25 and 60 bush. respectively.

Mr. Mark Murphy, who met with a painful accident last week, caused by his horse running away on the Beaver hill, is improving slowly, but will not be able to work for some time yet.

Your cor. is sorry to chronicle this week the death of a bright little girl, a daughter of Mr. John Buckingham, aged 13, from that terrible disease, diphtheria. A younger daughter is also not expected to live. Seven members of the family have been afflicted, including Mr. Buckingham himself, but with the exception of the two mentioned all are improving. One or two other families in Osprey are also afflicted to a lesser degree. The disease was brought in from Collingwood township. Stringent measures are being taken to confine it to its present limits, which your correspondent fervently trusts will be successful.

The members of the C. O. F., Feversham, attended divine service at the Buckingham church last Sunday. There were some fifty members in the procession and they presented a fine appearance. The Rev. Mr. Legate of Maxwell preached a powerful sermon to the order assembled.

We are glad to see R. J. Colquet around again after his late severe illness.

Mr. Ed. Paul spent a couple of weeks in the city, returning last week.

The Rev. Mr. Galloway, brother of Mr. W. B. Galloway, preached in the Presbyterian church here on Sunday last.

Capt. Parker of the S. A. is at present away visiting his parents at Gravenhurst.

Mr. J. Alexander, who has been working up the lakes this summer, returned home last week, also Mr. Geo. Burk.

Mrs. Wismer of Manitoulin spent a couple of weeks visiting her parents here.

Eugenia.

From our own Correspondent.

The union Sunday school held their annual picnic in the grove here on Wednesday. Both old and young turned out and seemed to enjoy the day thoroughly with swinging and games, and best of all by a splendid tea prepared by the ladies. The heavy thunder storm which came up in the evening was a great mar to the fun, compelling all to go home at an early hour.

Mr. McLeish, of Toronto, has been spending a few days visiting at Eugenia. He came up for a little fishing and preached Sunday evening.

Quarterly meeting services were held in the Methodist church on Sabbath morning by the pastor, Mr. Balfour. A good congregation was present.

Mr. Robert Purvis has gone to Toronto for a visit.

Miss Tily Poole, of Toronto, is visiting at Mr. Purvis'.

Mr. Robert Campbell, of the Valley, brought a corn stalk to Eugenia last week which measured nine feet eight inches. It was planted the latter end of May. That beats Mr. Caswell's record.

Master Herb. Cooey, of Toronto, who is visiting friends here, rode from Toronto by way of Brampton on Wednesday last on his bike, making the distance of 110 miles in ten hours. Pretty good for a lad of fourteen years of age.

Mr. Blair, of Toronto, is spending a few days visiting his grandfather, Mr. Meldrum, postmaster, at Eugenia.

Mr. Will Purvis, of Toronto, is visiting his parents at present.

Mrs. Walton Williams has gone to Toronto to visit her mother.

Rev. Mr. Balfour is spending holidays this week at Mitchell.

FIELD AND Garden SEEDS

in large quantities at

W.E.Richardson's

Priceville

From our own Correspondent.

A very successful garden party was held on the grounds of the Methodist parsonage last Friday afternoon. The principal feature of the evening's entertainment was an exhibition of superior views by magic lantern on the life of John Bunyan and the Pilgrims Progress, together with some very amusing colored pictures for the boys and girls. Owing to the generous supply of provisions it was found necessary to have a social on Monday evening to get rid of the surplus. The social was a grand success as far as the program is concerned. A number of very beautiful scenes of China were exhibited and were thoroughly appreciated by the audience.

Mr. Robert Blakeston intends starting for England this week. He sails from Montreal on Saturday by the steamer "Scotsman." As it is thirty-nine years since he left the old sod Mr. B. will find many changes in his native land.

Mr. and Mrs. Robt. Watson and family, of Walters' Falls, paid a visit to the friends in this village last week.

Mrs. D. McDonald is visiting her daughter, Mrs. Marlatt, of Shelburne.

Miss Singer, of Metz, is the guest of Miss Fanny James.

Mr. and Mrs. William McDowell of Toronto and family are visiting with the former's father.

Mr. Henry Hogarth took a trip on his wheel to Whitby lately.

Do not throw away old preserve jars which have lost their covers or whose edges have been broken so that the covers will not fit tightly. They are excellent for holding pickles. When filled tie a piece of cotton cloth over the top to keep out insects and put the jars away in the storeroom closet.

The Shelburne flax mill building is completed and the machinery is being placed in position. The Free Press says large quantities of flax are already being brought in.
