F. J. THURSTON, Editor

VICTORIA CORNERS

The ringing of the school bell has terminated for summer vacation, which will be much appreciated by teacher and pupils. Miss Marjorie Stevens has been re-engaged with increase in salary as teacher.

Heartiest congratulations and best wishes are extended to Mr. Ivan Copeland and bride, who were married in Wesley Church, Toronto, Saturday, June 28. Mr. and Mrs. Jos Copeland, Hazel, Ruby, Joan Dannie attended the wedding.

The young people's social evening consisting of ball game, program, weiner roast, sing-song and entertaining of Eugenia young people, on Monday evening proved to be a very successful entertainment. Miss Kaye Bannon's description of a T.C.A. flight was exceptionally interesting.

Our W.A. enjoyed their visit with the Bethel W.A. Thursday afternoon at the home of Mrs. Cliff Irwin.

Saturday was the annual Acheson reunion in Dundalk Community Park and many attended from here.

The long week end and Dominion Day holiday brought many visitors to our homes: Mr. and Mrs. Fred Good, Gail and Marlene, of Willowdale visiting with Mr. and Mrs. Russell Linton; Mr. and Mrs. Geo. McGregor, Wayne and Maurene, of Preston with Mr. and Mrs. Jas. Batchelor; Mr. and Mrs. Kingsley Gallaugher and Anne of Toronto at Wilfred Gallaughter's; Mr. and Mrs. Jas. Fields, Mrs. Taylor and son, Edgar, of Toronto with Ed. Stinson's; Mrs. Walter Allen with Walter Acheson's.

Other visitors at the week end were: Mrs. Archie McTaggart, Mr. and Mrs. John Thompson, Mary Lou and baby Johna Lee, of Brampton Mr. and Mrs. MacGregor Sr. of Kitchener, Mr. and Mrs. Jos. Lee, Mr. and Mrs. Don Watts of Orangeville with Mr. and Mrs. Jas Batchelor; Miss Raye Smith of Neustadt with Mr. and Mrs. Wilfred Gallaugher; Miss Viotta Richardson in the homes of her friends, Mrs. Ed. Stinson and Mrs. Geo. Moore, and renewed acquaintances in several homes here.

Miss Jean Werry and Mr. Clifford Cornett of Toronto were Sunday guests of the latter's sister and husband, Mr. and Mrs. Gordon Batchelor.

We exend our sympathy to Mrs. Elwin Moore in the death Saturday of her aunt, Mrs. Edward Patton, of Dundalk. Mrs. Patton and husband spent their early married years on the farm now owned and operated by George Ludlow. Our sympathy also is with the sorrowing husband and three sons.

Mr. and Mrs. Arthur Nicholls, Mr. and Mrs. Fred Linton visited with Brampton friends on Sunday. Jack Shirley and Clare Linton were guests of their grandparents Mr. and Mrs. Ed. Stinson. We are sorry to report Fred under the doctor's care with high blood pressure. Mrs Geo Ludlow is also needing her physician's guidance.

Mr. and Mrs. Milton Bannon motored to Toronto Saturday morning, taking Kaye that far on her return journey to Vancouver, and back to flying duties. On their return home to the farm Sunday evening the Bannons were accompanied by little Miss Hazel Speers, who will spend the summer vacation here.

Mr. and Mrs. Lorne Sharpe and family of Guelph were week end guests of the former's sister, Mrs. Wes Dever, and Mr. Dever.

"Do you have much variety at your boaridng house?"

"Well, we have three different names for the meals."

In the ninth grade English class the teacher was discussing etiquette. When she finished, she asked Bobby how he would ask a girl to dance.

Bobby replied: "Come on, worm, let's wiggle"

THE MIXING BOWL

BY Anne Allan
HYDRO HOME ECONOMIST

Hello Homemakers! Come over for dessert and coffee anytime this month we shall have strawberries for sure Served in a variety of ways the luscious berries are our favourite fruit. It does not take much time to hull and clean strawberries, but if they are to be kept fresh, the fruit must be spread in a pan and stored in the electric refrigerator. Any accompaniments such as cream, cake or biscuits should be fresh and delicate in flavour.

FRESH STRAWBERRY ICE CREAM

⅔ cup cugar, 2 cups crushed strawberrise, 1 well-beaten egg, ½ cup sugar, 1 cup thin cream, whipped to thin cushard consistency.

Add ⅔ cup sugar to strawberries. Allow to stand until sugar is dissolved. Combine egg, ½ cup sugar and thin cream. Add to washed berries. Place in refrigerator freezing tray. Set control to coldest point. Freeze until sides and bottom are slightly hardened. Remove and beat well. Fold cream into frozen mixture. Complete freezing. 6 servings.

WHEAT GERM BISCUITS

1 cup all-purpose flour, 1 cup wheat germ, 4 tsps. baking powder, ½ tsp. salt, 4 tbsps. shortening ⅔ cup milk.

Sift the dry ingredients and cut in shortening. turn on floured board, knead quickly, and lightly and roll to one-half the thickness desired in the biscuit. Cut, place on buttered pan, and bake in electric oven, 450 degrees for 12 min. Makes 12 medium-sized biscuits, butter and put sliced sugared strawberries in between.

Isn't it a Fact?

● It matters little what you want to buy these days . . . soap, a shirt, a new car . . . even electricity (which you don't have to line up for) continues to be scarce in Southern Ontario.

Have you tried to build a home lately? . . . tried to buy building materials of any kind. What a headache! How would you like to be shopping for what's needed for a new electric power plant? Unimaginable amounts of concrete, steel and other materials, as well as tremendous quantities of electrical equipment, have to be sought out and purchased.

It takes several months now to get such equipment as transformers and costs are up by more than half. The bigger they are the harder they are to get.

What about the huge generating stations required to supply Ontario with an additional, badly needed half-million horsepower? Well, they are being built. They were started years ago. But they cannot all be ready in 1947. Some won't be ready next year.

In the meantime, demand for electricity is growing faster than new power plants. Few people anywhere use as much electricity per person as in Ontario. Few have as much to use. Enjoy your low-cost electric power, but use it wisely. Your Hydro Commission is doing everything possible to increase the supply; but it will still be necessary to conserve electricity this fall and winter.

ONTARIO

AN IMPORTANT MESSAGE TO THE MOTORING PUBLIC

Re: 1947 Amendments to the Ontario Highway Traffic Act

Every motor vehicle owner and driver should become familiar with the new 1947 amendments to the Highway Traffic Act. The purpose of this legislation is to encourage safe driving and to assure the collection of damages awarded by our Courts for personal injuries suffered or property damaged.

On and After July 1st, 1947

On and after July 1st, 1947, your driver's license and all motor vehicle permits registered in your name will be suspended if, following an accident in which any person is injured or any property is damaged, you are convicted of:

(a) Any violation of a provision of the Highway Traffic Act.

or

(b) If, upon conviction for a violation of the Act even though no accident occurred, the penalty imposed by the Magistrate includes suspension or revocation of your driver's license or motor vehicle permit.

or

(c) If you are convicted of a criminal offence involving the use of a motor vehicle.

After July 1st, 1947, your driver's license and all motor vehicle permits registered in your name will be suspended if you fail to satisfy a judgment secured against you for damages on account of injury to or death of any person or on account of damage to property. Such judgment must be satisfied at least up to the limits of $5,000.00 for personal injuries to one person, $10,000.00 for two or more persons and $1,000.00 for property damage arising out of any one accident.

Application of Suspensions

Where a suspension is applied following the registration of a conviction, same will remain in effect until proof of financial responsibility is filed.

Where a suspension is applied for failure to satisfy a judgment, same will remain in effect until the judgment has been satisfied or arrangements made for its payment by instalments and proof of financial responsibility is also filed.

Proof of financial responsibility may be filed (a) in the form of an insurance policy certificate; (b) the bond of a guarantee company; (c) the depositing of money or securities to the value of $11,000.00.

Application of Penalties

The penalties for a person operating a motor vehicle while his license is under suspension include a fine up to $500.00 and imprisonment up to six months, also the impounding of the motor vehicle operated. The penalty for the operation of a motor vehicle, the permit for which is under suspension includes a fine up to $500.00, imprisonment for six months and the forfeiture of the vehicle to the Crown.
