Eugenia.

From our own Correspondent

Farmers are now busy getting up their potatoes and other roots. All sorts of roots and vegetables are a wonderfully good crop this year for which we ought to be thankful.

The Rev. Mr. McKenzie preached to a large congregation in the Orange Hall on Sunday afternoon. He gave us a good practical sermon.

Mrs. John Sherwood, of Toronto Junction, has been visiting friends in this locality the past week.

The Misses Minnie and Ettie Roy have gone to Montclair, N. J. They will be missed amongst the young people here, where they were both general favorites.

Miss Fenwick, who has been very sick for some time, we are pleased to hear is now getting better.

Mrs. Lucy Sloan and Miss Beecroft have gone to visit friends at Creemore.

A nice new belfry has been placed on the Presbyterian church.

Mr. Joseph Williams has returned from Mayfield, where he has been engaged running a threashing machine for some time past.

Mr. and Mrs. John Fennwick have gone to visit friends at Chesley.

Miss Minnie Meldrum, of Flesherton, paid a visit to her parents, Mr. and Mrs. Meldrum, of Fairfield Villa, on Sabbath last.

Mr. Robert Meldrum, of Feversham, accompanied by Mrs. Meldrum and family, were visitors at Fairfield Villa on Sunday.

We are pleased to learn that Mr. Hanna has been re-engaged to teach this school for another year, as he is very faithful to his trust and the children are getting along well under his care.

Considerable excitement was created here one night recently when it was discovered that some refuse had taken fire in the hoop and veneer mill and that the building was in danger of being destroyed Willing hands and the mill waterworks, however, succeeded in staying the flames after eight or ten hours' work. Difficulty was experienced owing to the impossibality of getting at the spot where the fire was smouldering.

Priceville

From our own Correspondent.

Mr. Robert Blakeston arrived home last Saturday after a month's sojourn in Yorkshire, Eng. He had the honor of being a passenger on that magnificent new ship, the Canada, of the Dominion line during her first voyage across the Atlantic.

The annual fall show of the Artemesia Agricultural Society took place last Tuesday and Wednesday. Owing to the cold raw weather which prevailed the attendance was not as large as on former occasions. However, notwithstanding these adverse circumstances the exhibition of stock, poultry, vegetables, &c. was up to the standard. The concert on Wednesday evening was a splendid success as far as the program was concerned, but a failure in point of attendance. The Johnston family, of Durham, deserve especial mention for their artistic instrumental music. Prof. Baker, of Toronto, was the star of the evening. His comic songs elicited thunders of applause. Messrs J. T. Paton and Chas. Ramage also added materially to the evening's entertainment.

NOTES

Mr. John Nichol exhibited beets that would be hard to excel in size.

Some of the apples and pears in the collection of fruit presented a very dilapidated appearance. We would suggest that in the future exhibitors in that line make a better selection in quality even if it be at the expense of quantity.

Mr. Richard Whittaker was the successful candidate in the guessing match.

As a result of some rather careless drivers our carpenter had several jobs on hand next day in the way of repairing wheels, &c.

There was a pretty big rumpus in the evening occasioned by the resurrection of some old feuds. The oaths uttered during the scrap would disgrace a Michigan lumber camp. Every fall fair this burg has been turned into a battle ground, but we understand there is a movement on foot to put an end to further disturbance in that line.
