We would advise the young men who are disturbing one of our store keepers to let "well enough alone" before action is taken.

Many people of this part will be sorry to learn of the death of Mr. J. Inham who died at his home in Toronto last week. Mr. Inham was well and favorably known around here.

Maxwell

From our own Correspondent.

The harvest-home festival held in connection with the English church here, on the 27th, was a decided success. A very elaborate supper which was prepared by the ladies of the church was followed by an excellent program. The chair was occupied by the Rev. Mr. Farrier who filled it in a very acceptable manner. Addresses were given by the the following gentlemen: Rev. Mr. Farrier, Rev. Mr. Hudson, Rev. T. Legate and Mr. Wm. Whinney. The church choir furnished the musical part of the program. The entertainment was also a success, as the proceeds were about $30.

Election matters are beginning to interest the male portion of society. No less than three Euphrasia men are named for the county councillorship while Mr. Erskine is named for reeve.

Mr. John Dillon, of Rocklyn, has secured the mail contract between Epping and Meaford, or rather between Rocklyn and Meaford, as we believe he will start from Rocklyn, coming down to Epping both morning and evening. It will make the route shorter and will be no doubt more satisfactory all around. These mail contracts are run down to starvation rates. Mr. Dillon, we believe, will have a salary of $250 per year.

Eugenia.

From our own Correspondent

Miss Jennie Derusha spent part of last week with her parents at Proton.

If our girls don't "put a hustle on" leap year will soon be gone and the opportunity lost. I am afraid those buttons of Richardson's, made especially for bachelors and prodigal sons, will cause the young men to feel very independent.

Mr. Joseph Williams has moved onto his farm at Valleyfield, near Eugenia.

Mr. Morden Kaiser, of Sunnidale, is visiting his cousin, Mrs. John Fenwick, at present.

A most startling bit of news which your scribe has to report this week is in regard to Mr. Duckett's wonderful gold mine. We are told that a gentlemen from Toronto offered him last week $1,000,000 for the farm on which the mine is located and that he refused the offer, he purposing to work the mine himself. It is also reported that he will begin to sink a shaft this week. Many people are visiting the location to see the mineral.

The wintery weather of last week made people feel rather gloomy but now we hope to have a spell of good Indian summer days before winter comes to stay.

Mr. Marcon, of the veneer factory, accompanied by Messrs. Keiley and Sproule, of Toronto, paid a short visit to Eugenia on Wednesday last. Messrs. Keiley and Sproule are thinking of going into partnership with Mr. Marcon in the business. They are for putting in some new improvements for drying the veneer. DRUGGIST

DID YOU EVER MAKE MONEY EASY?

MR. EDITOR.—I have read how Mr. C. E. B. made so much money in the Dish Washer business and think I have beat him. I am very young yet and have had little experience in selling goods, but have made over eight hundred dollars in ten weeks selling Dish Washers. It is simply wonderful how easy it is to sell them. All you have to do is to show the ladies how they work and they cannot help but buy one. For the benefit of others I will state that I got my start from the Mound City Dish Washer Co., St. Louis, Mo. Write to them and they will send you full particulars.

I think I can clear over $3,000 the coming year, and I am not going to let the opportunity pass. Try it and publish your success for the benefit of others. J. F. C
