Noble, High Constable for the County, asking that his remuneration be fixed; application from John McAuley for reward for arrest and conviction of a horse thieft; report of Public School Inspector Grier of East Grey; application from widow of the late Dr. Manley, jail surgeon, for a grant equal to one year's salary; application from Dr Machell for the position of jail surgeon; from John Armstrong on behalf of Law Association asking for additional shelfing for law library; second annual report of the Owen Sound Children's Aid Society, and also report of Rev. Jas. Ledlard, county agent of the society.

Mr. Howe presented report No. 1 of finance committee, recommending a grant of 25c per day per man to the 31st Battalion for the time they were in camp this fall, and that this council memorialize the Dominion government to increase the payment of the Battalion, so that it may not be incumbent on the county to make any supplementary grant in future. The report also recommended that the County Treasurer's statement of pedlar's and auctioneer's licenses issued during the year, be filed, and that accounts amounting to $95.45 be paid.

Mr. Read presented report No. 1 of the road and bridge committee recommending payment of the accounts of Thos. Harness and T. I. Thompson as commissioners to inspect a bridge between Derby and Owen, Sound amounting to $68.21. The report stated that the committee had equalized $3500 set apart for bridges on boundary lines under bylaw 363 of 1897—the equalized amounts being as follows: Artemesia $199.94, Bentinck $233.14, Collingwood $238.52, Derby $129.79, — less $33.10 already expended, Euphraisa $205.20, Egremont $235 89, Glenelg $157.85, Holland $168 37, Keppel $119.96, Normanby $275.35, Osprey $165.62, Proton $174 68. Sarawak $29.64, St. Vincent $239.05, Sullivan $212.92, Sydenham $215.72, Owen Sound $287.73 less $34.11 already expended, Meaford $81.72, Durham $35 08, Thornbury $28.06, Markdale $28.67 less $23.67, Dundalk $20.17.

Council went into committee of the whole on the report of the finance committee, Mr. Sing in the chair. Vigerous opposition was offered to the proposed grant to the 31st Batt., Messrs. Irwin, Allan, P. Dickson, and Davis opposing it, Messrs. Boland, Fox, Clark, Shute, Thompson, Palmer, Binnie, Chisholm, Bye and Read speaking in its favor. During the debate, Mr. Howe, chairman of finance, stated that there was at present a deficit of $4960, which it seemed had been accumulating for years. Mr. Binnie took the view that the state of affairs was not so serious as this statement represented. The deficit was a small one for such a large county as Grey and was not one bit more serious now than it was at this time last year The report was finally adopted without amendment.

Council went into committee of the whole on report No. 1 of the Road and Bridge committee, Mr. Boland in the chair. The Report was adopted as read and council adjourned till 2. p.m. Thursday.

Mr. Preston presented report No. 1 on communications and memorials recommending that in accordance with request of county Council of Huron a memorial be prepared and forwarded to the legislature asking them to so amend 55 Vict., chap. 32, sec. 495, as to make the offering of a reward for the capture of horse thieves permissive and not compulsory as at present; and that no action be taken on the request of the council of Kent county to memorialize the House of Commons for certain amendments to the Railway Act regarding damage caused by fire started from sparks from locomotives.

Mr. Irwin presented report of special committee re Horse Thief Bylaw (No. 508.) The committee found that the bylaw was within the meaning of the Act in reference to offeing a reward for the apprehension and conviction of horse thieves, and conveyed exactly what the council intended, viz.: a payment of $25 for the apprehension and conviction of horse thieves. Therefore the committee recommended that no action be taken.

All the reports were finally adopted as read.

Mr. McDonald presented report No. 2 of County property committee recommending that the application of the Law Association for additional shelving for the law library be laid over till January session; that the County Crown Attorney's room be repaired and cleaned; that the presentment of the grand jury at the fall assizes be filed; that the report of Mr Burroughes on the heating system of the court house be laid over till the January session; and that Jas. Moved by Mr. Irwin, seconded by Mr. Morrce, that this council memorialize the Ontario government praying them to pass a law compelling the use of tires not less than three inches wide for all wagons carrying a ton and that the width of the tire be increased according to the load. After a lively debate the motion was lost.

SATURDAY MORNING

Council met at 9 a. m,

Mr. Howe presented finance report No. 3, recommending payment of several accounts.

Mr. Binnie presented report of special committees re vagrants in jail The committee found that not much change could be made in the present system of dealing with this class of prisoners but deemed it advisable that plenty of work be provided and recommended that arrangements be made to procure stone to be delivered at the jail yard ready for work as soon as they commence to come in every jail.

Mr. Gilray presented report of special committee re amenoments to County Councils Act 1896.

All the reports were adopted as read.

Bylaws 526 and 527 were read a third time and finally passed.

Messrs. Read, Boland, Shute, Irwin, Chisholm, Davis, Harness, Gilray and Binnie made short speeches in reference to the breaking up of this old county council. On motion the council then arose and as the last strains of "Auld Lang Syne" and "God Save the Queen" died away, the county parliament became a thing of the past.
