THE SUFFERING WOMAN ENDURES

Can be Banished by the Rich, Red Blood Dr. Williams' Pink Pills Actually Make.

Behind the veil of her modesty and silent patience nearly every woman endures suffering that casts a shadow over half her existence. An aching back, tired limbs, attacks of faintness, and headache upon headache need not be part of a woman's life. Such trials indicate plainly that the system requires the new blood that is supplied by Dr. Williams' Pink Pills. These Pills are valued by suffering women, who have used them, above all other medicines, because they make the rich, red blood that makes women well, bright and at their best. This is the secret of the great success of Dr. Williams' Pink Pills. Mrs. Geo. C. Wadden, Wadden's Cove, N. S., says:—"A few years ago I was completely run down. At times I would be so weak that I was unable to do my housework. I suffered from severe headaches, pains in the back and dizziness, and at times I felt as though life was scarcely worth living. I had tried several medicines without getting relief, when I finally decided to give Dr. Williams' Pink Pills a trial. After using two or three boxes I noticed a change, and after taking the Pills about two months I was again enjoying good health, and have since been well and strong. I can confidently recommend Dr. Williams' Pink Pills to all weak and rundown women."

You can get this great blood-building, health restoring medicine from any dealer in drugs, or the Pills will be sent by mail at 50 cents a box or six boxes for $2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

Should a lamp be overturned smother the flame, but do not use water, for it will simply spread it. Instead, throw down flour, sand, garden earth, or salt, any of which will have the desired effect.

A MESSAGE OF HOPE TO WORRIED MOTHERS

There is no other medicine can equal Baby's Own Tablets for the cure of stomach, bowel and teething troubles. They come as a message of hope to worried mothers as they make sickly, peevish, crying children bright and well. And the mother has the guarantee of a government analyst that this medicine contains no opiate or poisonous soothing stuff. Mrs. Maurice Murphy, Glanford, Ont., says:—"I think Baby's Own Tablets the best medicine in the world. I know of nothing that can equal them in curing stomach, bowel and teething troubles." Sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

DOMESTIC.

"Name the domestic animals?" asked the teacher one afternoon, when she was giving her small pupils a quiz.

Philip frowned, sucked his pencil, and then manfully did as he was told.

"The cat, the dog and the hired girl," he wrote in his big, round hand.

LIFE IN GILBERT ISLES.

Effects of Civilization on the Natives.

Some curious effects of civilization are related in a Government report on a visit to the scattered Gilbert Islands in the South Pacific, annexed by Great Britain in 1892, says The London Daily Mail. The results may be summarized as follows:

Advantages: Wars have ceased; the islands are kept in perfect order; extreme poverty is almost unknown; every man is secure in his possession of his piece of land; taxes are light and arouse no complaints; the native police are efficient and the native officials admirably honest; the houses are good, the roads clean, and hospitals have been established.

Disadvantages: Life is extremely monotonous and circumscribed, intercourse between the islands being forbidden; the old Spartan simplicity of living—chiefly on cocoanuts and fish—has vanished, and rice, meat, sugar, and biscuits are consumed; "clothes of shocking shape and atrocious color have almost replaced the picturesque kilt of leaves"; native arts and crafts have rapidly declined; decrease of population has set in and the number of sterile marriages is growing quickly; new diseases have been imported, and there is an alarming increase of phthisis.

The islands are of coral, and the highest land is not more than 20 feet above high-water mark. The natives consume daily about seven cocoanuts per head. They have a Parliament of unpaid members known as kaubure or "talking men," the Gilbert Islanders being, in spite of the scarcity of topics, "the most wonderful talkers in all the South Seas." "The eternal land problem" is the ever-fruitless theme of endless discussion.

A GOOD COUGH MIXTURE.

Simple Home-Made Remedy That is Free From Opiates and Harmful Drugs.

An effective remedy, that will usually break up a cold in twenty-four hours, is easily made by mixing together in a large bottle two ounces of Glycerine, a half-ounce of Virgin Oil of Pine compound pure and eight ounces of pure Whisky. This mixture will cure any cough that is curable, and is not expensive, as it makes enough to last the average family an entire year. Virgin Oil of Pine compound pure is prepared only in the laboratories of the Leach Chemical Co., Cincinnati, Ohio.

CAUTION.

"Lizzie," said the young mistress, "I have been looking into the kitchen, and I am shocked to note your carelessness."

"Carelessness, mum?" says Lizzie. "Well, if there's a cleaner kitchen than this in town, I'll——"

"Oh, it is clean enough, as far as that goes. But this morning I noticed that you are leaving the box of matches right beside the can of gunpowder tea."

INTERESTING.

"You say that psychic research has led you to some interesting discoveries?"

"Yes," answered Mr. Lobrow. "I had no idea before that so many of my ancestors played the tambourine and guitar."

CURED HER KIDNEYS.

Mrs. John Pettigrew, of Central Economy, N.S., was practically helpless from Rheumatism.

She could not stoop, and her limbs ached so that it was torture for her to be up and around the house.

As Mrs. Pettigrew put it, "I was all crippled up. I saw Gin Pills advertised and sent for them, and after taking only two boxes, am a different woman. Gin Pills are the only things that helped me, and I cannot say too much for them."

If you have that dreadful pain in the back—if you are tortured with Rheumatism get Gin Pills at once.

TIME AND MONEY.

If time is money, as they say,
It is surprising strange,
That for a half hour we delay,
To get 2 cents in change.

For Chilblains, Frost Bites, Bruises, Sprains, nothing equals the famous old remedy, Perry Davis' Painkiller. Keep a bottle always on hand. Equally good to check Chills and break up Colds. At all druggists.

SAME HOUSE.

Two wretched-looking tramps were brought before the magistrate.

Addressing the worse-looking of the two, he said:—

"Where do you live"

"Nowhere, sir."

"And where do you live?" addressing the second.

"I've got the room above him, your worship."

English Tourist—"Waiter, bring me some sugar, please." Wild West Waiter—"There ain't but three lumps in the house, captain. You kin have them as soon as them gents gits through with 'em; they've got 'em marked, and they're shaking dice with 'em."

SUFFERED FOR SIX LONG YEARS

THEN DODD'S KIDNEY PILLS CURED MRS. RICHARD'S DIABETES.

Her Rheumatism also Vanished When Dodd's Kidney Pills Put Her Kidneys in Condition to do Their Work.

East Chezzetcook, Halifax Co N. S., Feb. 7.—(Special.)—Cured of Diabetes and Rheumatism from which she had suffered for six years, Mrs. Boniface Richard, well known here, is joyfully telling her neighbors that she owes her health to Dodd's Kidney Pills and to no other cause.

"My Rheumatism and Diabetes were brought on by cold and a strain, and though I was attended by a doctor he could not help me. After suffering for six years I made up my mind to try Dodd's Kidney Pills and to my surprise they did me good almost at once. Two boxes cured me completely. I recommend them to everybody as a cure for Diabetes, Backache and all other Kidney Diseases."

Dodd's Kidney Pills cured Mrs. Richard's Diabetes because Diabetes is a Kidney Disease, and Dodd's Kidney Pills cure all Kidney Diseases. Mrs. Richard's Rheumatism was caused by her diseased Kidneys failing to take the uric acid out of her blood. When her Kidneys were cured they strained the uric acid out of her blood and her Rheumatism vanished.

A LION OF THE LAW.

A short time ago a large factory, fitted with electric light, caught fire, and, in spite of the efforts of the fire brigade, was almost demolished. The following morning, a newly-appointed member of the police-force was dispatched to the spot with a view to ascertaining how the fire originated.

After closely interrogating the manager of the factory, he asked to see the man who was responsible for the electric light. The manager stated that the electric switches were under his sole control.

P.C.—"Then you are the man who lights up the electric affair?"

Manager—"That is so."

P.C.— (bubbling over with excitement)—"Now, be careful how you answer my next question, 'cos if it ain't satisfactory it will be took as evidence against you. When you lighted the electric light last night, where did you throw the match?"

Comfort for the Dyspeptic. — There is no ailment so harassing and exhausting as dyspepsia, which arises from defective action of the stomach and liver, and the victim of it is to be pitied. There are pills that are widely advertised as the greatest ever compounded, but not one of them can rank in value with Parmelee's.

The Best Liver Pill.—The action of the liver is easily disarranged. A sudden chill, undue exposure to the elements, over-indulgence in some favorite food, excess in drinking, are a few of the causes. But whatever may be the cause, Parmelee's Vegetable Pills can be relied upon as the best corrective that can be taken. They are the leading liver pills and they have no superiors among such preparations.

THE COWARDLY EGG.

"And what kind of an egg might that be?" asked a fresh young man.
