New Health and Strength for Weak and Ailing Girls

Can Be Had Through the Rich, Red Blood Made by Dr. Williams' Pink Pills for Pale People.

There comes a time in the life of almost every girl when sickness attacks her. The strain upon her blood supply is too great, and there comes headaches and backaches, loss of appetite, attacks of dizziness and heart palpitation, and a general tendency to a decline. The only thing that can promptly and speedily cure these troubles is Dr. Williams' Pink Pills. This is the only medicine that actually makes new, rich, red blood, and a plentiful supply of rich blood is the one thing needed to maintain the health of growing girls and women of mature years. The truth of this statement is proved in the case of Miss Esther E. Sproule, Trueman ville, N. S., who says: "At the age of sixteen years I left my country home to attend high school. The close confinement and long hours of study nearly broke me down. My blood supply seemed to be deficient, and I grew pale and depressed. I was dizzy nearly all the time, and pimples broke out on my face. I was altogether in a miserable condition and it seemed impossible for me to continue my studies unless I found a speedy cure. I tried several tonics prescribed by the doctor, but they proved useless. My mother urged me to try Dr. Williams' Pink Pills, and I finally consented to do so. I had hardly finished the second box before a change for the better took place, and the use of a few boxes more fully restored my health, and I have since been well and strong. I feel that I cannot say too much in favor of Dr. Williams' Pink Pills and I strongly recommend them to other ailing girls."

You can get these Pills from any medicine dealer or by mail at 50c. a box or six boxes for $2 50 from The Dr. Williams' Medicine Co., Brockville, Ont.

HEALTH FOR BABY COMFORT FOR MOTHER

The mother who has once used Baby's Own Tablets for her children will always use them for the minor ailments that come to all little ones. The Tablets give a guarantee of health to the child and ease and comfort to the mother. They cure all stomach and bowel troubles, destroy worms, break up colds, and make teething easy. Mrs. H. Lavoie, St. Felicite, Que., says:—"I have used Baby's Own Tablets for indigestion, constipation and other troubles with perfect results. I think so much of the Tablets that I use no other medicine for my children." Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"I have known better days, lady," began Fated James. "Yes, it's a wretched morning, so cold," replied the farmer's wife. "But I've got no time to discuss the weather with you, bad as it is." And she shut the door and left him.

Missionaries in All Lands are friends of Painkiller. Hundreds of letters testify to the fact. For accidents and sudden emergencies, such as sprains, cuts and bruises, they find it invaluable. Avoid substitutes, there is but one "Painkiller", —Perry Davis'—25c and 50c.

"I am so glad your sister enjoyed her visit to us, Mr. Smith." "Oh, well, she is the sort of girl who can enjoy herself anywhere, you know."

Month After Month a cold sticks, and seems to tear holes in your throat. Are you aware that even a stubborn and long neglected cold is cured with Allen's Lung Balsam?

Before I began using Gin Pills my back ached so much that I could not put on my shoes, but after taking three boxes of Gin Pils these troubles are all gone. It is a pleasure for me to add one more testimonial to the grand reputation of 'Gin Pills.'"

SMART DIPLOMACY.

Prince Jaisingrao, the son of the Gaekwar of Baroda, denied in New York recently that his father had said he found American women ugly.

"My father," said the young man, "is too adroit to make such a remark as that. Even if he thought it—and he doesn't—he wouldn't dream of saying it. He is too adroit. Listen.

"Once my father attended a Christmas ball at an English country house. He was introduced to a woman whose name he did not catch, and he asked her to dance with him. As they danced in the ballroom, hung with mistletoe and holly, my father saw an officer who had once deceived him in India.

"'Do you see that man over there?' said my father to his pretty partner, 'Well, if there's one man in the world I hate, it's he.'

"'Yes?' said the woman. 'That's my husband.'

"'Yes,' said my adroit father. 'Yes, of course. That's why I hate him.'"

COUGHING BURST BLOOD VESSEL.

Says Danger Avoided and Cures Coughs in 5 Hours.

A writer for the medical press states that coughing is responsible for the bursting of blood vessels quite frequently. A cough or cold means inflammation (fever) and congestion, and these in turn indicate that the body is full of poisons and waste matter. Simple relief, as found in patent cough medicines, and whiskey, often result in more harm than good; as they cause more congestion. A tonic-laxative cough syrup will work marvels and here follows a prescription which is becoming famous for its prompt relief and thorough cures. It rids the system of the cause, except it be consumption. Don't wait for consumption to grasp its victim, but begin this treatment, which cures some in five hours. Mix in a bottle one-half ounce fluid wild cherry bark, one ounce compound essence cardiol and three ounces syrup white pine compound. Take twenty drops every half hour for four hours. Then one-half to one teaspoonful three or four times a day. Give children less according to age.

A SENSIBLE MAN.

"I suppose," said the poor but otherwise truthful young man, cautiously feeling his way, "that you wouldn't be satisfied with love in a cottage?"

"Why not?" queried the fair maid. "I'm sure I'd rather marry the right man with an income of only $5,000 a year than a millionaire I didn't love."

And, having sense enough to see there was nothing doing in his line, the young man quickly faded away.

GERMAN SAVINGS DEPOSITS.

Some striking indications of the German workingmen's prosperity are contained in the Prussian savings bank statistics. The deposits in the kingdom, which comprises only two-thirds of the empire, totaled $2,393,250,000 at the end of 1905. Deposits during that year were $112,500,000 more than in 1907, and the excess of deposits over withdrawals amounted to $30,000,000. The greatest increase of deposits over withdrawals was registered in the heart of industrial Germany, the Rhine province and Westphalia contributing $19,750,000 and $15,000,000 respectively.

STONEWALL'S BRIDGE-BUILDER.

"Stonewall Jackson," said an old Army veteran, "used to tell a story about a bridge-builder.

"This bridge-builder was called old Miles. He was very necessary to Jackson because the flimsy bridges on the line of march were continually being swept away by the floods or destroyed by the enemy; and in these contingencies Miles was a regular jewel. He could run up a bridge in the time it would take another man to make the measurements.

"One day the Union troops burned a bridge across the Shenandoah. Stonewall Jackson called old Miles to him and said:

"'You must put all your men to work, Miles, and you must keep them at it all night, for I've got to have a bridge across this stream by morning. My engineer will draw up the plans for you.'

"Well, early next morning Jackson, very much worried, met old Miles.

"'See here,' he said, dubiously; 'how about that bridge? Did the engineer give you the plan?'

"Old Miles took the cigar from his mouth and flicked the ash off with a sneer.

"'General,' he said, 'the bridge is done. I dunno whether the picter is or not.'"

A LITTLE COLD.

He caught a little cold—
That was all.
So the neighbors sadly said,
As they gathered round his bed,
When they heard that he was dead.

He caught a little cold—
That was all. (Puck.)

Neglect of a cough or cold often leads to serious trouble. To break up a cold in twenty-four hours and cure any cough that is curable, mix two ounces of Glycerine, a half ounce of Virgin Oil of Pine compound pure and eight ounces of pure Whisky. Take a teaspoonful every four hours. You can buy these at any good drug store and easily mix them in a large bottle.

If a cough makes your nights sleepless and weary, it will worry you a good deal, and with good cause. To dispel the worry and give yourself rest try Bickle's Anti-Consumptive Syrup. It exerts a soothing influence on the air passages and allays the irritation that leads to inflammation. It will subdue the most stubborn cough or cold, and eventually eradicate it from the system, as a trial of it will prove to you.

The Real Liver Pill.—A torpid liver means a disordered system, mental depression, lassitude and in the end, if care be not taken, a chronic state of debility. The very best medicine to arouse the liver to healthy action is Parmelee's Vegetable Pills. They are compounded of purely vegetable substances of careful selection and no other pills have their fine qualities. They do not gripe or pain and they are agreeable to the most sensitive stomach.

Trial Proves Its Excellence.—The best testimonial one can have of the virtue of Dr. Thomas' Eclectric Oil in the treatment of bodily pains, coughs, colds and affections of the respiratory organs, is a trial of it. If not found the sovereign remedy it is reputed to be, then it may be rejected as useless, and all that has been said in its praise denounced as untruthful.

INJURIES & SKIN SORES—QUICK CURE.

A little child ran crying to her mother the other day with a nasty flesh wound *and asked for Zam-Buk.*

There lies a more powerful argument for Zam-Buk than even the scientists can bring. The child had had Zam-Buk before, and *knew* it eased pain and healed.

Zam-Buk works in two directions. Prevents worse results from a skin injury or skin disease (such as festering and blood poisoning) while it repairs the damage already done. Zam-Buk is entirely herbal, is pure, contains no trace of animal fat or mineral coloring. Surest and quickest known healer.

FATHER AND SON BENEFIT FROM USE OF THIS BALM.

Mr. Walter Adams, 177 Railway Ave., Stratford, says:—"My son, William, while playing barefooted about the back yard, cut his little toe on the sharp edge of a piece of tin. The toe was cut at the first joint, and almost severed from the foot. My wife hurriedly bathed it with warm water, afterwards applying some lint thickly spread with Zam-Buk. The healing balm quickly checked the flow of blood, eased and soothed the pain, and prevented inflammation and more serious results. In a few weeks Zam-Buk healed the wound so nicely that my son was able once more to go about, and also to wear his shoes without the slightest inconvenience. Not only is Zam-Buk valuable for wounds and cuts, but, used as an embrocation, I have also found it effective for rheumatic pains."

Zam-Buk cures cuts, burns, eczema, ringworm, ulcers, split cracks, and all skin diseases. Druggists and stores, 50c box, or post free from Zam-Buk Co., Toronto, for price.
