Cream

Since we are approacring the peak of cream production and the warm weather, we advise our patrons to deliver their cream at least twice a week and eceive the highest returns. We are paying 2 cents above truck prices for delivered cream, so why not deliver your cream to the Flesherton Creamery, where you are guaranteed service and highest market prices for your prodcct.

Now trat the Egg production is falling off, we advise you to cull your flock and market those hens that are not laying, and cut down your feed expenses. We are paying top market prices for fowl, either alive or dressed.
