For sixty years the prayer "God save the Queen" has been welling up from honest hearts, and who will say that the prayer has not been answered?

We believe the county council did a wise thing when it set apart a few dollars last week to assist in testing the possilbilities of beet raising for the purpose of sugar manufacture in this county. As one gentleman remarked, we cannot afford just now to treat with indifference the possibility of adding new sources of income to the farming community. We clip an item elsewhere from an Owen Sound paper showing that German capitalists are prepared to invest in the industry here if it is demonstrated that our soil is suitable for production of the sugar beet and if sufficient co-operation amongst the farmers can be obtained. A test of quality will be made this coming fall.

Jubilee in Flesherton

Jubilee day in Flesherton was a day long to be remembered by some 350 schoolchildren from the various schools in this district. The weather was all that could be desired. It was not too warm not yet too cool, and a refreshing breeze brought the temperature just to the proper point for thorough enjoyment. The program as announced last week was faithfully carried out. The children gathered from all quarters after dinner, wending their way to the Town Hall, where baskets were stowed away and badges and flags handed out. Principal Blakeston of Priceville school headed the list of visitors with over 100 pupils, and Mr. Reid of Wright's school came next with over 60. Flesherton Station, Stone's, the 4th line school, Orange Valley and Eugenia were also represented. Shortly after 2 o'clock the children were formed in line, and headed by the band marched through the principal streets to the park, where a commodious stand and plenty of seating room had been arranged. The children were an inspiring sight as they marched through the town, marshalled by their teachers and Corporal Hales, with banners and flags in plentiful supply fluttering in the breeze. Dominie Reid had his brigade thorougly drilled, and they were the subjects of much flattering comment.

TWO LITTLE HEROES

As an evidence of the extreme interest which the children took in this event let us relate an incident which came under our own observation. Just after the procession had started, two little way-worn travellers entered town and inquired the way to the Town Hall. The lads were probably 13 and 11 years old respectively. Inquiries elicited the fact that they were from Priceville, had been left by the vehicles which brought the school over, and had actually walked, or probaby ran, the whole five miles in order to be in the procession. They were given badges and joined their school while passing the square, happy, and proud but tired. This was a case of grit such as is seldom encountered, and the boys deserve to have their names made public, but unfortunately we have been unable to learn them. But it is just such dogged perseverance as this that has made Grert Britain what she is to-day.

Upon arriving at the park all hands were treated to lemonade, after which Mr. W. J. Blakeston of Priceville was called to the chair. The National Anthem was sung, after which the chairman made a short address, after which he read the following telegram, which had just been received:

Government House, Ottawa, June 22, 1897

To His Honor the Lieutenant Governor Toronto, Ont.

RIDEAU HALL, Ottawa, 6:20 a. m.—Best greetings. I have just received the following from Buckingham Palace, London, June 22:

To the Governor General of Canada: From my heart I thank my beloved people. May God bless them. (Sgd.) VICTORIA REGINA.

The following is a copy of the reply now sent to the Queen:

Ottawa, Tuesday, 6.12 a.m.

TO THE QUEEN, London.—The Queen's most gracious and touching message this moment received. Shall be immediately made known to your majesty's people throughout the Dominion and will stir afresh hearts already full on this, this memorable day. We offer the glad tribute of loyal devotion and affectionate homage. God save and bless the Queen.

(Sgd.) ABERDEEN, Governor-General

The remainder of the program was as follows: Singing by the children, speeches by Dr. Christoe, Revs. Mahan, Thom and Humphries, with an excellent recitation—"The Flag" by Miss Edith Jones of Priceville. Baskets were then produced and an excellent picnic indulged in in the beautiful shady grove, after which large numbers departed for their homes.

After dark a fine display of fireworks was given from the school house hill.

And thus ended the celebration in Flesherton of the 60th anniversay of her majesty's accession to the throne of England, Ireland and Scotland.

A Warning

To the Editor of The Advance.

DEAR SIR,—As it has been frequently noticed of late that small boys, and even some that are not small, have been in the habit of sailing round in the boat during the daytime on the mill pond in this village, before and after bathing, without either bathing suits or other clothing on, to the shame and digrace of themselves and passers along the highway or near said pond; and also that some of the boys and others have been in the habit of interfering with, and breaking windows in the drill shed, and entering the same and disturbing and removing private property stowed therein, and also pulling and breaking boards off fences and buildings on Mr. Flesher's premises and other adjoining premises, this is to notify all such to at once cease any and all such conduct and depredations, for if not stopped all such will be summoned to appear before the proper authorities to answer for their conduct.

ONE IN AUTHORITY.

Married.

BENTHAM—PAUL—At the residence of W. H. Thurston, Flesherton, on Tuesday. June 22nd, by the Rev. John Mahan, Mr. Richard Bentham, Jr., Flesherton, to Miss Maggie J. Paul, eldest daughter of Mr. Elijah Paul, Eugenia.

Epping

From our own Correspondnt.

We are having very cool weather at present.

A very sad accident happened to Mr. Wm. Clark. While working in a gravel pit he had the misfortune to break his leg. Dr. Bennett is in attendance and Mr. Clark is getting along as well as can be expected.

Miss Jossie Ball, Mrs. John Mathewson and children, spent a week with friends at Mount Pleasant.

Miss Mabel Clark and Miss Pepper of Heathcote spent a day at Epping last week.

Mr. Hugh Gilray of Toronto spent a few days with his grandfather, Mr. R Gilray.

George Livingstone of Glen Huron attempted to jump off a moving train and broke his leg above the knee.

Michaell Brennan of Bentinck became deranged, left his home and has not been heard from since.

Mr. Zolburn of Cologne, Germany, accompanied by Mr. W. H. Lauder, of Whitby, was in town last week and while here conferred with President Thompson and other members of the Owen Sound Beet Sugar Manufacturing Co. Mr. Zolburn is a beet sugar expert and has been engagéd in laying out plans and superintending construction of sugar factories in the United States. The president has been making an effort to interest German capitalists in the proposed factory here, and Mr. Zolburn's visit should have an important influence in this direction. With a view to securing capital, the company is putting out 1500 pounds of beet seed amongst 400 farmers in this section. When the crop is harvested, more accurate data will be obtainable as to the tonnage to the acre, and it can also be determined whether the high percentage of sugar found in the few samples previously analyzed holds good for the larger number.—Owen Sound Sun.

Farm and Mill Site for Sale
