The Osprey Agl. Socy. have decided to take up the the field crop competition as provided for by the Department of Agriculture and have selected oats as choice of grain to be competed for. Following are the rules and regulations regarding this competition:

Having in view the excellent results obtained in 1907 and 1908 in stimultating a greater interest in the production of better seed grain, Agricultural Societies will again be assisted in the holding of competitions in standing field crops during 1909 under the following regulations:

1. NATURE OF COMPETITION. Competitions will be limited to one crop, to be selected by the society, which should be the one of most importance to the farmers of the district. Entries for competition must consist of not less than five acres, and when beans and potatoes are entered, the minimum plot must not be less than one acre.

Selection must be made from the following crops, viz., Spring Fall or Goose Wheat, oats, barley, rye, corn, peas, alsike clover, red clover, potatoes, beans or any other staple crop produced for seed in Ontario.

4. An amount of not less than $50 must be offered in prizes by each society, to be divided as follows: $15, $12, $10 $8, and $5. Of the above amount the Ontario Department of Agriculture will contribute $30. The balance is to be contributed by the society, and this $20 can be counted as expenditure for agricultural purposes in the yearly financial statement.

Judges. The Ontario Department of Agriculture will furnish expert judges free of charge.

GRAIN EXHIBIT AT WINTER FAIRS. Large prizes will be offered by the Department for two bushel sacks of grain at both Guelph and Ottawa Winter Fairs, the competition for which will be confined to prize winners in the Standing Field Crop Competitions. Full particulars will be furnished later to the prize winners.

SHEAF EXHIBIT. In addition to the above, arrangements have been made with the Directors of the Canadian National Exhibition, to be held in Toronto August 18th to September 13th, to donate $240 in prizes for a sheaf exhibit of grain from the fields, the owners of which were awarded prizes in the Standing Field Crop Competitions. For this Sheaf Exhibit the Province has been divided into three districts and prizes amounting to $80 will be awarded to competitors in each of the three divisions mentioned below for the following kinds of grain:—First Prize $6, Second $5, Third $4, Fourth $3, Fifth $2.

DIVISION. 1. Includes Muskoka, Parry Sound, Haliburton, Nipissing, Manitoulin, Algoma and other districts in New Ontario.

DIVISION 2. All counties east of York and Simcoe.

DIVISION 3. York, Simcoe and all counties west and south-west of same.

Walked 2 Miles in his Sleep

Robbie Smith, the eight-year-old son of James Smith, Lanark township, got up in his sleep about 2.30 the other morning, placed a chair to the kitchen window and effected his exit from the house by breaking the window pane. He walked about two miles in his bare feet with only a nightshirt on, and in this condition reached the home of John McKittrick, where he knocked at the door and was admitted. It was a case of combined somnambulism and nightmare. He had been ill with the grippe, and at the time he got up he fancied robbers were about the house, that he was alone, and it was up to him to get out of the way as quickly as possible. The crashing of glass awakened his father.

Father Morriscy's Remedies

Now on Sale in Ontario

When Father Morriscy, the famous priest-physician of Bartibogue, N. B., died a year ago last spring, he left his prescriptions to the Sisters of the Hotel Dieu, at Chatham, to be used for the benefit of humanity and of the church.

Not being in position to make up and distribute the prescriptions themselves, the Sisters arranged with a number of gentlemen, who had been Father Morriscy's friends, to do it for them. These gentlemen working under the name of the "Father Morriscy Medicine Co., Limited," had by the first of the year placed the remedies in nearly every store in the Maritime Provinces.

So gladly were they received, and so satisfactory has been their record of cures, that the Sisters and the Company have decided to place them on sale throughout Canada.

Father Morriscy's "No. 7", for Rheumatism and the Kidneys—"No. 10", Cough Cure and Lung Tonic—"No. 11", Stomach Remedy—"No. 26", for Catarrh, and a "Father Morriscy's Liniment"—can now be obtained from most dealers in this Province. If yours does not keep them write the Father Morriscy Medicine Co., Limited, Montreal, Que.
