Catarrhozone

Cures Permanently

BRONCHITIS, COUGHS, COLDS, ASTHMA, CATARRH

Throw medicine to the dogs. At best they are unpleasant, often useless. You are suffering from some disease of the throat, nose, or lungs. Doctors call it Bronchitis, Asthma, or Catarrh, or it is a slight or severe cold. Germs cause these diseases—they have a common root.

Catarrhozone destroys disease germs, but it does more, it heals disease tissue.

CATARRHOZONE is little drops of healing carried by air to the exact place where Catarrh exists. Observe, Catarrhozone not only destroys the cause, but immediately repairs the result of diseased condition.

Catarrhozone means little drops of healing carried by air and placed over the lungs, throat, and nasal passages.

Catarrhozone is endorsed by doctors, druggists, and by thousands of Canadian people who have used it.

Catarrhozone

Yes, Sir, it is taken in air.

"Little drops of healing" carried by air to weak places in the lungs, throat, and nasal passages.

Three sizes: 25c, 50c, and $1.00, at druggists, or by mail postpaid from The Catarrhozone Co., Buffalo, N. Y. and Kingston, Ont.
