Deathly Cramps, Stomach was Bloated

A Bad Case That Proves Cramps and Stomach Disorders are Cured Fast by Nerviline.

"The distress I suffered from cramps last summer was so severe I thought it meant death," writes P. R. Emerson, of Guys Hill, P. O. "I was doubled up with pain and in such bad shape I couldn't walk a hundred feet. I remembered having Nerviline on hand and took half a teaspoonful in sweetened water. In five minutes I was well and my stomach derangements disappeared entirely."

NERVILINE

Ontario's 1910 Lumber Cut

Ontario still produces a little over one-third of the quantity of the lumber cut annually in Canada, but its annual cut, while increasing, is increasing more slowly each year. Ontario's 1909 cut was seventeen per cent. greater than in 1908; its 1910 cut was only seven and five-tenths per cent. more than in 1909. The Forestry branch of the Department of the Interior has compiled statistics showing that 1,642,191,000 feet of lumber worth $30,011,000 was cut in Ontario during 1915, but that British Columbia will be Canada's premier lumber province in a short time. The diversified forests of Ontario have enabled this province to hold its supremacy up to the present, as illustrated in 1910, when the chief cut of seventeen species came from Ontario. White pine to the value of $17,743,074 came from Ontario forests and formed 85 per cent of Canada's white pine cut. Nearly half of the hemlock cut in Canada in 1910 was cut in Ontario as was over 90 per cent. of the red pine. Ontario contributed over 70 per cent. of the hardwoods. Of the total made up by 23 species cut in Ontario, over one-half was white pine. Red pine contributed 10 per cent., hemlock 12 per cent., leaving 25 per cent. to be equally divided among the hardwoods and less important conifers. To arrive at the correct amount cut by lumber mills of Ontario in 1910, there must be added to the above lumber cut, 1,976,000,000 shingles worth $3,557, 211 and 851,953,000 lath worth $1,943, 544.

The Children up in Heaven.

"And the streets of the city shall be full of boys and girls playing in the streets thereof."—Zechariah 8-8.

"Oh, what do you think the angels say?"
Said the children up in heaven;
"There's a dear little girl coming home to-day,
She's almost ready to fly away
From the earth we used to live in;
Let's go and open the gates of pearl,
Open them wide for the new little girl,"
Said the children up in heaven.

"God wanted her where his little ones meet,"
Said the children up in heaven;
"She shall play with us in the golden street.
She has grown too fair, she has grown to sweet,
For the earth we used to live in.
She needed the sunshine, the dear little girl,
That gildes this side of the gates of pearl,"
Said the children up in heaven.

"So the King called down from that angels' dome,"
Said the children up in heaven.
"My little darling arise and come,
To the place prepared in the Father's home,
The home the children live in;
Let's go and watch the gates of pearl,
Ready to welcome the new little girl,"
Said the children up in heaven.

"Far down on the earth do you hear them weep"?
Said the children up in heaven.
"For the dear little girl has gone to sleep;
The shadows fall, and the night clouds sweep
O'er the earth we used to live in.
But we'll go and open the gates of pearl!
Oh, why do they weep for their dear little girl?"
Said the children up in heaven.

"Fly with her quickly, O angels dear,
Said the children up in heaven;
"See—she is coming! Look there! Look there!
At the jasper light on her sunny hair,
Where the veiling clouds are riven!"
Ah! hush, hush, hush! All the swift wings furl!
For the King Himself at the gates of pearl,
Is taking her hand, dear, tired little girl,
And is leading her into hnaven.
—Scrap Book.

He left Toronto for Kingston on Saturday morning in charge of the sheriff's officers, accompanied by other prisoners.

Gas Distended His Stomach

Caused Palpitation, and Prevented Sleep—When Health Was Gone, Cure Followed Use of "Nerviline."

"[illegible] as I wish will be," writes Harry P. Pellard, [illegible] known boot and shoe traveler, [illegible] rd, "that everyone with a bad stomach may learn as I did, before it's too late, that Nerviline is the one remedy to cure. Why, I was in mighty bad shape, my digestion was all wrong, and every night I would waken with a start and find my heart jumping like a threshing machine. This was caused by gas on my stomach pressing against my heart. When I started to use Nerviline I got better mighty fast. It is certainly a grand remedy for the traveling man, keeps your stomach in order, cures cramps, prevents lumbago or rheumatism, breaks up chest colds and sore throat—in fact there hasn't been an ache or pain inside or outside for the past two years that I haven't cured with Nerviline. Do you wonder I recommend it?"

Testimonial No. 4890

For general household use Nerviline has no equal; it will cure the aches and ailments of the entire family—refuse anything but Nerviline. 50c per bottle, trial size 25c, all dealers or The Catarrhozone Co., Kingston, Ont.

NERVOUS DEBILITY

OUR NEW METHOD TREATMENT will cure you and make a man of you. Under its influence the brain becomes active, the blood purified so that all pimples, blotches and ulcers heal up; the nerves become strong as steel, so that nervousness, bashfulness and despondency disappear; the eyes become bright, the face full and clear, energy returns to the body, and the moral, physical and mental systems are invigorated; all drains cease—no more vital waste from the system. You feel yourself a man and know marriage cannot be a failure. Don't let quacks and fakirs rob you of your hard earned dollars.

THREATENED WITH PARALYSIS

BEFORE TREATMENT

Peter E. Summers relates his experience: "I was troubled with Nervous Debility for many years. I lay it to indiscretion and excesses in youth. I became very despondent and didn't care whether I worked or not. I imagined everybody who looked at me guessed my secret. Imaginative dreams at night weakened me—my back ached, had pains in the back of my head, hands and feet were cold, tired in the morning, poor appetite, fingers were shaky, eyes blurred, hair loose, memory poor, etc. Numbness in the fingers set in and the doctor told me he feared paralysis. I took all kinds of medicines and tried many first-class physicians, wore an electric belt for three months, but received little benefit. I was induced to consult Drs. Kennedy & Kennedy, though I had lost all faith in doctors. Like a drowning man I commenced the New Method Treatment and it saved my life. The improvement was like magic—I could feel the vigor going through the nerves. I was cured mentally and physically. I have sent them many patients and continue to do so.
