

Flt. Sgt. McEvoy Loses Life in Air Operations

*Recommended For D.F.M. Com-
mission As A P.O. Had Gone
Through*

In a brief telephone conversation today, Mrs. Ross Curtis informed the Post that her brother, Flt.-Sgt. Don McEvoy, Glenelg St., had lost his life in air operations over Germany on June 11. Previously he had been reported missing.

Word was also received that the young gairman had been recommen-

ded for Distinguished Flying Medal and also that his commission as a Pilot Officer had gone through.

He had completed 21 air operations and had four enemy aircraft to his credit.

A parachute jump of four miles made him a member of the Caterpillar Club. He joined the Air Force in May, 1942 going overseas in August, 1943.

The sympathy of the community is extended to his many friends and relatives.
