Public Guarantee

That most beautiful picture, entitled "Home Again," has brought such an enormous amount of new subscriptions to The Family Herald and Weekly Star, that the publishers are finding it impossible to keep up with the filling of orders, but in the columns of that paper this week we notice a positive guarantee from the publishers that every subscriber to that great weekly for 1912 will receive a copy of the picture, "Home Again." Their guarantee is sufficient and subscribers need not feel anxious although the picture may be delayed for a few weeks. Those who have not yet subscribed to The Family Herald and Weekly Star should do so at once and make sure of having a copy of the picture "Home Again." We learn that the publishers are contemplating something for next season that will make this picture even more valuable than at present. One dollar pays for a full year's subscription to the paper, and the picture.

Catarrhal Deafness

Successfully Treated By

Catarrhozone

Deafness is not so common as blindness, yet thousands are more o less afflicted by it, and their comfort seriously interfered with.

Catarrhal deafness manifests itself but slowly, yet it must be acknowledged that the great majority of those who become totally deaf might have averted this unfortunate condition if they had treated the catarrhal inflammation at its beginning.

The only remedy that can be safely employed for all forms of catarrhal deafness is Catarrhozone. You simply charge the air you breathe with this healing, soothing agent, and by forcing it gently through the ears destroy the germ life which keeps up the inflammation, and at the same time by the soothing, healing action it heals the inflamed surfaces of the middle ear.

CATARRHOZONE, to those who are just a little deaf, and are growing increasingly deaf, is an agent capable of affording the utmost satisfaction, and its use is attended without danger, and as the treatment can be carried on at home no person threatened with the affliction of deafness should postpone one moment in beginning its use.

From every part of the Dominion glowing accounts of the beneficial action it exerts upon catarrhal conditions of the middle ear have been sent in, and you will be resorting to the only method of cure, and the simplest method too, if you try Catarrhozone. Dealers everywhere sell it, 25c, 50c, and $1.00. By mail from The Catarrhozone Co., Buffalo, N. Y., and Kingston, Ont.
