Acute Dyspepsia

Restoration of Stomach Power Comes Quickly With the Right Medicine.

"My food seemed to decompose in my stomach," writes Mr. Ralph Clemmons, of Newbridge, P.O. "I had a stomach that failed in some way to perform its work. Digestion seemed more or less arrested and I grew thin, yellow, nervous. The stomach became distended and impeded apparently the action of the heart, for often at night it would do great stunts. At times I would vomit a mucous mass, and at these times my head ached most terribly. A friend, who had been cured of a similar condition, advised me to take Dr. Hamilton's Pills regularly, which I did. The result in my case was simply marvelous. Dr. Hamilton's Pills removed the cause, strengthened the stomach, excited the liver to normal action, the kidneys were released of excessive work. Health soon glowed within me. I can now eat, sleep, and live like a live man."

Be advised—Use Dr. Hamilton's Pills—they are sure to do you good. 25c per box, at all dealers, or The Catarrhozone Co., Kingston, Canada.
