Kimberley

From Our Own Correspondent.

Your cor. has had the pleasure of visiting many of the orchards in this neighborhood and would like to tell of the great abundance of plums and grapes there is in the valley, he is afraid that even if he were to write his descripton in the most modest language outsiders would think it savored of the "Klondyke Lyre" style of literature.

Kimberley school is gaining quite a reputation, and is consequently attracting pupils from a distance. The latest addition is Miss L. Cooper, who intends taking the primary course here. There are few village schools that attempt this work at all, so we may congratulate ourselves that in school matters we are ambitious.

A large number of friends assembed at the home of Mr. and Mrs. Christie Knott on Tuesday evening to witness the marriage of their daughter Jennie, to Mr. Robert Stewart of this village. After the ceermony the young couple left for Markdale, where they took the train south to visit Toronto and other points. Mr. and Mrs. Stewart are both very popular in our village, and your cor. feels glad that we are not to lose them from our midst as they are to reside in Kimberley.

Mr. A. B. Bell left last week for Dakota, where he will be joined by his family in a few weeks. We wish Mr. Bell and family the best of success in his new home.

Miss Myrtle Thurston, who has been visiting in Chicago and Toronto for the past six months, returned home last week.

Mr. and Mrs. Geo. Walter are visiting at "The Traveller's Home."

Mr. Geo, Pentland is spending the week in our village. Your cor., and others, had an opportunity to offer him congratulation on his success at the late examination, where he obtained his first class certificate.

Miss Frazer of Orillia was the guest of Mrs. Jas Thurston on Saturday.

Miss Ida Christie of Owen Sound is the guest of her cousin, Mrs. Albert Myles.

Miss Mary Barker is spending a few weeks with Mrs. John O'Brien of third line.

Born—On Friday, the 3rd inst., to Mr. and Mrs. Donald Wallace, a son.

Born—On Thursday, the 2nd inst, to Mr. and Mrs. T. Hawkins, a daughter.

Lady Bank

From our own Correspondnt.

The fine weather of the past week has brought a pleasant smile to the farmers' faces.

The S. A. of this place held an entertainment on the evening of Friday last. The principal amusement was from the phonograph which Captains Cummins displayed. A fine selection of vocal and instrumental music was give.

Mrs. Hemphill of this place has been visiting friends at Flesherton Station during the past week.

Your correspondent while travelling through Flesherton Station lately, was rather surprised to note the tone of respectability the place has put on. Why! just think of it! Dave Madill has had a man hauled up for using profane language.

The teachers and pupils of the Mount Zion Sabbath school are at present making great preparations for an entertainment, which they purpose holding in the near future.

Harvesting is the order of the day here at present. The click of the binder can be heard on almost every farm. If the present fine weather holds out the good harvest will soon be safely housed;

At present there is a large band of gipsies camped in the bush opposite Mr. Kenny's farm, which seems to be the centre of attraction at present, that is, judging from the crowds which accumulate there in the evenings.

Eugenia.

From our own Correspondent

Harvesting is pretty well advanced in this locality. Peas are not up to the standard of other years, owing to the wet weather. Other crops are good. Potatoes in some places are rotting with the blight, but the crop if saved is generally good.

A large number of our citizens are in Toronto taking in the exhibition and in other ways being taken in.

The Presbyterian church will soon be completed and ready to worship in. Sunday last was communion here. A large number was present and a good many male members were added to the church roll.

Mr. Thomas Suggitt has gone on the harvest excursion to the Northwest. All our Eugenia boys went to Qu'Appelle Station.

Miss Whitford of Normanby is the guest of her cousin, Miss Lizzie Cameron, of Salem.

We are pleased to welcome home Mr. Willie Bell from Calgary, where he went for his health. The trip has done him good.

We are sorry to say that Mr. Smalley and Mr. John Armstong still remain on the sick list.

Priceville

From our own Correspondent

A meeting of the congregation of the Presbyterian church was held last Monday evening to consider the advisability of uniting with the Swinton Park appointment. Other church matters were also discussed. The Revs. Mr. Harrison of Dundalk, and Dr. McRobbie of Shelburne were present.

A miniature stack appeared as if by magic la t Saturday afternoon in a field near the river. An upturned wagon, etc., explained matters. Poor Tom gets the blame for the catastrophe, but we are of the opinion that Alex. had something to do with it. Nobody hurt.

The weather of the past week has been all that could be desired, and everybody is wearing a pleased smile. Ten days more of similar climatic conditions would place the great bulk of the crop out of harm's way. Now for good prices for oats and the reign of prosperity has begun.

Mr. John Aussem is having his house veneered with brick. Mr. Hector McLean has the contract.

Mr. J. D. Brown of Dundalk spent Sunday with fridnds in this burg.

Misses M. Derby and Emma Johnston spent a part of last and this week viewing the styles of the exhibition.
