LOCAL & OTHER NOTICES.

STORMY weather.

SLEIGHING getting good.

GLENELG Council meets to-day.

TAM O'Shanter caps are all the go.

MR. McFARLAND shipped over a ton poultry on Wednesday last.

CALL and see our 25 cent packages stationery, &c. The cheapest in town.

MESSRS. C. W. & A. Speers shipped from this place last week, over 60 head of cattle for the English Markets.

PERSONS desiring a change in advertisement will please hand it in not later than noon on Wednesday's.

The Wingham by-law for a bonus of $12,500 in aid of the T. G. & B. R. extension was carried by a majority of 116.

JOHN Fair P. L. S. will be at Markdale on Monday next, any person requiring his services will find him at John Reid's.

PERSONS wishing to get a good weekly city paper should read the advertisement of the Hamilton *Spectator* in another column.

IF you have lost, found, or want anything announce it through the columns of the STANDARD. It is the best medium in the county.

A SPECIAL meeting of L. O. L. No. 1045 will be held in the Orange Hall, Markdale, on Wednesday the 1st of December; for the purpose of conferring the Royal Arch degree.

SPECIAL.—Next Sabbath the Rev. C. C. Garnett will (D. V.) preach in the Orange Hall at 10:30; subject "epidemics their cause and cure from a Bible stand point."

PERSONS requiring the services of Mr. J. J. White, Dentist, will please remember he will be at the Revere Hotel, Markdale, on Wednesday next 24th inst.

EVERY business man should have his name and address printed on the envelopes he uses. Call at the STANDARD office and you will be astonished how cheap we can do them.

ON the 9th inst. the remains of Hugh Rutledge, who died in the year 1862 being the first death that occurred in this locality after it was first settled, were removed from their late resting place to the C. M. Cemetry.

POSTMASTERS.—Where the STANDARD is not called for, the P. M's will please destribute the papers to whom they please, and not return them, but send us a card with the names of those to whom they are addressed.

COME OUT IN THE LIGHT!—But Wilcox has some of those Illuminated Dial Watches, that you can see the time on without a light of any kind—if it is as dark as the face of a most modern improved mother-in-law. Don't forget to see them! (We mean the Watches.)

VENNOR's summer weather for this month is a myth. We have instead several inches of snow, and the merry jingle of the sleigh bells is heard instead of the rumble of the waggon. Vennor had better "let up" on the prophesying "biz" and let some one else try his hand at it.

SENSIBLE.—A sensible exchange says:—"Fence board advertisements are well enough, but if you want to purchase an article it is more convenient to look through the columns of a newspaper to see who has it for sale, than it is to 'hook up' a team and drive around the country reading fence signs."

WE beg to inform those parties to whom the STANDARD has been sent free the past four weeks in Proton and Melancthon, that the time expires next issue. If any wish to continue the paper they will please send in their names next week. By subscribing now you get the balance of this year free. To clubs of five and over we will give the paper for $1 each, cash in advance.

CHANGES in the advertisements have been handed in by Messrs. Hogg of Flesherton Station, Doll of Flesherton, and McIntyre and Benson of Markdale. Pressure of other business and the late hour at which we received them will prevent their appearance this week. They will appear in our next; look out for them, they are worth reading.

WE have been informed that after the social in Dufferin Hall the other evening, some miscreants took the staple off the door and went in and helped themselves to the good things left in the hall, and not content with that, committed other depredations about the premises. Now boys just a word of advice, it is a long lane that has no turn, and the turn will soon come, so you had better stop for good nature is almost exhausted and a visit to the J. P. will be unpleasant.

WE have made arrangements with the *Globe* Printing Company to club the *Weekly Globe* with the STANDARD. Persons wishing to obtain it save 75c. on the subscription price by calling on us as we will furnish the STANDARD and the *Weekly Globe* for $2.50, cash, to the end of 1881, subscribers will thereby receive both papers for the balance of this year FREE. Each subscriber will also receive, about the first of the year, *gratis* a fine steel engraving of the late Hon. Geo. Brown, 14x20 inches, got up in the very best style of modern art which alone is worth more than the subscription price.

EVERY family, without exception, in City, Village, and Country, will find it highly useful to constantly read the *American Agriculturist*. It abounds in *plain, practical, reliable* information, most valuable for in-door as well as out-door work and comfort, and its 800 to 1,000 original engravings in every volume are both pleasing and instructive. In this respect it is preeminent and stands alone, and it should have a place in every household, no matter how many other journals are taken. Its illustrated Department for youth and children contains much information as well as amusement. Its humbug exposures are invaluable to all classes. The cost is very low, only $1.50 from now to the end of 1881, or four copies for $5. Single numbers, 15 cents. One specimen, 6 cents. Take our advice and subscribe *now* for volume 40 (1881). Orange Judd Company, Publishers, 245 Broadway, New York.

PARCEVILLE [illegible] for this issue.

THE largest and [illegible] assortment of confectionery [illegible] Markdale, at Montgomery's.

MR. Philips, late of Blyth, has opened a drug store in the village of Dundalk. Read his advertisement.

A supply of the "New Revision," Canada Methodist Hymn Book for sale at the Medical Hall.

IF you want a cosy pair of feet go to D. McLeod's. His boots are party for handsome, they are also great for strhong.

PARTIES who have missed any cattle or sheep should look carefully over the columns of the STANDARD. Quite a number are advertised this week.

WE would call the attention of those interested to the alteration in Mr. G. Rutherford's advertisement. Dundalk people should read it over.

MR. C. Humphries, of Dundalk has something in this issue that is of interest to the people of that village. Those wanting a nice organ or sewing machine should give him a call.

A meeting will be held at the Revere Hotel this (Friday) evening, at eight o'clock, sharp, to take into consideration an offer to establish a Foundry in this place.

THOMAS MATHEWS is still in the Harness business. Parties requiring anything in his line can depend on genuine material, first-class workmanship, and honorable dealing by giving him their patronage.

No business man should fail to have the business he follows printed on his envelopes and note paper. We can furnish you with both articles neatly printed, at city prices, at the STANDARD office.

CHANGED HANDS.—The Mt. Forest *Examiner* has been purchased by the proprietor of the *Confederate*, and both papers have been amalgamated and will be published under the name of *Confederate-Examiner*. It makes its appearance this week as a semi-weekly. We wish our brother of the quil every success.

TIME is money, you can save both by buying one of Disson's Champion Cross Cut Saws. Any boy can keep them in repair. Will cut faster, and are 25 per cent. cheaper than any other saw of same quality in the market. Be sure you get Disson's. No other saw will do the same amount of work. Call at Haskett Bros. and take one home.

JUST as we were going to press, we learn, through our Priceville correspondent, of the sudden death of Mr. Charles Hale, who lived on the old Durham Road, about five miles from Priceville. He died in about twenty minutes after being taken ill, on Sunday morning last—cause said to be appoplexy. Particulars next week.

SOME of our subscribers at Pomona are complaining that they do not get the paper until the week after it is published. It is mailed here early on Friday morning and should be received the same day. We shall look into the matter and if we can find the delinquent, we shall bring the matter to the notice of the Post Master General.

SAD.—We regret to have to announce the death of the two remaining children of Mr. D. Campbell, of Glenelg. He lost a son about a year ago, with scarlet fever, and this week, the other two, (his entire family,) have followed their brother to that land where trouble ceaseth and the weary are at rest. We assure Mr. and Mrs. C. they have our sincere sympathy in their sad bereavement.

A MEETING was held by the trustees of the C. M. Church of this place last evening, it was decided to introduce the new hymn book on the 1st of January 1881. Mr. McDiarmid has ordered samples, and any persons wishing to obtain a hymn book can see them and leave their order at the Parsonage. The above is a new edition containing all the best hymns of the old book and upwards of two hundred new ones.

WE have made arrangements with the following papers to furnish them to parties who wish to take them in connection with the STANDARD, at greatly reduced rates. The American Agriculturist $1.00; Canadian Farmer 75c.; Scientific American $2.60; Toronto Weekly Globe $1.25. We hope to be able to give the price of *Mail* and several others next week. The above prices are only adhered to when the the papers are taken in connection with the STANDARD.
